Zwicker, Vernon K., 238 Ash Street	Carpenter

SPECIAL TOWN MEETING

Memorial High School

February 12, 1968

The meeting was called to order by the Moderator, Kenneth C. Latham, at 8:00 P.M.

The invocation was given by Rev. Willard C. Arnold.

The Warrant was partially read by the Town Clerk, Boyd H. Stewart, when, on motion of C. Dewey Smith, it was voted to dispense with further reading of the Warrant except the Constable's Return, which was then read by the Town Clerk.

ARTICLE 1. On motion of Herbert F. Gent, Jr., it was voted that the Town adopt the following Resolution:

WHEREAS, J. WARREN KILLAM, JR., served the Town of Reading as Chairman of the Board of Selectmen, Chairman of the School Committee, Town Counsel, and a number of other capacities, and

WHEREAS, J. WARREN KILLAM, JR., gave generously of his time and efforts not only in Town government, but also in numerous other community activities,

NOW, THEREFORE, Be It Resolved that the Town of Reading does hereby permanently record its deep and grateful appreciation of the dedicated service rendered to it by J. Warren Killam, Jr., and does further record its recognition of the great benefit to the Town which has resulted from his many years of service, and

BE IT FURTHER RESOLVED that this Resolution be spread upon the records and a copy be sent to Mrs. J. Warren Killam, Jr.

ARTICLE 1. A vote was taken on whether or not there would be an Adjourned Annual Town Meeting on Saturday, March 23, 1968, as follows:

Yes — 92

No — 34

On motion of Herbert F. Gent, Jr., it was voted to place Article 1 on the table.

ARTICLE 2. On motion of Edwin H. Bjorkman it was voted that the sum of One Thousand Five Hundred and 09/100 Dollars (\$1,500.00) be raised from the tax levy and appropriated for publication of revised Zoning By-Laws and current Zoning Map.

ARTICLE 3. On motion of George L. Hodgkins, as amended by Lawrence Drew, it was voted that the sum of Three Hundred Six Thousand Dollars (\$306,000.00) be raised and appropriated for the construction of sanitary sewers, sewerage work and other sewer facilities, such sum to be expended by and under the direction of the Board of Public Works, and to meet said appropriation, that the sum of Six Thousand Dollars (\$6,000.00) be raised from the tax levy and that the sum of Three Hundred Thousand Dollars (\$300,-

000.00) be raised by borrowing, and that the Town Treasurer, with the approval of the Board of Selectmen, be and he hereby is, authorized to borrow said Three Hundred Thousand Dollars (\$300,000.00) and to issue at one time or from time to time bonds or notes of the Town for said Three Hundred Thousand Dollars (\$300,000.00) payable in accordance with Chapter 44 of the General Laws so that each issue shall be paid in not more than thirty (30) years from its date or at such earlier time as the Treasurer and Selectmen may determine, said bonds or notes shall be signed by the Treasurer and countersigned by the Selectmen, and that the Board of Public Works be, and it hereby is, authorized to proceed with the construction of said sewers, sewerage work and other sewer facilities and enter into all contracts and agreements with respect thereto and to do all other acts and things necessary or proper for carrying out the provisions of this vote.

118 voted in the affirmative

25 voted in the negative

ARTICLE 4. On motion of George L. Hodgkins it was voted that the sum of Twenty-seven Thousand Dollars (\$27,000.00) be transferred from the Road Machinery Fund and be appropriated for the purchase by the Board of Public Works of a New Rubber Tired Tractor with Front End Loader and that the Board of Public Works be, and it hereby is, authorized and empowered to sell or exchange upon such terms and conditions as it may determine, one (1) Rubber Tired Tractor with Front End Loader and the proceeds from such sale or exchange are to be appropriated in addition to the aforementioned Twenty-seven Thousand Dollars (\$27,000.00) for the purchase of the aforementioned equipment, and the Town Accountant be and hereby is, authorized and instructed to transfer such amount to carry out the purpose of this vote.

On motion of Joseph A. Concannon it was voted to take Article 1 from the table.

ARTICLE 1. The following report was read by Neil H. Murray, Chairman of the School Construction Committee:

PROGRESS REPORT — ADDITION TO HIGH SCHOOL

In December of 1967 the School Construction Committee entered into the preliminary planning phase of the high school addition. As part of this planning the preliminary educational specifications have been reviewed jointly with the school administration and the School Committee. The basic educational goals cited in the specifications have been endorsed by the School Committee. In sequence, the next objective was to engage an architect to obtain a workable solution to the educational program. As a result, the School Construction Committee has interviewed two architects, Stoner Associates, the architect for the new elementary school, and Crimp, Brown & Fisher, the original architect for the high school. It was determined that either of these firms could perform the work outlined in the specifications. A selection has not yet been made since certain advantages associated with both

parties have not been fully assessed. Our discussions were limited to the two architects since the Committee personally interviewed ten architectural firms at the time of the elementary school preliminary planning and as a result further investigation was considered unnecessary.

The Committee believes that the preliminary planning of the high school addition should be started immediately. Towards this end we are preparing the necessary applications for HUD funds. Replies to inquiries as to availability of funds have been negative since no additional appropriations have been provided for HUD and the current waiting period is in excess of eighteen months. These funds are not realistic. As a result, the School Construction Committee has decided to proceed with the high school planning immediately using this Special Town Meeting as the means of picking up a valuable month of time.

School Construction Committee

On motion of Herbert F. Gent, Jr., it was voted that report be accepted as a report of progress.

On motion of Herbert F. Gent, Jr., it was voted to place Article 1 on the table.

ARTICLE 5. On motion of Joseph A. Concannon it was voted that the sum of Twenty-five Thousand Dollars (\$25,000.00) be raised from the tax levy and appropriated for consulting engineers, architectural services, preliminary plans and surveys for the construction of an addition to the Reading Memorial High School, said sum to be expended by and under the direction of the School Construction Committee.

On the motion of Herbert F. Gent, Jr., it was voted to take Article 1 from the table.

On motion of Herbert F. Gent, Jr., it was voted that Article 1 be indefinitely postponed.

On motion of Herbert F. Gent, Jr., it was voted to adjourn, sine die, at 9:00 P.M.

158 Town Meeting Members were present.

ANNUAL TOWN ELECTION

March 4, 1968

Pursuant to the Warrant and the Constable's Return thereon, a Town Election was held at the time and places specified in the Warrant and was called to order by the Wardens in the precincts as follows:

Precinct 1	Pearl Street School	H. Nelson Bates
Precinct 2	Joshua Eaton School	Ralph J. Bens, Jr.
Precinct 3	Community Center	Lawrence Drew
Precinct 4	Memorial High School	Kenneth C. Latham

who then partially read the Warrant, when on motion of Thomas R. Browne, Precinct 1; Arthur L. Harris, Precinct 2; Herbert F. Gent, Jr., Precinct 3; C. Dewey Smith, Precinct 4, it was voted to dispense with the further reading of the Warrant, except the Constable's Return, which was then read by the Wardens in charge.

The ballot boxes were examined by the Wardens in charge and each found to be empty and all registered 000.

The polls were then declared open at 7:00 A.M. and were closed at 8:00 P.M. with the following results:

ANNUAL TOWN MEETING

Memorial High School

March 18, 1968

The meeting was called to order by the Moderator, Kenneth C. Latham, at 8:00 P.M.

The invocation was given by Rev. Paul Rouse of St. Athanasius Church.

The newly elected Town Meeting Members were sworn in by the Moderator.

The Warrant was partially read by the Town Clerk when, on motion of C. Dewey Smith, it was voted to dispense with further reading of the Warrant, except the Constable's Return, which was then read by the Town Clerk.

ARTICLE 2. The following report was read by Lawrence Drew, Chairman of the Finance Committee, for the committee, upon which it was moved and voted that the Finance Committee Report for the Annual Town Meeting 1968 be amended as follows:

On Page Six Line 3 of said report by deleting the figure \$289,310. and substituting therefor the figure \$278,212.

On Page Six Line 6 of said report by deleting the figure \$74,137. and substituting therefor the figure \$51,168.

On Page Six Line 9 of said report by deleting the figure \$33,595. and substituting therefor the figure \$33,598.

On Page Twenty-four Article 64 by deleting the words "Action Pending" and substituting therefor the words "Do not recommend".

On Page Twenty, Article 39, by deleting "Chapter 679 Funds" and substituting therefor "Chapter 616 Funds".

On motion of C. Dewey Smith it was voted that report be accepted and placed on file.

ARTICLE 2. The following report was read by Ralph T. Horn, Chairman of the Board of Assessors:

Final Report — Mapping and Revaluation

MAPPING: For the first time in the history of the Town all land has been completely mapped by ground survey. There are 250 plats on Mylar prints and at a uniform scale of 80 feet to the inch. Duplicate Mylar prints have been reproduced on a 160 foot scale together with two paper volumes (one for public use and one for Assessors' field work). All lots are numbered together with assigned street numbers, plus dimensions and land areas. A large wall index map clearly shows all streets and plat numbers for quick reference. Also all plat and lot numbers are coded to appraisal cards. We also have aerial photos of the entire Town furnished to us by the New England Survey Company without charge. The maps will be updated each year to include all new sub-divisions and corrections. Examination of these maps are available to the public. Duplicate maps or volumes are available at cost through the New England Survey Service, Inc.

REVALUATION EFFECTIVE January 1, 1967: The revaluation program was delayed due to unforeseen title problems, etc. on mapping. Every structure in Town has been measured with a sketch on appraisal cards. Close to 100% of all structures have had interior inspections with details noted. The completion date on the contract was met but appraisal cards required an extended period of time for review and corrections by the Assessors. Following the completion of review, notices were sent to the taxpayers on the value estimate and a tentative estimated rate of \$32.00 per thousand.

Slightly over 600 appointments were made for review hearings. Close to 100 appointments were cancelled or the taxpayer failed to keep the appointment.

Following the mailing of the tax bills there were 131 applications for Abatements on over-valuations. Each parcel was inspected and carefully reviewed and acted upon. At present there are only two appeals filed with the Appellate Tax Board (one a small commercial property and the other a residence).

It is the opinion of the Board of Assessors that the revaluation program was accomplished in a satisfactory and orderly manner.

Final Report — Mapping and Revaluation

It is our estimate that the 1966 Real Estate valuation converted to 100% would be about \$116,000,000 plus approximately \$4,000,000 for new construction, etc. would indicate about \$120,000,000 for the year 1967. The actual assessed valuation of Real Estate for 1967 was slightly over \$127,000,000 or a gain, as a result of revaluation, of \$7,000,000 and at \$29.80 per thousand reflects a gain in tax dollars of \$208,600. This compares to a contract cost of \$104,000 for both mapping and revaluation. The Town Meeting appropriation was \$105,000. Miscellaneous expenses for advertising on bids, mailing notices, map binders, etc. amounted to \$595.65 leaving an unexpended balance of \$404.35.

The Board wishes to express its appreciation for the fine cooperation of all the taxpayers, Town Departments and officials.

Ralph T. Horn, Chairman
Frank M. Stevens, Secretary
Carl W. Goodridge
Board of Assessors

On motion of C. Dewey Smith it was voted that report be accepted as a report of progress.

ARTICLE 2. The following report was read by Neil H. Murray, Chairman of the School Construction Committee:

Report of Progress — School Construction Committee

The School Construction Committee makes herewith its report of progress on the High School addition.

The January Special Town Meeting appropriated \$25,000.00 to engage an

architect for preliminary drawings and plans for the addition to Reading Memorial High School. It was stated at the January meeting that an additional request for funding to cover final working drawings would be made at the Annual Meeting. Due to the size of the addition and the time required for preliminary plans, our Committee has voted not to request these funds at this time.

Stoner Associates was elected as the architect for this work. During the past six weeks preliminary planning has progressed satisfactorily. At this early stage of the project, it is expected that the addition will be a multi-story classroom building. Physical Education and cafeteria expansion at this point of planning appear to be the biggest obstacles.

The initial design approach takes into consideration the ledge problem on the site. It is possible to use this ledge as a good footing thereby having one portion of the addition resting on ledge and the other end set on pillars of re-inforced concrete. It is too early in the planning to know the answers to the specific problems.

The addition, together with the present school, will provide adequate space for 2,000 pupils. Related to space requirements this means that greater than 100,000 square feet are needed. Originally the High School Addition was estimated at a cost of 1.6 million dollars. Under the present needs and rising building costs the addition will cost substantially more than 1.6 million dollars. The School Construction Committee plans to come before Town Meeting before the tax rate is set to request funding for final working drawings.

The Elementary School has proceeded along on schedule. Working drawings have been completed and approved by the School Building Assistance Bureau. The drawing package went to bid on February 15, 1968. Sub-bids were opened on March 14 and are in the process of being authenticated. General bids will be opened at 12 noon on Thursday, March 21. This will enable our committee to come before the Town Meeting on Saturday with a cost which will include all facets of the building (construction cost, fees, equipment, contingency, and clerk of the works). A brochure was sent out last week describing the school as proposed to this Town Meeting.

Town of Reading
School Construction Committee

On motion of C. Dewey Smith it was voted that report be accepted as a report of progress.

ARTICLE 2. The following report was read by Robert W. Grieve, Chairman of the Planning Board:

REPORT OF THE PLANNING BOARD

The Planning Board is in the process of proposing revisions to the Zoning By-Laws. Copies of the proposed By-Laws have been given to interested town official boards for review and comment. The result has been released to the printer and the copy proof-read for the second time.

The Planning Board will have the proposed By-Laws printed in the paper, prior to official publication, and have a meeting with all interested persons who are invited to discuss the changes and make suggestions for improvements.

The resulting proposals will be printed for two weeks as an official notice, as directed by Section 40A of the General Laws.

An Article will be inserted in the Warrant for the next Special Town Meeting for action by this body.

Reading Planning Board

William H. Parker, III, Secretary
Edwin H. Bjorkman
Russell H. Stone
Edward J. Taylor, Jr.

On motion of C. Dewey Smith it was voted that report be accepted as a report of progress.

ARTICLE 2. The following report was read by Charles W. Chisholm, Chairman of the School Sites and Recreation Areas Study Committee:

REPORT OF PROGRESS

SCHOOL SITES AND RECREATION AREAS STUDY COMMITTEE

During the past sixteen months your Committee has had under serious consideration, a school site located in the Franklin Street area west of Main Street.

Early in the summer the Committee engaged a registered surveyor to survey the site under consideration, plus an adjoining parcel that we felt could blend in reasonably to make the total land area more compatible with the requirements of the Massachusetts Department of Education.

Upon completion of the survey, a school building consultant was engaged and on October 13, the consultant's engineers, plus a representative of the District Health Department of the Massachusetts Division of Sanitation, dug four deep exploration holes and conducted percolation tests on the site area.

The consultant's letter, outlining the findings, states: "The opinion of the state representative at the time was that the site was not suitable for school sewage disposal".

The report continues: "Considering the site on the basis of its capacity for building support, that is foundation construction, there should be no problem, except the obvious cost of blasting in order to achieve those grades and levels common to the large areas of a school building. This of course would exceed average site preparation cost".

In view of this professional opinion your Committee feels that we should proceed with caution; that further study of this parcel of land, and perhaps

other sites is in order before recommending the purchase of land for a future elementary school site.

Charles W. Chisholm, Chairman
Edwin H. Bjorkman
Donald E. Florence
William F. Perkins
Frank A. Smith, Jr.

Reading School Sites and
Recreation Areas Study Committee

On motion of C. Dewey Smith it was voted that report be accepted as a report of progress.

On motion of C. Dewey Smith it was voted to place Article 2 on the table.

ARTICLE 3. On motion of C. Dewey Smith it was voted that the following persons be chosen to serve as Measurers of Lumber for the ensuing year:

Harold B. Currell

Maurice H. Donegan

and that the following persons be chosen to serve as Measurers of Wood and Bark for the ensuing year:

Harold B. Currell

Maurice H. Donegan

On motion of C. Dewey Smith it was voted to place Article 3 on the table.

On motion of David C. Starkey it was voted to take up Article 77.

ARTICLE 77. Frederick A. Asmussen moved the following amendment:

Article 77. Section I — Clerical Employees

Collector's Administrative Assistant

Labor Grade 8

Minimum Hourly \$2.45

Maximum Hourly 3.07

Amend to: Labor Grade 11

Minimum Hourly \$2.90

Maximum Hourly 3.62

This motion to amend failed to pass.

ARTICLE 4. On motion of Frederick A. Asmussen it was voted that the sum of Two Hundred Eighty Thousand Dollars (\$280,000.00) be raised from the tax levy and appropriated for Maturing Debt, not including light and water, as follows:

Sewer	\$ 15,000.00
School	265,000.00
	\$ 280,000.00

ARTICLE 4. On motion of C. Dewey Smith it was voted to place Article 4 on the table.

ARTICLE 5. On motion of Frederick A. Asmussen it was voted that the Town Treasurer be and he hereby is, authorized to borrow money from time to time, with the approval of the Selectmen, in anticipation of revenue of the financial years beginning January 1, 1968, and January 1, 1969, in accordance with the provisions of General Laws Chapter 44, Section 4 and to renew any note or notes as may be given payable within one year, in accordance with the provisions of General Laws Chapter 44, Section 17.

ARTICLE 6. On motion of Frederick A. Asmussen it was voted that the sum of Seven Hundred Dollars (\$700.00) be raised from the tax levy and appropriated for the purpose of foreclosing in the Land Court, pursuant to provisions of Section 65 of Chapter 60 of the General Laws, the right of redemption to any and all real estate taken by the Town for non-payment of taxes.

ARTICLE 7. On motion of Frederick A. Asmussen it was voted that the sum of Three Thousand Dollars (\$3,000.00) be transferred from Surplus Revenue and appropriated for the maintenance of various streets previously constructed under Chapter 90 of the General Laws; that the further sum of Twenty-seven Thousand Nine Hundred Dollars (\$27,900.00) be transferred from Surplus Revenue and appropriated for the improvement and construction, under Chapter 90 of the General Laws, of a portion of Haverhill Street in a northerly direction from a point near Granger Avenue, provided, however,

that such sums received as reimbursement from the Commonwealth of Massachusetts and the County of Middlesex shall be credited to Surplus Revenue, and that the Town Accountant be, and he hereby is, authorized, empowered and instructed to make such transfers to carry out the purpose of this vote.

ARTICLE 8. To see what sum the Town will raise by borrowing or from the tax levy or transfer from available funds, or otherwise, and appropriate for repairs to the Community Center, or what it will do in relation thereto.

ARTICLE 8. William M. Connell III moved to amend Article 8 so that the sum of \$45,000.00 be raised or transferred to implement the Board of Public Works report regarding the repair and renovation of the Community Center.

This motion to amend Article 8 did not pass.

ARTICLE 8. Robert S. Cummings moved that the sum of One Hundred Twenty-five Thousand Dollars (\$125,000.00) be raised from the tax levy and appropriated for repairs to the Community Center, such sum to be expended by and under the direction of the Board of Selectmen.

This motion did not pass. 75 voted in the affirmative

84 voted in the negative

On motion of C. Dewey Smith it was voted that the meeting stand adjourned until March 21, 1968, at 8:00 P.M., to meet in the Memorial High School Auditorium.

Meeting adjourned 11:00 P.M.

187 Town Meeting Members were present.

A true copy. Attest:

Boyd H. Stewart, Town Clerk

ADJOURNED ANNUAL TOWN MEETING

Memorial High School

March 21, 1968

The meeting was called to order by the Moderator, Kenneth C. Latham, at 8:00 P.M.

The invocation was given by Rev. Jack Cavanaugh of the First Baptist Church.

The Town Clerk read the Notice and his Return on posting the Notice of Proposed Reconsideration of Article 8, in accordance with Article 1, Section 2, of the General By-Laws of the Town.

It was moved by Charles W. Chisholm that the following vote under Article 8, passed at the Annual Town Meeting held on March 18, 1968, be reconsidered:

ARTICLE 8. Robert S. Cummings moved that the sum of One Hundred Twenty-five Thousand Dollars (\$125,000.00) be raised from the tax levy and appropriated for repairs to the Community Center, such sum to be expended by and under the direction of the Board of Selectmen.

This motion failed to pass. 75 voted in the affirmative

84 voted in the negative

This motion to reconsider Article 8 failed to pass.

85 voted in the affirmative.

82 voted in the negative

(A two-thirds vote is required for reconsideration.)

On motion of Nils L. Nordberg it was voted to take Article 3 from the table.

ARTICLE 3. On motion of Nils L. Nordberg it was voted that the Selectmen be and hereby are instructed to prepare a comprehensive plan for the utilization of the former High School Building, now known as the Community Center, such plan to be presented at the next Special or Annual Town Meeting.

Priority for space allocation shall be:

1. Town Boards and Agencies currently housed in the Municipal Building, the relocation of which would alleviate current overcrowding of the Municipal Building.
2. Town Boards and Agencies not currently housed in the Municipal Building, which might be in the opinion of the Selectmen housed within the former High School Building.
3. Provision for recreation and assembly areas as may in the opinion of the Selectmen be made available for public use.
4. Office space and meeting rooms available to non-profit community service organizations, upon such terms and conditions as the Selectmen may deem proper.

Recommendations for restoration and remodeling shall be presented over a three (3) to six (6) year program indicating the areas of work and estimated costs for each such annual phase of work and an estimated total cost for the complete restoration, remodelling and utilization of the structure.

Time and finances available an estimate of the cost of a new structure to accomplish the above purpose on this or another site should also be presented.

87 voted in the affirmative

78 voted in the negative

On motion of C. Dewey Smith it was voted to place Article 3 on the table.

ARTICLE 9. On motion of Robert S. Cummings it was voted that the sum of Seven Thousand Nine Hundred Dollars (\$7,900.00) be raised from the tax levy and appropriated for the operation and maintenance of the Community Center.

ARTICLE 10. On motion of C. Dewey Smith it was voted that the Selectmen be, and they hereby are, authorized to sell or exchange, upon such terms and conditions as they may determine, Engine No. 5 now in the Fire Department, and that the sum of Twenty Thousand Dollars (\$20,000.00) be raised from the tax levy, and together with the proceeds from sale or exchange, be appropriated for the purchase of a new engine for the Fire Department.

ARTICLE 11. On motion of Fred C. Kenney, Jr., it was voted that the sum of Eighteen Thousand and 00/100 Dollars (\$18,000.00) be raised from the tax levy and appropriated for the purchase of a new truck with cab and with aerial bucket for the Tree and Moth Department.

ARTICLE 12. On motion of C. Dewey Smith it was voted that the sum of Nineteen Thousand and 00/100 Dollars (\$19,000.00) be raised from the tax levy and appropriated for the purpose of purchasing machines, equipment, materials and accessories for the purpose of adopting electronic voting system, so-called.

ARTICLE 13. To see what sum the Town will raise by borrowing or from the tax levy or transfer from available funds, or otherwise, and appropriate for the purpose of constructing, including grading and landscaping, originally equipping and furnishing a new elementary school building upon land owned by the Town in the Northeast area of Town (so-called Zagorski property), said sum to be expended by and under the direction of the School Construction Committee, or what it will do in relation thereto.

On motion of Joseph A. Concannon it was voted to place Article 13 on the table.

ARTICLE 14. To see what sum the Town will raise by borrowing or from the tax levy or transfer from available funds, or otherwise, and appropriate for consulting engineers, architectural services, final plans and surveys and working drawings for the construction of an addition to the Reading Memorial High School, said sum to be expended by and under the direction of the School Construction Committee, or what it will do in relation thereto.

On motion of Joseph A. Concannon it was voted that Article 14 be indefinitely postponed.

ARTICLE 15. On motion of Edouard N. Dube it was voted that the sum of Three Thousand One Hundred and 00/100 Dollars (\$3,100.00) be transferred from Cemetery Reserve and appropriated for the permanent development of Laurel Hill and Forest Glen Cemeteries, and that the Town Accountant be, and he hereby is, authorized, empowered and instructed to make such transfer to carry out the purpose of this vote.

ARTICLE 16. On motion of Edouard N. Dube it was voted that the sum of Ten Thousand and 00/100 Dollars (\$10,000.00) be transferred from Cemetery Reserve and that the sum of Ten Thousand and 00/100 Dollars (\$10,000.00) be raised from the tax levy and that said sums totaling Twenty Thousand and 00/100 Dollars (\$20,000.00) be appropriated for the purpose of the continued development of Forest Glen and Charles Street Cemeteries, including site clearing, the construction of drainage, the extension of the road system, the water system and the preparation of lots for sale, and that the Town Accountant be, and he hereby is, authorized, empowered and instructed to make such transfer to carry out the purpose of this vote.

ARTICLE 17. On motion of C. Dewey Smith it was voted that the sum of Five Thousand and 00/100 Dollars (\$5,000.00) be raised from the tax levy and appropriated to Selectmen's Expense for the purpose of labor negotiations.

ARTICLE 18. On motion of C. Dewey Smith it was voted that the Selectmen be, and they hereby are, authorized to sell or exchange, upon such terms and conditions as they may determine, the 1963 Dodge automobile now in the Police Department, and that the sum of Two Thousand Five Hundred and 00/100 Dollars (\$2,500.00) be raised from the tax levy and appropriated together with the proceeds from said sale or exchange, for the purchase of a new automobile for the Police Chief.

ARTICLE 19. On motion of C. Dewey Smith it was voted that the Selectmen be, and they hereby are, authorized to sell or exchange upon such terms and conditions as they may determine, the 1967 Chevrolet cruiser now in the Police Department, and that the sum of One Thousand Seven Hundred and 00/100 Dollars (\$1,700.00) be raised from the tax levy, and together with the proceeds from said sale or exchange, be appropriated for the purchase of a new cruiser for the Police Department.

ARTICLE 20. On motion of C. Dewey Smith it was voted that the Selectmen be, and they hereby are, authorized to sell or exchange, upon such terms and conditions as they may determine, the 1967 Ford cruiser now in the Police Department, and that the sum of One Thousand Seven Hundred and 00/100 Dollars (\$1,700.00) be raised from the tax levy, and together with the proceeds from said sale or exchange, be appropriated for the purchase of a new cruiser for the Police Department.

ARTICLE 21. On motion of Robert S. Cummings it was voted that the sum of Nine Hundred Twenty-five and 00/100 Dollars (\$925.00) be raised from the tax levy and appropriated for the purchase of a breath analyzer for use by the Police Department.

ARTICLE 22. On motion of Robert S. Cummings it was voted that the sum of Five Thousand Four Hundred and 00/100 Dollars (\$5,400.00) be raised from the tax levy and appropriated for the purchase of uniforms for members of the Police Department.

ARTICLE 23. On motion of Robert S. Cummings it was voted that the sum of One Thousand Five Hundred and 00/100 Dollars (\$1,500.00) be raised

from the tax levy and appropriated for the purchase of uniforms for members of the Police Reserves.

ARTICLE 24. On motion of Fred C. Kenney, Jr., it was voted that the Selectmen be, and they hereby are, authorized to sell or exchange, upon such terms and conditions as they may determine, the 1963 Dodge automobile now in the Fire Department, and that the sum of Two Thousand Five Hundred and 00/100 Dollars (\$2,500.00) be raised from the tax levy, and together with the proceeds from said sale or exchange, be appropriated for a new automobile for the Fire Chief.

ARTICLE 25. On motion of Fred C. Kenney, Jr., it was voted that the Selectmen be, and they hereby are, authorized to sell or exchange, upon such terms and conditions as they may determine, the obsolete portable radio presently in the Fire Department, and that the sum of Seven Hundred Fifty and 00/100 Dollars (\$750.00) be raised from the tax levy, and together with the proceeds from said sale or exchange, be appropriated for the purchase of a new automobile radio for the Fire Department.

ARTICLE 26. On motion of Fred C. Kenney, Jr., it was voted that the Selectmen be, and they hereby are, authorized to sell or exchange, upon such terms and conditions as they may determine, the obsolete recorder presently in the Fire Department, and that the sum of One Thousand and 00/100 Dollars (\$1,000.00) be raised from the tax levy, and together with the proceeds from said sale or exchange, be appropriated for the purchase of a new recorder for the Fire Department.

ARTICLE 27. On motion of Fred C. Kenney, Jr., it was voted that the sum of One Thousand Four Hundred Eighty and 00/100 Dollars (\$1,480.00) be raised from the tax levy and appropriated for the purchase of uniforms for members of the Fire Department.

ARTICLE 28. On motion of Fred C. Kenney, Jr., it was voted that the sum of Six Thousand and 00/100 Dollars (\$6,000.00) be raised from the tax levy and appropriated for the Dutch Elm Control Account.

ARTICLE 29. On motion of William H. Diamond it was voted that the Board of Selectmen be, and they hereby are, authorized, empowered and directed to sign, seal with the Seal of the Town of Reading, acknowledge and deliver to Reading Rifle and Revolver Club, Inc., a Massachusetts corporation duly organized by law and having its principal place of business off Haverhill Street in the Town of Reading, a Deed of Easement granting to said corporation a right of way over the existing roadway leading from Haverhill Street to property of the said Reading Rifle and Revolver Club, Inc., for all purposes for which streets and ways are customarily used in the Town of Reading in common with all others legally entitled thereto, and also granting to said Reading Rifle and Revolver Club, Inc., an easement for a pole line for the transmission of electricity and telephone communication as presently laid out from Haverhill Street to the property of the said Club.

ARTICLE 30. On motion of Robert S. Cummings it was voted that the sum of One Thousand Five Hundred and 00/100 Dollars (\$1,500.00) be raised from the tax levy and appropriated for appraisal, engineering and title examination fees having to do with takings by eminent domain, or otherwise acquiring land or land and buildings for the Town or any department thereof.

ARTICLE 31. On motion of Fred C. Kenney, Jr., it was voted that the sum of Four Hundred Fifty-three and 72/100 Dollars (\$453.72) be raised from the tax levy and appropriated for the purpose of reimbursing the Lynn Mutual Insurance Company under the subrogation clause in said Company's contract with the Town.

ARTICLE 32. On motion of Fred C. Kenney, Jr., it was voted that the sum of One Thousand Four Hundred and 00/100 Dollars (\$1,400.00) be raised from the tax levy and appropriated for the care of graves of any persons who have served in the Army, Navy, Air Force or Marine Corps of the United States in time of war or insurrection and who have been honorably discharged from such service, as provided by Section 9, Chapter 115, General Laws.

ARTICLE 33. On motion of C. Dewey Smith it was voted that the sum of Three Thousand Five Hundred and 00/100 Dollars (\$3,500.00) be raised from the tax levy and appropriated for the observance of the Christmas Season of 1968 by the decoration and illumination of public buildings and public streets and the decoration of Christmas trees upon municipal land.

ARTICLE 34. On motion of William H. Willson, Jr., it was voted that the sum of One Thousand and 00/100 Dollars (\$1,000.00) be raised from the tax levy and appropriated for the purpose of coordinating or conducting programs dealing with the problems of the aging and promote facilities for health, education, welfare and recreation of the aging.

ARTICLE 35. On motion of C. Dewey Smith it was voted that the Town vote to establish a committee to bring the Town By-Laws up to date, such committee to consist of three (3) members to be appointed by the Board of Selectmen.

ARTICLE 36. On motion of C. Dewey Smith it was voted that the General By-Laws of the Town be amended by adding thereto at the end of Article XII thereof Section 16, as follows:

No person except an officer of the law in the performance of his duties, shall enter upon the premises of another or upon public lands with the intention of peering into the windows or doors of a house or of spying upon in any manner any person or persons therein. Violation of this section shall be punishable by a fine not to exceed fifty (50) dollars.

On motion of C. Dewey Smith it was voted that the meeting stand adjourned until March 23, 1968, at 9:00 A.M., to meet in the Memorial High School Auditorium.

Meeting adjourned 10:25 P.M.

188 Town Meeting Members were present.

A true copy. Attest:

Boyd H. Stewart, Town Clerk

ADJOURNED ANNUAL TOWN MEETING

Memorial High School

March 23, 1968

The meeting was called to order by the Moderator, Kenneth C. Latham, at 9:00 A.M.

The invocation was given by Rev. Fred Pneuman of the Old South Methodist Church.

On motion of Lawrence Drew it was voted to take Article 2 from the table.

ARTICLE 2. On motion of Lawrence Drew it was voted that the "Report of the Finance Committee for the Annual Town Meeting of 1968" is amended as follows:

Page 15 — Article 13. Delete the words "Action Pending" and substitute therefor:

"Recommend the sum of \$1,614,060.00 to be raised as follows:

\$1,600,000.00 by bonding, outside the debt limit.

6,000.00 from Surplus Revenue.

8,060.00 to be transferred from funds remaining from those appropriated under Article 6 of the Special Town Meeting of October 16, 1967."

On motion of Lawrence Drew it was voted to place Article 2 on the table.

ARTICLE 37. Russel E. Carter moved the following amendment:

SICK LEAVE — section b. — Strike out sixty (60) days and inserting therein ninety (90) days.

SICK LEAVE — section c. — Strike out three (3) consecutive days and inserting therein four (4) consecutive days.

This motion to amend failed to pass.

ARTICLE 37. On motion of Herbert F. Gent, Jr., it was voted, as amended, that the Town vote to adopt a uniform policy covering holidays, sick leave, funeral leave and vacations for all Departments of the Town, by deleting from paragraph eleven (11) of Personnel Regulations and substituting therefor as follows:

SICK LEAVE:

a. All full-time employees who have completed thirty (30) continuous weeks of employment shall be eligible for fifteen (15) days leave with pay each calendar year for absence due to illness or injury.

b. Any unused portion of such leave shall be accumulated to a maximum total of sixty (60) days.

c. When absence by reason of sickness or injury is for a period of three (3) consecutive days or more, the Department Head shall require the employee to submit a letter from a regularly licensed practicing physician giving the diagnosis and prognosis, before the employee shall be entitled to leave with

pay. The Town also reserves the right to send a physician at its expense to examine the employee.

d. If leave with pay is about to be exhausted, an employee may make application for an additional thirty (30) days of leave with pay. The Department Head shall require the employee to submit a letter from a regularly licensed practicing physician giving the diagnosis, prognosis and expected date of return to work. Determination of eligibility for pay will be made upon recommendation of the Department Head to the Board of Selectmen and the Personnel Board. The Town also reserves the right to send a physician at its expense to examine the employee.

e. When absence is compensable under Workmen's Compensation Insurance, the employee shall be paid the difference between Workmen's Compensation benefits and his regular base salary provided he has accumulated sufficient sick leave days. One-half day shall be charged against sick leave for each day of absence under these conditions.

f. Employees whose services are terminated for any reason shall not be entitled to compensation in lieu of sick leave not taken.

g. A complete and accurate record shall be maintained of each employee setting forth the dates used from his sick leave and the number of his sick leave days remaining. Such record shall be available for inspection by each individual upon reasonable request.

FUNERAL LEAVE:

Three days leave with pay will be granted to any full-time employee upon the death of any member of his immediate family. ("Immediate Family" is defined as spouse, father or mother, brother or sister, son or daughter, mother-in-law or father-in-law.)

One day leave with pay will be granted to any full-time employee upon the death of other members of the family (aunt, uncle, grandparents, sister-in-law, brother-in-law, etc.)

HOLIDAYS

All permanent full-time Town employees shall be entitled to the following holidays with pay when they fall within the regular work week:

New Year's Day
Washington's Birthday
Patriots' Day
Memorial Day
Independence Day

Labor Day
Columbus Day
Veterans' Day
Thanksgiving Day
Christmas Day

If a holiday should fall on a Saturday, it will be celebrated on the preceding Friday and if a holiday should fall on a Sunday, it will be celebrated on the following Monday.

In the event an employee is required to work on any of these holidays,

he shall be compensated for the number of hours worked, at his regular hourly wage, in addition to his regular pay.

VACATIONS:

1. Two weeks vacation with pay will be granted to all permanent full-time employees who have actually worked 30 weeks during the 12 months preceding June 1st. (G. L. Chapter 41, Section III)
2. Three weeks vacation with pay will be granted within each calendar year to all full-time employees who have completed ten years of continuous service. Eligibility for the third week of vacation commences upon the completion of 10 years of service.
3. Four weeks vacation with pay will be granted within each calendar year to all full-time employees who have completed twenty years of continuous service. Eligibility for the fourth week of vacation commences upon the completion of 20 years of service.
4. Vacations are scheduled under the direction of the Department Head at the convenience of the department.
5. Vacations must be taken within the calendar year and cannot be accumulated from year to year.
6. If a holiday falls within the vacation period, one day will be added to the vacation.

On motion of Joseph A. Concannon it was voted to take Article 13 from the table.

ARTICLE 13. On motion of Joseph A. Concannon it was voted that the sum of One Million Six Hundred Fourteen Thousand and Sixty Dollars (\$1,614,060.00) be raised and appropriated for the purpose of constructing, including grading and landscaping, originally equipping and furnishing a new elementary school building upon land owned by the Town in the Northeast area of Town (so-called Zagorski property), and to meet said appropriation that Six Thousand Dollars (\$6,000.00) be transferred from Surplus Revenue and that Eight Thousand Sixty Dollars (\$8,060.00) be transferred from New Elementary School Plans Account established under Article 6 of the Special Town Meeting held October 16, 1967, and that the Town Accountant be and he hereby is authorized, empowered and instructed to make such transfers to carry out the purpose of this vote, and that One Million Six Hundred Thousand Dollars (\$1,600,000.00) be raised by borrowing, and that the Town Treasurer with the approval of the Board of Selectmen be and hereby is authorized to borrow said One Million Six Hundred Thousand Dollars (\$1,600,000.00) in excess of the statutory limit as authorized by Chapter 645 of the Acts of 1948 as amended and to issue at one time or from time to time bonds or notes of the Town for said One Million Six Hundred Thousand Dollars (\$1,600,000.00) payable in accordance with Chapter 44 of the General Laws so that each such issue shall be paid in not more than twenty (20) years from its date or at such earlier time as the Treasurer and Selectmen may

determine, and said bonds or notes shall be signed by the Treasurer and countersigned by the Selectmen, and provided, however, that if and to the extent that a construction grant for said school project from the Commonwealth under the provisions of Chapter 591 of the Acts of 1959 as amended, or any other enabling authority, is received prior to the sale of all of the said bonds hereinbefore authorized, the proceeds of such grant shall be applied to the cost of the project in lieu of the proceeds of such unsold bonds and the amount of the total loan hereinbefore authorized shall be reduced accordingly, and the School Construction Committee, established under a vote of the Town at the Annual Meeting held March 6, 1967, is hereby authorized to proceed with the construction of the said Building and to enter into all contracts and agreements in respect thereto and to do all other acts and things necessary or proper for carrying out the provisions of this vote.

170 voted in the affirmative

1 voted in the negative

On motion of Carl H. Amon, Jr., it was voted to take Article 3 from the table.

ARTICLE 3. On motion of Carl H. Amon, Jr., it was voted that the School Construction Committee be instructed to present to the next Special Town Meeting the preliminary plans and estimated costs and all materials, plans and estimates for the addition to the Reading Memorial High School.

On motion of Carl H. Amon, Jr., it was voted to place Article 3 on the table.

ARTICLE 38. On motion of James W. Killam, 3rd, it was voted that the sum of Three Thousand Five Hundred and 00/100 Dollars (\$3,500.00) be raised from the tax levy and appropriated for the eradication of mosquitoes in the Town, such sum to be expended under the supervision of the Board of Health.

ARTICLE 39. On motion of George L. Hodgkins it was voted that the sum of Fourteen Thousand Three Hundred Eighty-nine and Twenty-seven Hundredths Dollars (\$14,389.27) be transferred from the Chapter 616 Road Construction Account received or to be received from the State and appropriated for the improving and constructing of a portion of Haverhill Street in a northerly direction from a point near Granger Avenue together with such sums as may be provided by the State and County under Section 34 of Chapter 90 of the General Laws, and that the Town Accountant be, and he hereby is, authorized, empowered and instructed to make such transfer to carry out the purpose of this vote.

ARTICLE 40. On motion of George L. Hodgkins it was voted that the sum of Nine Thousand Three Hundred Dollars (\$9,300.00) be raised from the tax levy and appropriated for the purpose of improving and constructing a portion of Haverhill Street northerly from near Granger Avenue, together with such funds as may be provided by the Commonwealth of Massachusetts and the County of Middlesex, under Section 34 of Chapter 90 of the General Laws.

ARTICLE 41. On motion of George L. Hodgkins it was voted that the sum of One Thousand Five Hundred Dollars (\$1,500.00) be raised from the tax levy and appropriated for the purpose of maintaining, repairing and resurfacing the streets constructed under Section 34 of Chapter 90 of the General Laws, together with such funds as may be provided by the Commonwealth of Massachusetts and the County of Middlesex.

ARTICLE 42. On motion of George W. Cochrane, 3rd, it was voted that the sum of Thirty-two Thousand Dollars (\$32,000.00) be transferred from the Road Machinery Fund and the sum of Twenty-one Thousand Dollars (\$21,000.00) be raised from the tax levy and that both sums totalling Fifty-three Thousand Dollars (\$53,000.00) be appropriated for the maintenance, repair and operation of road machinery and for the purchase by the Board of Public Works of

One (1) Tractor Backhoe

Two (2) Sidewalk Tractors

and that the Board of Public Works be, and it hereby is, authorized and empowered to sell or exchange upon such terms and conditions as it may determine

One (1) Tractor Backhoe

Two (2) Sidewalk Tractors

and the proceeds from such sale or exchange are to be appropriated in addition to the aforementioned Fifty-three Thousand Dollars (\$53,000.00) for the purchase of the aforesaid equipment, and the Town Accountant be and he hereby is, authorized and instructed to transfer such amount to carry out the purpose of this vote.

ARTICLE 43. On motion of George W. Cochrane, 3rd, it was voted that the sum of Nine Thousand Dollars (\$9,000.00) be raised from the tax levy and appropriated for the purpose of maintaining, improving and constructing facilities in the parks and playgrounds, such sum to be expended by and under the direction of the Board of Public Works.

ARTICLE 44. On motion of George W. Cochrane, 3rd, it was voted that the sum of Ten Thousand Dollars (\$10,000.00) be raised from the tax levy and appropriated for the further development of the Birch Meadow Recreational Area by grading, filling, loaming and seeding and constructing parking areas, such work to be done by and under the direction of the Board of Public Works.

On motion of Edward C. Wright it was voted to take up Article 47.

ARTICLE 47. On motion of Edward C. Wright it was voted that the sum of Fifty-two Thousand Dollars (\$52,000.00) be raised from the tax levy and appropriated for improving and reconstructing a portion of High Street from Middlesex Avenue to Lowell Street, such sums to be spent by and under the direction of the Board of Public Works.

ARTICLE 45. To see what sum the Town will raise by borrowing, or from the tax levy or transfer from available funds, or otherwise and appro-

prate for the purpose of improving and reconstructing town public ways, such sums to be spent by and under the direction of the Board of Public Works and in such locations as the Board of Public Works may deem advisable or what it will do in relation thereto.

Edward C. Wright moved that this Article be indefinitely postponed.

ARTICLE 46. On motion of Edward C. Wright it was voted that the sum of Eleven Thousand Dollars (\$11,000.00) be raised from the tax levy and appropriated for improving, widening and reconstructing a portion of High Street on the west side between a point opposite Haven Street to Washington Street, such sums to be spent by and under the direction of the Board of Public Works.

ARTICLE 48. On motion of George L. Hodgkins it was voted that the sum of Five Thousand Dollars (\$5,000.00) be raised from the tax levy for improving and resurfacing the Mineral Street Bridge, such sums to be spent by and under the direction of the Board of Public Works.

ARTICLE 49. On motion of George W. Cochrane, 3rd, it was voted that the Town accept the report of the Board of Public Works on the layout of a Private Way known as HARVEST ROAD and adopt recommendations contained therein, and that the sum of One Thousand Nine Hundred Dollars (\$1,900.00) be raised and appropriated for the laying out and construction of said Way.

ARTICLE 50. On motion of Edward C. Wright it was voted that the Town accept the report of the Board of Public Works on the layout of a Private Way known as LAKEVIEW ROAD and adopt the recommendations contained therein, and that the sum of Thirteen Thousand Eight Hundred Dollars (\$13,800.00) be raised and appropriated for laying out and construction of said Way.

ARTICLE 51. On motion of Nathan C. White it was voted that the Town accept the report of the Board of Public Works on the layout of a Private Way known as SUNNYSIDE ROAD and adopt the recommendations contained therein, and that the sum of Eleven Thousand Four Hundred Dollars (\$11,400.00) be raised and appropriated for the laying out and construction of said Way.

ARTICLE 52. On motion of Nathan C. White it was voted that the Town accept the report of the Board of Public Works on the layout of a Private Way known as TRACK ROAD and adopt the recommendations contained therein, and that the sum of Seventeen Thousand One Hundred Dollars (\$17,100.00) be raised and appropriated for the laying out and construction of said Way.

ARTICLE 53. On motion of George L. Hodgkins it was voted that the Town vote to grant an annuity to Moses Parker under the provisions of Section 77-D of Chapter 330 and that the sum of Three Thousand Three Hundred Sixty-nine and Sixty Hundredths Dollars (\$3,369.60) be raised and appropriated to pay the annuity cost for 1968.

ARTICLE 54. On motion of George L. Hodgkins it was voted that the

following described premises be dedicated to the Reading Municipal Water Department and devoted to the preservation of the Water Supply:

This land was acquired by the Town by foreclosure of tax lien from the Chauncy P. Judd Heirs or Devisees under certain deed for non-payment of taxes dated September 5, 1939, and filed in Middlesex (South District) Registry of Deeds in Book 6337, Page 424, on October 18, 1939. On March 7, 1942, a decree was entered and notice of final disposition is recorded in Book 6584, Page 359 on March 16, 1942:

A certain lot of land situated in the Northerly part of said Reading, containing 10.58 acres, more or less, and bounded and described as follows:

Beginning at a point, said point being the division property corner of lands, now or formerly of Lydia A. Roxbee, Town of Reading, Florence Sargent and C. P. Judd;

Thence Northeasterly along the center line of a brook 775 feet, more or less, said brook being the division property line between lands of said Sargent, Gerald B. and Ruth N. Gilbert and said Judd, to a point;

Thence Southwesterly along the division property line between lands of said Judd and Boston and Maine Railroad, a distance of 1,300 feet, more or less, to a point on the Easterly boundary of the Right of Way of the Boston and Maine Railroad;

Thence Southeasterly along said Boston and Maine Railroad Right of Way, a distance of 300 feet, more or less, to a point at division property line of said Roxbee and Boston and Maine Railroad Right of Way;

Thence Easterly along the division property line between lands of said Roxbee and said Judd, a distance of 796 feet to the point of beginning.

This description appears on a map of this area on file in the Office of the Board of Public Works.

ARTICLE 55. On motion of Nathan C. White it was voted that the following described premises be accepted from Boyd H. Stewart as a gift and dedicated as a Drainage and Sewerage easement:

The land in Reading bounded and described as follows.

Being Lot 8 on a plan hereinafter mentioned, beginning at a point on the southerly side line of Ridge Road at the property line of Lots 7 and 8;

Thence S. $04^{\circ} 31' 50''$ E., by Lots 7, 6 and 5, a distance of 122.00 feet to a point;

Thence N. $78^{\circ} 53' 15''$ W., a distance of 5.19 feet by Lot 4 to a point;

Thence N. $04^{\circ} 31' 50''$ W., by Lot 9, a distance of 120.60 feet to a point;

Thence N. $85^{\circ} 28' 10''$ E., by Ridge Road, a distance of 5.00 feet to the point of beginning of this description. Said parcel of land containing 606.5 square feet more or less.

Said described lines being more fully shown on a plan entitled "Easement Through Private Property For Drainage and Sewerage Purposes, Ridge Road" dated 1963.

ARTICLE 56. On motion of Kenneth P. Roberts it was voted that the School Committee be, and it hereby is, authorized to sell or exchange upon such terms and conditions as it may determine, the 1963 Ford 2-door Sedan now in the School Department, and that the sum of Two Thousand Six Hundred and 00/100 Dollars (\$2,600.00) be raised from the tax levy, and together with the proceeds from said sale or exchange, be appropriated for the purchase of a new Sedan.

ARTICLE 57. On motion of Winfred F. Spurr it was voted that the subject matter of Article 57 be referred to the Municipal Light Board, and that said Board be, and it hereby is, authorized to install such additional street lights as in its judgment are required, and to make such changes in the size, type and location of existing street lights as it may deem advisable, the expense of same to be paid from the income of the plant.

ARTICLE 58. On motion of Gilbert M. Lothrop it was voted that the Town approve the construction of a new housing project by the Reading Housing Authority, namely a housing project for elderly persons, consisting of not more than fifty-six (56) units, pursuant to the provisions of Chapter 667 of Massachusetts Acts of 1954, and Acts in amendment thereof and in addition thereto, to be known as State-Aided Housing Project 667-2.

ARTICLE 59. On motion of Fred C. Kenney, Jr., it was voted that the sum of One Hundred Fifty and 00/100 Dollars (\$150.00) be raised from the tax levy and appropriated, and the Selectmen appoint a Director, the Director to cooperate with the Middlesex County Trustees, for the Aid to Agriculture and work of the Middlesex County Extension Service and the 4-H Clubs, under provisions of Sections 40 and 45, Chapter 128, General Laws of Massachusetts.

ARTICLE 60. On motion of C. Dewey Smith it was voted that the sum of Five Hundred and 00/100 Dollars (\$500.00) be raised from the tax levy and appropriated for Child Welfare Work to be expended under the direction of the Reading Visiting Nurse Association and the Board of Health.

On motion of John B. Harker it was voted to take up Article 62.

ARTICLE 62. John B. Harker moved, as amended by George R. Larson, that the Town vote to amend the General By-Laws of the Town by adding thereto the following Article to be numbered (VII-A):

Section 1. There shall be a Capital Budget Committee consisting of one member of the Finance Committee appointed annually by and from it, one member of the Planning Board appointed annually by and from it, and three members at large from the citizens of the town to be appointed by the Selectmen for three year terms in such manner that one term expires each year. Vacancies shall be filled for the unexpired terms in the manner of the

original appointments. A Chairman shall be elected by a Committee from among the three members appointed by the Selectmen.

Section 2. The duties of the Capital Budget Committee shall be to:

a. Ascertain before October 1st each year what capital outlays may be requested by various Boards and Committees for the next year and the following five years.

b. Investigate and evaluate the proposed capital expenditures, consult with Town Boards, Officers and Committees, and or hold hearings as they may deem it advisable.

c. Report to the Finance Committee by December 31st each year on recommended Capital Expenditures for the coming year.

d. Cause to be published at least two weeks prior to Town Meeting, and circulated in the town a report of projected capital expenditures for the current year and five years ahead with recommendations concerning the timing and method of financing capital items. The report shall contain a projection of the total tax rate based upon overall estimates of Town revenue and expenditures in broad categories. Historical comparative figures shall be provided for at least four years past.

Section 3. For the purpose of this by-law, a capital expenditure shall be any expenditure, financed in whole or in part by Town funds, for acquisition of land, a physical betterment, or the purchase of equipment with a substantial useful life, the total cost of which is \$10,000 or more.

Section 4. The Capital Budget Committee shall recommend to Town Meeting the transfer of money into or out of the Stabilization Fund as may be desirable to fund in whole or in part current or anticipated capital expenditures and minimize fluctuations in the overall tax rate.

On motion of John B. Harker it was voted to take Article 3 from the table.

ARTICLE 3. John B. Harker moved that the Capital Expenditures Planning Committee, as established under Article 30 of the Annual Warrant of March 13, 1944, be reorganized and reinstructed as follows:

1. That the Committee consist of one member of the Finance Committee, one member of the Planning Board, both of whom shall be appointed annually by the Chairman of the respective committees, and three members to be appointed by the Moderator for three year terms in such manner that one term expires each year. Vacancies shall be filled for the unexpired terms in the manner of the original appointments. A Chairman shall be elected by the Committee from among the three members appointed by the Moderator. The duties and responsibilities to be essentially those spelled out under Article 62 of the Warrant of March 18, 1968, Sections 2, 3 and 4, modified as the committee may see fit to do.

This motion failed to pass. 71 voted in the affirmative

86 voted in the negative

On motion of John B. Harker it was voted to place Article 3 on the table.

ARTICLE 61. On motion of Lawrence Drew it was voted that the Town vote to abolish the Capital Expenditures Planning Committee originally established under Article 30 of the Annual Warrant of March 13, 1944, and amended under Article 3 of the Special Town Meeting of June 30, 1949.

ARTICLE 63. On motion of Joyce A. Hayward it was voted that the sum of Fifteen Thousand Four Hundred Seventy-five and 00/100 Dollars (\$15,475.00) be raised from the tax levy and appropriated for the purpose of providing co-operative or complementary facilities to out-patient clinics established or to be established in accordance with the provisions of Chapter 123 of the General Laws, in cooperation with the Department of Mental Health and other agencies collaborating with said Department, and for providing payment for services rendered, or to be rendered, by such public or private agencies in such clinic in accordance with the provisions of General Laws Chapter 40, Section 5, Clause (40-C) the same to be expended under the direction of the Board of Health.

ARTICLE 64. To see if the Town will establish public reading rooms to be located in the lower level of the Community Center, 52 Sanborn Street, said reading rooms to be constructed, furnished, maintained and operated under the direction of the Library Trustees, or what it will do in relation thereto.

On motion of Alfred R. Johnson it was voted that Article 64 be indefinitely postponed.

ARTICLE 65. On motion of James S. Perry it was voted that the Selectmen be, and they hereby are, authorized for and in behalf of the Town to acquire by purchase, right of eminent domain, deed of gift or otherwise, for the purpose of adding said property to the present Town Forest the following described parcel of land, and that the sum of Four Hundred Fifty and 00/100 Dollars (\$450.00) be raised from the tax levy and be appropriated for that purpose:

A certain parcel of meadow land in Dividence Meadow, so-called, lying northerly of Franklin Street and being bounded and described as follows:

Beginning at the northeasterly corner of the granted premises at an iron pipe bound set at the easterly end of a dam hereinafter mentioned, and on the westerly line of land of the Wakefield Estate known as the "Wiley Lot."

From thence the line runs southeasterly by the said Wiley Lot a distance of 284.3 feet more or less and to an iron pipe set in stones and the south-westerly corner of said Wiley Lot;

Thence continuing southeasterly by a wall and land formerly of Nichols, now of the Town of Reading, a distance of 100 feet more or less and to other land of the Hillcrest Realty Inc.

Thence westerly across the meadow in a straight line by said other land of Hillcrest Realty Inc., a distance of 325 feet more or less to an iron

pipe and stones at land formerly of Grace D. Bancroft, now of the Town of Reading, and known as the "Dividence Island" lot.

Thence northerly by said land of the Town of Reading a distance of 318.59 feet more or less and, to a drill hole near the westerly end of the aforesaid dam;

Thence northeasterly by other land of the Town of Reading known as the "Loring Lot" and by the aforesaid dam, a distance of 240.54 feet more or less and to the iron pipe at the point of beginning.

Containing 2.5 acres more or less said parcel to be more fully shown on a plan to be made by H. Kingman Abbott, Registered Surveyor, and being the same premises conveyed by Mary D. Desellier to said Hillcrest Realty Inc., in Book 8624, Page 411, the first parcel therein.

ARTICLE 66. On motion of James S. Perry it was voted that the Selectmen be, and they hereby are, authorized for and in behalf of the Town to acquire by purchase, right of eminent domain, deed of gift, or otherwise for the purpose of adding said property to the present Town Forest the following described parcel of land, and that the sum of Five Hundred and 00/100 Dollars (\$500.00) be raised from the tax levy and be appropriated for that purpose:

A parcel of land in the northwesterly part of the Town of Reading and northerly of Franklin Street and being bounded and described as follows:

Beginning at the southeasterly corner of the granted premises at a stone bound set at the southwesterly corner of land of Harry K. Kurchian and the northwesterly corner of land of Henry Fienemann;

From thence the line runs westerly by land formerly of Grace D. Bancroft and by land formerly of Herbert A. Nichols et al., now supposed to be of the Town of Reading, by various lines and angle points, a distance of 590 feet more or less to an iron pipe and stones at the meadow and land of Hillcrest Realty Inc.

Thence northwesterly by said Hillcrest Realty Inc. land and by land of the Town of Reading known as the Loring Lot, a distance of 319 feet more or less, to a stake at other land of the Town of Reading known as the Fienemann Lot;

Thence slightly more northerly by said Fienemann lot a distance of 138.6 feet more or less to a stake and stones at the southwesterly corner of land of Chester A. Ellison;

Thence easterly in a straight line by land of said Ellison a distance of 779 feet more or less to the southeasterly corner of said Ellison land and land of the aforesaid Kurchian;

Thence southerly by said Kurchian land a distance of 399.22 feet to the bound at the point of beginning.

Containing 6 acres of land, more or less, and said land to be more fully shown on a plan to be made by H. Kingman Abbott, Registered Surveyor, Reading. Being the same premises conveyed by Jerusha Wiley to Joseph Bancroft in 1847, recorded Book 507, Page 311, wherein the area is stated to be 60 acres but is a misprint, and by John M. Bancroft et al to Charles W. Wakefield in 1870, recorded Book 1112, Page 591, wherein the area is correctly stated to be 6 acres but having a missing course in the description.

ARTICLE 67. On motion of James S. Perry it was voted that the Selectmen be, and they hereby are, authorized for and in behalf of the Town to acquire by purchase, right of eminent domain, deed of gift or otherwise for the purpose of adding said property to the present Town Forest the following described parcel of land, and that the sum of Four Hundred Fifty and 00/100 Dollars (\$450.00) be raised from the tax levy and be appropriated for that purpose:

Beginning at the most northerly corner of the granted premises at land of the Town of Reading known as the Town Forest, at an iron pipe, thence running southeasterly across the Meadow and by other land of said Town known as the "Loring Lot", a distance of 251.37 feet to an iron pipe set at the edge of the hardland on the westerly shore of Dividence Island, so-called, also owned by the Town of Reading.

From thence the line runs southerly and easterly along the shore of said island by various courses the following distances, viz., 240.19 feet, 107.20 feet, 175.31 feet, 273.78 feet, and 165.0 feet to an iron pipe and stones set at the most southeasterly corner of said island and at the northerly end of a causeway;

Thence again southeasterly by land retained by said Hillcrest Realty Inc., a distance of 140 feet more or less to land of Henry Angelini et ux;

Thence southwesterly 54.15 feet and again southwesterly 78.48 feet and southerly 68.37 feet by the said Angelini to a corner of the wall;

Thence westerly by the wall a distance of 5.70 feet to a point which is the northeasterly corner of land of the Meadow Brook Golf Club, Inc.;

Thence northwesterly by land of the said Golf Club a distance of 712 feet more or less to a corner in a ditch at other land of the Town of Reading;

Thence northerly, partly by the ditch, by said other land of said Town, being lots formerly owned by Fannie Nichols and Chester A. Ellison, respectively a distance of 391.5 feet more or less to an iron pipe and stones;

Thence continuing northerly by said other land of said Town a distance of 157.87 feet to the iron pipe at the point of beginning. Containing by

estimation some 3.59 acres of land more or less and said parcel to be more fully shown on a plan to be made by H. Kingman Abbott, Registered Surveyor.

Being the southwesterly portion of the premises conveyed by Mary D. Desellier to said Hillcrest Realty Inc., in Book 8624, Page 411, the second parcel therein.

ARTICLE 68. John B. Harker moved that the General By-Laws of the Town be amended by adding thereto the following Article, such Article to be numbered XII-A:

ARTICLE XII-A

LEASHING OF DOGS

No person owning or keeping a dog in the Town of Reading shall permit such dog to be at large in the Town elsewhere than on the premises of the owner or keeper, except if it be on the premises of another person with the knowledge and permission of such other person.

Such owner or keeper of a dog in the Town of Reading, which is not on the premises of the owner or upon the premises of another person with the knowledge and permission of such person shall restrain such dog by a chain or leash not exceeding six feet in length.

Any dog found to be at large in the Town of Reading in violation of this by-law may be caught and confined by the Dog Officer of the Town, who upon taking such dog shall forthwith report in writing to the Reading Police Department that such dog is in his custody, and said report shall contain a description of such dog reasonably sufficient to distinguish and identify it and also include markings on its collar and tags attached to it, if any; and said report shall be available for a reasonable time thereafter to anyone making inquiry of the Police Department.

The owner or keeper of such dog shall thereby become liable to the Town of Reading for the cost to the Town of taking and keeping such dog up to five days after said report to the Police Department or up to the time such dog is returned to its owner or keeper, if less than said five days; which costs the Dog Officer shall certify to the Clerk of the Town of Reading by endorsing said costs upon a duplicate of the report he makes to the Police Department and filing it with the Clerk of the Town.

The owner or keeper of such dog shall be entitled to repossession of such dog upon filing with the Dog Officer an affidavit that he is the owner or keeper of such dog and making payment within the said five days, of the said cost to the Town.

If the owner or keeper of such dog shall fail during the said five days to repossess such dog as above provided, such dog shall thereafter be de-

stroyed or the Dog Officer shall make such other disposition of it on behalf of the Town as he shall think proper; however, said certificate of cost shall not abate but shall bear interest at the rate of six per cent per annum from and after the said five days while unpaid.

No payment made by the owner or keeper of such dog to the Town or to the Dog Officer shall be credited upon said debt for costs unless the owner or keeper of such dog shall have filed with the Dog Officer, before making such payment, an affidavit that he is the owner or keeper of such dog.

Proceeds recovered for the taking, keeping and disposition of dogs hereunder by the Dog Officer shall be applied to the costs incurred in carrying out the provisions of this by-law.

This motion did not pass, and by-law was not adopted.

On motion of Edwin H. Bjorkman it was voted to take Article 2 from the table.

ARTICLE 2. The following report was read by Edwin H. Bjorkman for the Reading Planning Board:

On Tuesday, March 5, 1968, at 7:30 P.M., a public hearing was held in Room 2 of the Municipal Building, under authority of Chapter 40A, Section 6 of the General Laws, regarding a proposed change in the Zoning Map from Residence A-1 District to Residence B District as described in Article 69 of the Town Warrant of a certain area of land on Washington Street.

The hearing was well attended and one person was recorded in opposition to the proposed change. It was pointed out that the present use of the property is a non-conforming use.

The Planning Board feels that the proposed change would allow an attractive and more advantageous use of the land and therefore recommends its adoption.

Reading Planning Board
Robert W. Grieve, Chairman
William H. Parker, III, Secretary
Edwin H. Bjorkman
Russell H. Stone
Edward J. Taylor, Jr.

On motion of C. Dewey Smith it was voted that report be accepted and placed on file.

On motion of Edwin H. Bjorkman it was voted to place Article 2 on the table.

ARTICLE 69. After a vote to reconsider (116-35), on motion of Raymond R. Couture, as amended by Carl H. Amon, Jr., it was voted that the Town amend the Zoning By-Laws and the Zoning Map by changing the area hereinafter described from Residence A-1 District to Residence B District:

A certain parcel of land with the buildings thereon shown as 2.17 acres more or less on "Plan of Land in Reading, Mass. for Wendell B. Newell" dated June 29, 1959, Dana F. Perkins & Sons, Civil Engineers and Surveyors, recorded with Middlesex South District Deeds, Book 9423, Page End, and bounded and described as follows:

SOUTHEASTERLY by Washington Street, as shown on said plan, by two (2) lines, forty-four and 65/100 (44.65) feet, and eighty-eight and 75/100 (88.75) feet, respectively;

NORTHEASTERLY by the Boston & Maine Railroad, as shown on said plan, one hundred sixty-two and 40/100 (162.40) feet;

NORTHWESTERLY by land of the Town of Reading, as shown on said plan, three hundred ninety-two and 28/100 (392.28) feet;

SOUTHWESTERLY by land of the Town of Reading and land now or formerly of William R. and Mayrita B. Cronin, two hundred seventeen and 44/100 (217.44) feet; and

SOUTHERLY by land now or formerly of Vahan D. and Mary J. Daniels, Ernest L. and Joan M. Nigro, Lawrence H. and Eleanor N. Devaney, and Ellen T. McGarry, as shown on said plan, by four (4) lines, one hundred forty-five and 49/100 (145.49) feet, sixty-one and 09/100 (61.09) feet, one hundred thirty-four and 5/10 (134.5) feet, and forty-three and 89/100 (43.89) feet.

Containing 2.17 acres, more or less, according to said plan.

Being a portion of the premises conveyed in a deed from Wendell B. Newell to the grantor recorded with Middlesex South District Deeds, Book 9405, Page 571.

110 voted in the affirmative

32 voted in the negative

On motion of Russell H. Stone it was voted to take Article 2 from the table.

ARTICLE 2. The following report was read by Russell H. Stone for the Reading Planning Board:

On Monday, March 5, 1968, a public hearing was held at 8:15 P.M., in Room 2 of the Municipal Building, under the authority of Chapter 40A, Section 6 of the General Laws, regarding a proposed change in the Zoning Map from Residence A-1 to Business A, which would extend the present Business A. District of a lot, consisting of approximately one acre of land, with a frontage on Main Street.

The Counsel for the petitioners called attention to the fact that the land is presently zoned for Business, which is Business A., for a distance of 150 feet northerly from the center of Main Street. The remainder of the lot is Residence A-1.

Strong objections were voiced by the neighbors to the requested change. A polling of those present showed seven against and none in favor. After

due consideration, the Board voted to oppose the proposed change in its present form.

It has long been the opinion of this Board that the area along Main Street should be zoned Business A. We feel that the present set-back of 150 feet for this District should be increased to 250 feet. In our opinion, this would provide a more workable and safer Business District in which to operate. For the lot in question, such an increase in set-back would allow a larger business area while still providing a substantial buffer zone for surrounding residents.

It is, therefore, the recommendation of this Board that the present Business A District be extended from a set-back of 150 feet to 250 feet on the lot described in this article.

Reading Planning Board

Robert W. Grieve, Chairman
William H. Parker, III, Secretary
Edwin H. Bjorkman
Russell H. Stone
Edward J. Taylor, Jr.

On motion of C. Dewey Smith it was voted that report be accepted and placed on file.

On motion of Russell H. Stone it was voted to place Article 2 on the table.

ARTICLE 70. Raymond R. Couture moved, as amended, that the Town amend the Zoning By-Laws and the Zoning Map by extending the existing Business A District on Main Street so as to include the area described as follows:

EASTERLY by Main Street, one hundred ninety-two and 10/100 (192.10) feet;

SOUTHERLY by land of Cooke, Stevens, Williams and unknown owners, three hundred twenty-eight and 17/100 (328.17) feet;

NORTHWESTERLY by land of Corilla Cleveland, two hundred fourteen and 60/100 (214.60) feet;

NORTHERLY by land of owners unknown and land of Thomas, one hundred eighty-seven and 5/10 (187.5) feet.

Containing 43,778 square feet according to a Plan of Lots in Reading, dated February, 1946, H. Kingman Abbott, Surveyor, recorded with Middlesex South District Deeds, Book 7030, Page 35.

This motion did not pass. 21 voted in the affirmative
109 voted in the negative.

ARTICLE 71. To see if the Town will sell and convey to George P. Forbes and Virginia Forbes Hurt, or their nominee, a certain parcel of land situated on Hopkins Street, described as follows:

Beginning at the Town Line between Reading and Wakefield on the Northeasterly sideline of Hopkins Street the line runs, by the Northeasterly sideline of Hopkins Street about 20.00 feet to a point on the Westerly sideline of Fourth Street;

Thence by the Westerly sideline of said Fourth Street about 35.00 feet to a line which is 50.00 feet north of the aforementioned Town Line;

Thence by land owned by the Town of Reading on a line which is 50.00 feet from and parallel to the said Town Line, across Fourth, Fifth and Sixth Streets about 613.00 feet to land owned by George P. Forbes, et al.;

Thence by land of said Forbes, et al 50.00 feet to the Town Line;

Thence on the said Town Line between Reading and Wakefield, by the Town of Wakefield about 603.00 feet to the point of beginning.

Containing about 27,500 square feet, shown on a plan by Middlesex Survey Service dated January 20, 1967, or what it will do in relation thereto.

On motion of Raymond C. Couture it was voted that Article 71 be indefinitely postponed.

ARTICLE 72. To see if the Town will vote to grant to George P. Forbes and Virginia Forbes Hurt, or their nominee, for purposes of access, a permanent easement over lots 49, 47 and 3a, as shown on Plats 13 and 14 of the Assessors' Plans for the Town of Reading, said easement being bounded and described as follows:

Beginning at the Town Line between Reading and Wakefield on the Northeasterly sideline of Hopkins Street the line runs, by the Northeasterly sideline of Hopkins Street about 20.00 feet to a point on the Westerly sideline of Fourth Street;

Thence by the Westerly sideline of said Fourth Street about 35.00 feet to a line which is 50.00 feet north of the aforementioned Town Line;

Thence by land owned by the Town of Reading on a line which is 50.00 feet from and parallel to the said Town Line, across Fourth, Fifth and Sixth Streets about 613.00 feet to land owned by George P. Forbes, et al.;

Thence by land of said Forbes et al 50.00 feet to the Town Line;

Thence on the said Town Line between Reading and Wakefield, by the Town of Wakefield about 603.00 feet to the point of beginning.

Containing about 27,500 square feet shown on a plan by Middlesex Survey Service dated January 20, 1967, or what it will do in relation thereto.

On motion of Raymond R. Couture it was voted that Article 72 be indefinitely postponed.

On motion of Robert W. Grieve it was voted to take Article 2 from the table.

ARTICLE 2. The following report was read by Robert W. Grieve, Chairman of the Reading Planning Board:

On March 5, 1968, at 9:00 P.M., a public hearing was held in the Municipal Building under Chapter 40A, Section 6 of the General Laws regarding a proposed change in the Zoning Map, which would extend the present Business A District on the south side of Main Street bounding with Cross Street, as described in Article 73 of the Warrant for this Annual Town Meeting.

The Article was described by Paul A. Good, counsel for the proponent, Charles H. Stamatis. It was noted that Mr. Stamatis proposed to erect an apartment building on his property. After consultation with many of the abutters and other residents of the area, the proponent would be willing to amend the Article to include approximately half of his land fronting on Main Street.

After a lengthy discussion between the proponent and other interested persons in which the abutters expressed apprehension that their property might be devalued, those present were polled with the result of none in favor, seven opposed, and twenty-one in favor of re-zoning the area to Residence "B".

After due consideration, the Planning Board voted to oppose the proposed change in its present form, and to recommend that the area, as described in Article 73, be reduced to an area not to exceed 250 feet from the center of Main Street for a length as described in the article for Business "A" usages. The present abutters on Shackford Road and Cross Street will be provided with an adequate buffer zone between their property and the proposed Business "A" zone, thus guaranteeing that their property will not be devalued. The 250 feet depth will provide adequate depth for construction of a building, parking and landscaping.

The Town of Reading will benefit from added tax benefits with a minimum of added services.

This recommendation concurs with the policy of the Planning Board as noted in its report to the Annual Town Meeting of April 4, 1966, in Article 54.

Reading Planning Board

Robert W. Grieve, Chairman
William H. Parker, III, Secretary
Edwin H. Bjorkman
Russell H. Stone
Edward J. Taylor, Jr.

On motion of C. Dewey Smith it was voted that report be accepted and placed on file.

On motion of Robert W. Grieve it was voted to place Article 2 on the table.

ARTICLE 73. On motion of Lawrence F. McHugh, as amended, it was voted that the Town vote to amend the Zoning By-Laws and Zoning Map by

changing from Residence A-1 District to Residence B District the following described land:

A portion of the land owned by Charles L. and Ruth E. Smith, the land now or formerly of Stonebury, a portion of the land owned by Charles H. Stamatis Building, Inc., and a portion of the land owned by Bertone:

Said land having 764.47 feet of frontage on the easterly side of Main Street, said portion beginning at a point on Main Street which abuts the present Business A. District at the property line of said Smith and land now or formerly owned by William D. and Marguerite Moore and running along said Main Street generally Southwesterly a distance of 764.47 feet to the point on Main Street where the land of Bertone and Weston meet, thence turning and running Southeasterly along the Bertone-Weston property line a distance of approximately 160 feet, thence turning and running Northeasterly along the Bertone-Pacillo property line a distance of 150 feet; thence turning and running generally Northerly on a line parallel to and 250 feet from the center line of Main Street a distance of 330 feet to a point where the land of Smith and Stamatis abut; thence turning and running generally Northwesterly along the Smith-Stamatis property line and the Smith-Stonebury property line a distance of 125 feet to a point on the Smith-Stonebury property line which is 150 feet from the center line of Main Street; thence turning and running generally Northeasterly along a line parallel to and 150 feet from the center line of Main Street a distance of 255 feet; thence turning and running Northwesterly a distance of 15 feet to a point which is the South-easterly corner of the present Business A District and where the Smith-Moore property meets; thence continuing Northwesterly along the Smith-Moore property line to a point of beginning, all as described and contained more fully on a Plan of Land dated March 20, 1968, by Hayes Engineering Inc., Melrose, Massachusetts, and on file with the Town Clerk.

146 voted in the affirmative

0 voted in the negative

ARTICLE 74. On motion of Fred C. Kenney, Jr., it was voted that the sum of Three Thousand Eight Hundred Eighty-eight and 78/100 Dollars (\$3,888.78) be raised from the tax levy and appropriated for the purpose of reimbursing Middlesex County for land damage settlements on the reconstruction of Haverhill Street as ordered by the County Commissioners.

On motion of Ara A. Karakashian it was voted to take Article 3 from the table.

ARTICLE 3. On motion of Ara A. Karakashian, as amended by A. Lloyd David and Nils L. Nordberg, it was voted that the Planning Board be instructed to prepare a series of transparencies depicting graphically present zoning laws and maps and to have these transparencies available for use in conjunction with an overhead projector at all future town meetings in which articles involving zoning or re-zoning are to be considered, and to publish without delay, Zoning Laws and Map, as amended.

ARTICLE 3. On motion of Wallace D. Hayward, as amended, it was voted that the Finance Committee be instructed to establish a Sub-Committee to be concerned with capital budgeting and that it be and hereby is instructed to cause to be published and circulated in the town each year a report of projected capital expenditures for the current year and five years ahead with recommendations concerning the timing and method of financing capital items. The report shall contain a projection of the total tax rate based upon overall estimates of town revenue and expenditures in broad categories. Historical comparative figures shall be provided for the previous four (4) years.

On motion of C. Dewey Smith it was voted to place Article 3 on the table.

ARTICLE 75. On motion of Ralph T. Horn it was voted that the Board of Assessors be, and it hereby is, authorized to appoint a consultant appraiser for a term of one year commencing October 1, 1968, and that the sum of Three Thousand Dollars (\$3,000.00) be raised from the tax levy and appropriated for the salary of such appointee.

ARTICLE 76. On motion of C. Dewey Smith, as amended, it was voted that Section 121.21 of the Building Code be amended by deleting said Section and inserting in place thereof the following fees:

At the time of delivery of the approved permit to the applicant the applicant shall pay a fee in accord with the following schedule:

- \$10.00 New single homes up to 50 outlets, add \$2.00 for all over 50.
- 20.00 New single all electric homes.
- 3.00 New service, add \$1.00 for each additional meter position.
- 3.00 Temporary service.
- 4.00 Service change, add \$1.00 for each additional meter position.
- 3.00 Electric Range or \$2.00 for each built-in unit.
- 3.00 Oil or gas burner, add .25 for each additional motor.
- 2.00 Replacement oil burners.
- 2.00 Residential air conditioner per unit.
- 5.00 Residential central air conditioner.
- 3.00 Water heater.
- 1.00 Vent fans.
- 2.00 Minimum for repairs.
- 2.00 Special circuits each (disposal, dishwasher, washing machine, etc.)
- 2.00 Additions or alterations to existing structures 1-3 outlets, add .25 for each additional outlet.
- 3.00 Dryer.
- 2.00 Minimum inspection fee per permit.
- 2.00 New commercial or industrial building, 1-10 outlets, add .25 per each additional outlet.
- \$ 5.00 New commercial or industrial single phase service up to 200 ampere, add \$1.00 for each additional 100 ampere.

- 7.00 New 3 phase service up to 200 ampere, add \$1.50 for each additional 100 ampere.
- 5.00 Commercial or industrial burners, add .50 for each additional motor.
- 3.00 Motors up to 1 hp, add .50 for each additional hp.
- 3.00 Filling station per gas pump.
- 5.00 Commercial air conditioner up to 5 ton, add .50 for each additional ton.
- 5.00 Air compressor or commercial refrigeration up to 5 hp., add .50 for each additional hp.
- 5.00 Signs, add .50 for each transformer.
- 7.00 Commercial or industrial service change single phase up to 200 ampere, add \$1.50 for each additional 100 ampere.
- 10.00 Commercial or industrial 3 phase service change up to 200 ampere, add \$2.00 for each additional 100 ampere.
- 50.00 Per year for industrial or commercial concerns that employ licensed electricians for maintenance or repair work on the premises.
- 2.00 Minimum for each additional inspection that is made necessary by defective work, incorrect information, or other reasons for which the contractor may be held responsible.

Each permit shall be good for a period not to exceed three (3) months unless work is started within that time.

The applicant shall pay the amount to the Town Treasurer who will give the applicant a receipt for the same and endorse on the back of the permit that the fee has been paid.

PRESIDENTIAL PRIMARY ELECTION

April 30, 1968

Pursuant to the Warrant and the Constable's Return thereon, a Party Primary was held at the time and places specified in the Warrant and was called to order by the Wardens in the precincts as follows:

Precinct 1	Pearl Street School	Thomas R. Browne
Precinct 2	Joshua Eaton School	Arthur L. Harris
Precinct 3	Community Center	Ronald A. Winslow
Precinct 4	Memorial High School	Lawrence Drew

who then partially read the Warrant, when on motion of Eleanor M. Brown, Precinct 1; Joseph P. Riemer, Precinct 2; William M. Connell, III, Precinct 3; Raymond E. O'Brien, Precinct 4, it was voted to dispense with the further reading of the Warrant except the Constable's Return which was read by the Wardens in charge.

The ballot boxes were examined by the Wardens in charge and each found to be empty and all registered 000.

The polls were then declared open at 2:00 P.M. and were closed at 7:00 P.M. with the following result: 714 Democrat votes and 618 Republican votes for a total of 1332 as follows:

Total area in excess of 240,000 sq. ft.

Total cost: Approximately \$8,000,000.

Anticipated

Bonding: \$6,725,000.
Reading's share = 7.39%; approximately \$533,000.

Anticipated

Reimbursements: SBAC — 40% of building cost
Federal 88-210 — 10% of building cost
Planning costs — 100%
Architects Fees — 75%
Operational Expenses — 50% annually
Transportation — 100% annually
Chap. 70 — 15% additional annually
Reading's share for 1968 — \$56,000.

Architects: Korslund LeNormand, & Quann

General

Contractor: Frasca Construction Co., Lynn, Massachusetts

Educational

Consultants: Mr. Ralph Proctor and Mr. Francis Whipple

Progress to date: Site prepared, services in, footings poured. Equipment specifications ready for advertising. Superintendent- Director in process of Selection.

Completion date: September, 1969.

On motion of Donald R. Walker it was voted that report be accepted as a report of progress.

ARTICLE 1. On motion of Edward P. Cameron it was voted that the Finance Committee Report for the Special Town Meeting for June 10, 1968, be amended as follows:

"Article 2. Delete the words "Action Pending" and insert in place thereof the following: Recommend \$1200. from the tax levy.

Article 16. Delete the words "Do Not Recommend" and insert in place thereof the following: Recommend \$5,500 from the tax levy."

ARTICLE 1. The following report was read by George L. Hodgkins, Chairman of the Board of Public Works:

WASTE DISPOSAL — REPORT OF PROGRESS

For the past several years the Board of Public Works has been investigating Reading's waste disposal problems. The Board has considered the continued use of the John Street Dump, sanitary land fill method, composting, conventional incinerators and so-called high heat temperature incineration. One of the two latter methods seems to be the solution to Reading's problem. At this time the Board has not reached a decision as to which method will be used. The Board of Public Works has also considered multi-town participation in the waste disposal problem and has held several meetings with surrounding towns. The Board has been unable to arrive at any satisfactory arrangements with the different towns. Therefore, it seems logical for the Town of Reading to proceed on its own.

It also should be pointed out that the Metropolitan Area Planning Council has prepared a solid waste disposal program for Metropolitan Boston. Although Reading is included in this program, because of legislative problems and proposed construction dates of disposal facilities, this plan will not be of any value to Reading in the foreseeable future.

The Board of Public Works hopes to come before the Annual Town Meeting in March 1969 with final recommendations for a waste disposal system, including plans and specifications and an estimated cost of construction.

At this time it seems that the following items are reasonably certain:

- (1) The Town of Reading should build an incinerator at the John Street site.
- (2) The incinerator will have capacity for the Town of Reading for approximately 20-25 years. In the early years of operation, rubbish may be received from private contractors or other towns.
- (3) The incinerator would be designed to cover all State or Federal Air Pollution requirements now in existence or planned for the immediate future.
- (4) Once the incinerator is in operation, the Town should institute a collection system to include both garbage and refuse.

— As part of our report, we have representatives from American Design & Development with a short film and commentary on Melt-Zit process. We feel that it should be understood that this is not an endorsement of the process but because we have received many inquiries about high heat incineration, we ask the Town Meeting's permission to show this film. (Picture shown)

On motion of George W. Cochrane, 3rd, it was voted to accept report as a report of progress.

ARTICLE 1. The following report was read by Neil H. Murray, Chairman for the School Construction Committee:

REPORT OF PROGRESS OF THE SCHOOL CONSTRUCTION COMMITTEE

The School Construction Committee herewith makes its report of progress on the J. Warren Killam, Jr. Elementary School and the additions to the Reading Memorial High School.

The elementary school construction is proceeding on schedule with foundation work soon to be started. As of this date, we are confident that this new facility will be completed by September 1, 1969. Progress may best be observed by a drive past the site from time to time.

Planning for the high school addition has not proceeded as rapidly as originally expected. Some areas of the education programming have yet to be solved. At this time, the committee has received several architectural proposals for satisfying the educational specifications and programs. These proposals are currently being studied jointly with the School Administration and the School Committee. Due to the overall complexity of the addition in relation to the existing building, a deeper study of all alternatives is required to yield the most satisfactory and economical solution to meet Reading's needs.

As Town Meeting Members, we know of your deep concern regarding the cost of this addition. Let me assure you that this concern is shared by the Construction Committee. It must be recognized that the high school is being doubled in size, and as a result will be costly. A projected cost is not

available at this time due to the complexity of the addition as previously noted. In an attempt to keep costs down, the committee is coordinating with the School Building Assistance Bureau as to what specifically constitutes a teaching station and, based on this answer, how many teaching stations are required to meet the educational program.

The completion of the preliminary planning period is estimated to be late summer or early fall. When the preliminary plans are completed, the committee will request a Special Town Meeting to seek funds for final plans. Final plans are estimated to require in excess of \$200,000 which is a bondable amount and can therefore be appropriated after the tax rate has been set if the Town Meeting so votes.

As reported in the press, the committee will propose a Field House to meet the state imposed physical educational requirements. An alternate to this approach will be presented at the reporting of final preliminary plans. The field house will include such features as track, locker room facilities, apparatus room, and corrective and general classrooms. The committee feels strongly that such a field house will be an asset not only to the school system but to the entire town. Field Houses are either in existence or being planned for in Lexington, Woburn, Belmont and Winchester, to name a few. The concept is not new.

The addition is expected to be a multi-story structure housing classrooms and laboratory facilities. The wing will be situated to the west of the present structure and will be supported by reinforced concrete columns in order to minimize the known ledge problems. A library or resource center will be common to both the new structure and the existing building. Certain renovations to the present school will have to be made; however, it is hoped that these alterations will be minimal. The field house has already been discussed.

In conclusion, the committee would like to stress once again that the cooperation of all pertinent town committees and departments has been steadfast and invaluable.

On motion of Donald R. Walker it was voted to accept report as a report of progress.

On motion of C. Dewey Smith it was voted to place Article 1 on the table.

ARTICLE 2. On motion of C. Dewey Smith it was voted that the sum of Twelve Hundred Dollars (\$1,200.00) be raised from the tax levy and appropriated for the purpose of adding said sum to the funds appropriated at the Annual Town Meeting held March 4, 1963, for the purchase of a new pumping engine for the Fire Department.

ARTICLE 3. On motion of Charles Stratton, as amended by Robert M. Graham, it was voted that the sum of Three Thousand Dollars (\$3,000.00) be raised from the tax levy and appropriated for engineering services for the Conservation Commission, such sums to be expended under the direction of the Conservation Commission.

ARTICLE 4. On motion of Charles Stratton it was voted that the sum of One Thousand Dollars (\$1,000.00) be raised from the tax levy and appropriated for printing and publication services for the Conservation Commission, such sum to be expended under the direction of the Conservation Commission.

ARTICLE 5. On motion of Edward F. Hurley, Jr., it was voted that the sum of Six Hundred Dollars (\$600.00) be raised from the tax levy and appropriated for an expanded Teen Age Program for the 1968 summer season, such sum to be expended under the direction of the Reading Recreation Committee.

ARTICLE 6. To see what sum the Town will raise by borrowing, or from the tax levy, or transfer from available funds, or otherwise, and appropriate for the purpose of paying baseball umpires for the Reading Town Team, or what it will do in relation thereto.

ARTICLE 6. Russell H. Stone, Jr., moved that the sum of Two Hundred Eighty-eight Dollars (\$288.00) be raised from the tax levy and appropriated for the purpose of paying baseball umpires for the Reading Town Team, such sum to be expended under the direction of the Recreation Committee.

This motion did not pass.

ARTICLE 7. On motion of George L. Hodgkins it was voted that the sum of Nine Thousand Five Hundred Seventy-five Dollars (\$9,575.00) be transferred from the New Tractor and Loader Purchase Fund and returned to the Road Machinery Fund and the Town Accountant be and he hereby is, authorized and instructed to transfer such amount to carry out the purpose of this vote.

ARTICLE 8. On motion of George L. Hodgkins it was voted that the sum of Five Thousand Seven Hundred Dollars (\$5,700.00) be raised from the tax levy and appropriated for the purpose of improving and constructing TRACK ROAD, together with such funds as the Town has provided for the acceptance of TRACK ROAD as a Public Way, such sums to be spent by and under the direction of the Board of Public Works.

ARTICLE 9. On motion of George L. Hodgkins it was voted that the sum of Three Thousand Nine Hundred Dollars (\$3,900.00) be raised from the tax levy and appropriated for the purpose of improving and constructing SUNNYSIDE ROAD, together with such funds as the Town has provided for the acceptance of SUNNYSIDE ROAD as a Public Way, such sums to be spent by and under the direction of the Board of Public Works.

ARTICLE 10. On motion of George L. Hodgkins it was voted that the sum of Four Thousand Six Hundred Dollars (\$4,600.00) be raised from the tax levy and appropriated for the purpose of improving and constructing LAKEVIEW ROAD, together with such funds as the Town has provided for the acceptance of LAKEVIEW ROAD as a Public Way, such sums to be spent by and under the direction of the Board of Public Works.

ARTICLE 11. On motion of George L. Hodgkins it was voted that the sum of Eight Hundred Dollars (\$800.00) be raised from the tax levy and appropriated for the purpose of improving and constructing HARVEST ROAD, together with such funds as the Town has provided for the acceptance of HARVEST ROAD as a Public Way, such sums to be spent by and under the direction of the Board of Public Works.

ARTICLE 12. On motion of Robert A. Muir it was voted that the School Committee be, and it hereby is, authorized to sell, or otherwise dispose of, upon such terms and conditions as it may determine, the dental equipment now in the Eaton School Dental Clinic.

ARTICLE 13. To see what sum the Town will raise by borrowing or from the tax levy, or transfer from available funds, or otherwise, and appropriate for the purpose of completing working drawings and specifications for an addition to the Reading Memorial High School, and that the School Construction Committee be authorized, empowered and instructed to enter into such contracts and agreements as may be necessary to proceed with the completion of such working drawings and specifications, or what it will do in relation thereto.

On motion of Joseph A. Concannon it was voted that the subject matter of this Article be indefinitely postponed.

ARTICLE 14. On motion of Charles R. Baisley it was voted that the sum of Five Thousand Dollars (\$5,000.00) be raised from the tax levy and appropriated for the Care of Contagious Diseases Account.

ARTICLE 15. On motion of Alfred R. Johnson it was voted that a Library Building Committee to be appointed by the Board of Selectmen, composed of one member from each precinct and one member nominated by the Board of Library Trustees, for the purpose of constructing an addition to the Reading Public Library, be established.

ARTICLE 16. On motion of Alfred R. Johnson it was voted that the sum of Five Thousand Five Hundred Dollars (\$5,500.00) be raised from the tax levy and appropriated for consulting engineers, architectural services, preliminary plans and surveys for the construction of an addition to the Reading Public Library, said sum to be expended under the direction of the Reading Library Building Committee.

ARTICLE 17. On motion of Robert W. Grieve it was voted that the sum of Three Hundred Dollars (\$300.00) be raised from the tax levy and appropriated for the purpose of publication of the Zoning By-Laws as revised and Zoning Map in booklet and/or reproducible form.

On motion of Robert W. Grieve it was voted to take Article 1 from the table.

ARTICLE 1. The following report was read by Robert W. Grieve, Chairman of the Reading Planning Board:

On May 27, 1968, at 7:30 P.M., a public hearing was held by the Planning Board as required by Chapter 40A, Section 6 of the General Laws, regarding revisions to the Zoning By-Laws as advertised.

The revised By-Laws were presented by Robert W. Grieve, Chairman, and members of the Board. During the reading of the By-Laws, one error was noted:

"Section XII, Paragraph 3a, was found to have a typographical error. The last line of the paragraph, which reads "line of such residential district than fifty (50) feet" should be removed from the text."

It was stated that the above error would be corrected for the reading at Town Meeting. The following sections were discussed in detail with those present:

- I. Definitions, Paragraph 24, which states a "non-profit organization" is an organization of philanthropic, fraternal, educational, religious, athletic, etc., purposes, and not commercial in nature.
- II. Section III, Paragraph 3C, which would allow private kindergartens, non-profit organizations and neighborhood variety stores, provided said variety stores do not exceed five hundred (500) square feet of selling space, may be erected and maintained in a residential area provided a permit therefore is granted by the Board of Selectmen after a public hearing.
- III. Section III, Paragraph 3D which would allow hospitals, convalescent or rest homes or nursing homes to be erected and maintained in any district provided a permit therefor is granted by the Board of Selectmen after a public hearing.
- IV. Section III, Paragraph 6, which states that in considering the granting of any permit or variance under this zoning by-law, the Board of Appeals or the Selectmen, as the case may be, shall consider the effects thereof upon the neighborhood and the Town at large.
- V. Section XII, Paragraph 1, which states that in a Business B district, no new building shall be constructed and no existing building shall be enlarged or extended toward the street so that it shall be nearer than ten (10) feet to the lot line.

A poll was conducted at the conclusion of the hearing. Of the thirty-two (32) present, eleven (11) were opposed and four (4) registered in favor of the proposed by-laws as written.

It is the opinion of this Board that these changes are in the best interest of the Town, and it is recommended that the Town act favorably to these changes.

Reading Planning Board
Robert W. Grieve, Chairman
William H. Parker, III, Secretary
Edwin H. Bjorkman
Russell H. Stone
Edward J. Taylor, Jr.

On motion of Edwin H. Bjorkman it was voted that report be accepted as a report of progress.

On motion of Robert W. Grieve it was voted to place Article 1 on the table.

ARTICLE 18. Motion read by Robert W. Grieve and other members of the Planning Board as per Warrant in the Record Book, page 337 thru page 348.

On motion of C. Dewey Smith it was voted that the meeting stand adjourned until June 13, 1968, at 8:00 P.M., to meet in the Memorial High School Auditorium.

Meeting adjourned at 10:50 P.M.

162 Town Meeting Members were present.

Town Clerk

ADJOURNED SPECIAL TOWN MEETING

Memorial High School

June 17, 1968

The meeting was called to order by the Moderator, Kenneth C. Latham, at 8:00 P.M.

The invocation was given by Rev. Paul Rouse.

ARTICLE 18. After much discussion and many amendments, Robert W. Grieve, Chairman of the Planning Board, moved that the Zoning By-Laws of the Town be amended as set forth in the Warrant with amendments made at this meeting. This motion failed to pass by a two-third vote required as follows: (By roll call)

In favor	91
Against	47

(92 was necessary for a two-thirds vote)

On motion of Ralph J. Bens, Jr., it was voted to take Article 1 from the table.

ARTICLE 1. On motion of Ralph J. Bens, Jr., it was voted that the Board of Selectmen be and hereby is instructed to continue to file vigorous objections to the burning of the so-called Woburn Dump, located on the west side of Route 93 in Woburn, and that these same objections be transmitted forthwith, along with a copy of this vote to:

The Governor of the Commonwealth

The Attorney General of the Commonwealth

The Director of the State Dept. of Health

The Mayor of Woburn

and any and all other deemed appropriate by the Board of Selectmen.

ARTICLE 1. On motion of Carl H. Amon, Jr., it was voted that the following Resolution be adopted:

WHEREAS the 1968 Reading High School Baseball Team won the championship of the Middlesex League, and

WHEREAS the 1968 Reading High School Baseball Team won the Eastern Massachusetts, Class A championship, now

THEREFORE, be it resolved that the Special Town Meeting for the Town of Reading held on June 17, 1968, extends to Coach Peter Finn and to each member of the 1968 Reading High School Baseball Team its congratulations for a most successful season.

BE IT FURTHER RESOLVED, that this Resolution be spread upon the records and that a copy of the same, signed by the Selectmen, the Moderator and the Town Clerk, be delivered to Coach Peter Finn and to each member of the 1968 Reading High School Baseball Team.

On motion of C. Dewey Smith it was voted that Article 1 be indefinitely postponed.

On motion of C. Dewey Smith it was voted to adjourn, sine die, at 11:30 P.M.

160 Town Meeting Members were present.

A true copy. Attest:

Boyd H. Stewart
Town Clerk

STATE PRIMARY

September 17, 1968

Pursuant to the Warrant and the Constable's Return thereon, a Party Primary was held at the time and places specified in the Warrant, and was

called to order by the Wardens, in the Precincts as follows:

Precinct 1	Pearl Street School	H. Nelson Bates
Precinct 2	Joshua Eaton School	Arthur L. Harris
Precinct 3	Community Center Building	Herbert F. Gent, Jr.
Precinct 4	Memorial High School	Lawrence Drew

who then partially read the Warrant, when on motion of Florence E. Campbell, Precinct 1; Francis G. Wall, Precinct 2; John F. Cronin, Precinct 3; Raymond E. O'Brien, Precinct 4, it was voted to dispense with the further reading of the Warrant except the Constable's Return, which was then read by the Wardens in charge.

The ballot boxes were examined by the Wardens in charge and each found to be empty and all registered 000.

The polls were then declared open at 7:00 A.M. and were closed at 8:00 P.M. with the following results:

1725 Republican Votes
683 Democratic Votes

for a total of 2408 as follows:

STATE ELECTION

November 5, 1968

Pursuant to the Warrant and the Constable's Return thereon, a State Election was held at the time and places specified in the Warrant and was called to order by the Wardens in the precincts as follows:

Precinct 1	Pearl Street School	H. Nelson Bates
Precinct 2	Joshua Eaton School	Joseph P. Riemer
Precinct 3	Community Center	Herbert F. Gent, Jr.
Precinct 4	Memorial High School	Lawrence Drew

who then partially read the Warrant, when on motion of Florence E. Campbell, Precinct 1; Ernest E. Gallant, Precinct 2; Lester F. Plumer, Precinct 3; Raymond E. O'Brien, Precinct 4, it was voted to dispense with the further reading of the Warrant except the Constable's Return, which was then read by the Wardens in charge.

The ballot boxes were examined by the Wardens in charge and each found to be empty and all registered 000.

The polls were then declared open at 7:00 A.M. and were closed at 8:00 P.M. with the following results:

Whole number of votes cast 10,153.

QUESTION NO. 1 — Proposed Amendment to the Constitution

Do you approve of the adoption of an amendment to the constitution summarized below, which was approved by the General Court in a joint session of the two branches held June 16, 1965, received 210 votes in the affirmative and 26 in the negative, and in a joint session of the two branches held May 10, 1967, received 220 votes in the affirmative and 9 in the negative?

NO	564	497	397	558	2016
Blanks	374	276	241	298	1189
Totals	2528	2608	2260	2757	10153

SUMMARY

The proposed amendment of the Constitution increases from five days to ten days the period of time the Constitution gives the Governor to act upon measures passed by the Legislature and submitted to him for approval. No other changes are made in the several Constitutional provisions relative to action by the Governor upon such measures.

QUESTION NO. 2 — Proposed Amendment to the Constitution

Do you approve of the adoption of an amendment to the constitution summarized below, which was approved by the General Court in a joint session of the two branches held August 30, 1966, received 88 votes in the affirmative and 46 in the negative, and in a joint session of the two branches held May 10, 1967, received 174 votes in the affirmative and 78 in the negative?

	<hr/>	<hr/>	<hr/>	<hr/>	<hr/>
Totals	2528	2608	2260	2757	10153

SUMMARY

The proposed amendment of the Constitution authorizes the Legislature to impose an income tax graduated according to total income, and authorizes the granting of reasonable exemptions, deductions and abatelements, as an alternative to the exercise of the Legislature's existing power to tax income under Article 44 of the Amendments to the Constitution. Without limiting the foregoing authorization, the proposed amendment permits any such tax to be imposed at a uniform percentage of an individual's federal income tax liability or at graduated rates applied to his total income taxable federally, and it permits reasonable variations of any federal provision. It requires that the graduated rates, exemptions, and deductions be set without regard to the kind of income being taxed.

QUESTION NO. 3 — Proposed Amendment to the Constitution

Do you approve of the adoption of an amendment to the constitution summarized below, which was approved by the General Court in a joint session of the two branches held July 20, 1966, received 25 votes in the affirmative and 1 in the negative, and in a joint session of the two branches held June 15, 1967, received 210 votes in the affirmative and 2 in the negative?

Totals	2528	2608	2260	2757	10153

SUMMARY

The proposed amendment of the Constitution defines the circumstances in which a Governor's inability to perform his functions shall cause his office to become vacant, and it establishes a procedure for making the necessary determinations. The office will become vacant following a declaration of disability by the Governor himself or by the Chief Justice and a majority of the Associate Justices of the Supreme Judicial Court, or such other body as the Legislature may provide. The vacancy will terminate four days after the Governor declares that no disability exists, unless (1) within that period the Chief Justice and majority of the Associate Justices, or such other body provided by the Legislature, should make a contrary declaration and (2) within another stated period the Legislature, by two-thirds of each branch present and voting, then determines the issue contrary to the Governor's declaration. The same procedure will also apply to a Lieutenant Governor who in the case of a vacancy is performing the Governor's duties.

The proposed amendment also requires the election of a Governor for the unexpired balance of the four-year term if a vacancy in the office of

Governor as described in the proposed amendment continues for a six-month period expiring more than five months prior to a biennial state election other than an election for Governor.

QUESTION NO. 4 — Law Proposed by Initiative Petition

Do you approve of a law summarized below, upon which the House of Representatives did not vote and upon which the Senate did not vote?

YES	1175	1328	1159	1405	5067
NO	791	765	657	849	3062
Blanks	562	515	444	503	2024
	<hr/>	<hr/>	<hr/>	<hr/>	<hr/>
Totals	2528	2608	2260	2757	10153

SUMMARY

The proposed law provides that the official ballot in the biennial State election for the year 1970 shall contain a question asking the voters whether there shall be a convention in 1971 to (1) revise, alter or amend the constitution of the Commonwealth on the following subjects, insofar as they relate to the structure of government, and no others; the Executive Branch; the General Court; the Executive Council; the government of cities, towns and counties and their relationship to each other and to the government of the Commonwealth; (2) simplify and rearrange the constitution, and (3) provide methods of amendment thereof. The question will state that the convention shall not consider or propose any measure which relates to the Massachusetts Declaration of Rights, the provisions of the Massachusetts constitution concerning the "Judiciary Power" (other than provisions respecting the Executive Council), or any of the excluded matters enumerated in Article XLVIII, II, Section 2 of the Massachusetts constitution. The question will fix the number of delegates to the convention at 150, of whom 20 members shall be members of the General Court; the remaining 130 members shall be elected by the voters in the manner summarized below. The question will also state that the convention shall conclude its business not later than 120 days from its first session.

The proposed law provides that if a majority of the votes on the foregoing question is in the affirmative, the convention shall be held in July, 1971 to revise, alter or amend the constitution on the matters enumerated above only. The House of Representatives and the Senate shall each elect as delegates 10 of its members, not more than 6 from each branch coming from the same political party. Of the remaining 130 delegates, 10 shall be elected at large and 120 shall be elected from the 40 senatorial districts, 3 from each. Provision is made for the manner of nominating and electing these 130 delegates, without party or political designation, for filling vacancies occurring in the position of any delegate, from whatever source chosen, and for the conduct of the convention's business.

Any revisions, alterations and amendments of the Massachusetts constitution adopted by the convention shall be submitted to the people at the

State election in 1972 for their ratification and adoption in such manner as the convention may direct. If a majority of the people voting thereon ratify and adopt such revision, alteration or amendment, the constitution shall be deemed to be changed accordingly.

The proposed law also provides that if the vote on the question to be submitted at the biennial State election in 1970 is in the affirmative, the Governor shall appoint a preparatory commission of 5 members to compile data to aid the convention in the discharge of its duties. Each member of the commission shall receive compensation of \$10,000, and the commission may expend a sum not in excess of \$200,000, as the Governor may approve, for its expenses.

SPECIAL TOWN MEETING

Memorial High School

December 9, 1968

The meeting was called to order by the Moderator, Kenneth C. Latham, at 8:00 P.M.

The invocation was given by Rev. Willard C. Arnold.

The Warrant was partially read by the Town Clerk when, on motion of C. Dewey Smith, it was voted to dispense with further reading of the Warrant, except the Constable's Return, which was then read by the Town Clerk.

ARTICLE 1. The following report was read by Alfred T. Doughty for the Hospital Study Committee:

Communications and investigations have been studied on state and federal levels as to the feasibility, advisability and the availability of funds for construction, operation and maintenance of a hospital in the Town of Reading.

It has been found that the Town has to show:

1. The ability to finance construction.
2. It must be a non-profit corporation.
3. It must demonstrate its ability for a 20 year operation.

Limit of financial assistance for any one project is approximately \$350,000. A minimum of \$4,000,000. would be needed to build a hospital. Private funds are rare and are usually given to existing facilities.

The State of Massachusetts receives \$2.5 million per year, which means it can extend maximum aid to only eight (8) projects per year. These funds are distributed according to priority need throughout the entire state.

The 1967 annual town report has listed the sum of \$496,216.01 in its hospital fund:

Parker Hospital Fund	\$342,002.09
Grouard Hospital Fund	148,342.15
Foster Hospital Fund	5,871.77

A committee of state officials and hospital administrators along with interested parties have been meeting to investigate the need and possibilities of constructing community hospitals. In the interest of the Town, Selectman Robert S. Cummings and Mr. Robert H. Peterson have been present at these meetings.

In the light of the aforementioned facts, it is apparent, the construction of a hospital in Reading is not possible at this time.

Robert H. Peterson, Chairman
Joseph B. Iverson
Alfred T. Doughty
George J. Murdock
Pearl E. Malphrus

On motion of C. Dewey Smith it was voted that report be accepted as a report of progress.

ARTICLE 1. The following report was read by Eugene G. Graf, Chairman of the Library Building Committee:

LIBRARY BUILDING COMMITTEE REPORT OF PROGRESS

It is an established fact that the library facilities of the Town of Reading have long been substantially inadequate for a town of its size. Therefore, the Chairman of the Library Trustees, at the last Special Town Meeting of June 10, 1968, initiated two motions which were seconded and affirmatively voted:

1. Moved that a Library Building Committee, to be appointed by the Board of Selectmen, composed of one member from each precinct and one member nominated by the Board of Library Trustees, for the purpose of constructing an addition to the Reading Public Library, be established.
2. Moved that the sum of Five Thousand Five Hundred Dollars (\$5,500.00) be raised from the tax levy and appropriated for consulting engineers, architectural services, preliminary plans and surveys for the construction of an addition to the Reading Public

Library, said sum to be expended under the direction of the Reading Library Building Committee.

Following the instructions of the first motion, the Selectmen appointed a committee and its first meeting was held July 30.

From an extensive list of architects who had designed new libraries and additions to existing libraries, the Committee selected nine firms to interview. Appointments were set up for three consecutive nights during which representatives of these nine firms were interviewed by the full Committee.

After discussion and vote, three firms were selected for further consideration. Each of these firms recently designed an addition to the library of a neighboring town. Your Committee spent one whole morning visiting libraries in Lynnfield, Melrose and Winchester. Subsequently, your Committee held discussions with the three firms and, after due deliberation, selected the Malden firm of Valtz and Kimberley, Inc., who designed the addition to the Melrose library. On the basis of negotiations to date, we are confident that we made the right choice.

The space requirements, as submitted by the Board of Library Trustees and which were based on the standards set forth by the American Library Association and accepted by the United States Department of Health, Education and Welfare and by the Massachusetts Bureau of Library Extension, were given to Mr. John Valtz for preparation of preliminary drawings. An original and a first and second revised set have already been examined and discussed, and the next revision is pending.

The necessary preliminary formalities have been processed for Federal Aid through the appropriate offices of the Commonwealth of Massachusetts. We should know sometime in February, 1969, and before the Annual Town Meeting, the availability of Federal Aid and, if available, the amount that will be assigned to our project.

The Municipal Light Board has displayed much interest and a spirit of cooperation in respect to the installation of an electric heating system. As such an installation has many advantages and elements of economy, including lower cost for operation of air conditioning, this subject will be thoroughly explored by all concerned.

Our architect has been asked to investigate all possibilities as to position of the addition in relation to the current structure. To this end, borings have been taken in both front and rear and the whole area surveyed.

It is the intent of this Committee to present to this body at the next Annual Town Meeting an article or articles, which will provide for constructing adequate library facilities for the Town of Reading until its population reaches 30,000. Needless to say, as burdened taxpayers, each member of the Committee is economy-minded and intends to plan for that which is necessary as economically as possible without being "penny-wise and pound-foolish". It should be recognized, however, that, as in any plans involving consideration for future growth, adequate space for projected needs must be available.

As your Committee wishes to explore all possibilities and ideas, we invite any Town Meeting Member to attend our next meeting, Wednesday, December 11, in the Children's Room section of the Library at 8 P.M. Our architect will also be in attendance to answer any questions which can be answered at that time and to note any new ideas for further study and consideration.

Eugene G. Graf, Chairman

Carl H. Amon, Jr.

John H. Austin

William E. Burpee

Robert J. Fields

On motion of C. Dewey Smith it was voted that report be accepted as a report of progress.

ARTICLE 1. On motion of Robert M. Graham it was voted that the Selectmen be, and they hereby are authorized, empowered and instructed to investigate and conduct a study of the possibility, propriety and feasibility of establishing or re-establishing a Town Liquor Agent, Agents or Agency and report their findings to the Annual Town Meeting in March 1969.

ARTICLE 1. On motion of Carl H. Amon, Jr., it was voted that the Town adopt the following Resolution:

WHEREAS, the General Court has in prior years enacted legislation to increase the minimum salary to be paid by towns and cities in the Commonwealth to public school teachers but has not provided the funds for said increases, and

WHEREAS, there are now pending in the Senate and in the House of Representatives of the General Court bills (1) to further increase the minimum salary of public school teachers to \$7,500.00 per year, and (2) to effect in other respects the salaries to be paid by cities and towns to public school teachers.

NOW THEREFORE, BE IT RESOLVED, that the Reading Town Meeting Members assembled at a Special Town Meeting on December 9, 1968, herewith record their opposition to all proposed legislation increasing the minimum salaries to be paid to public school teachers and otherwise effecting said salaries, and

That Nils L. Nordberg and Daniel C. Towse, the Representatives of the Town of Reading in the House of Representatives of the Legislature of the Commonwealth of Massachusetts, cause this Resolution to be spread upon the record of said House of Representatives, and that said Nils L. Nordberg and Daniel C. Towse be and they hereby are requested to vote against all bills increasing the minimum salaries to be paid to public school teachers and otherwise effecting said salaries.

On motion of C. Dewey Smith it was voted that Article 1 be laid on the table.

ARTICLE 2. On motion of Fred C. Kenney, Jr., it was voted that the sum of One Hundred Forty Dollars (\$140.00) be transferred from surplus revenue and appropriated for Fire Department Pensions, said sum to be added to the amount voted for pensions under Article 4 of the Annual Town Meeting of 1968, and the Town Accountant be and he hereby is authorized, empowered and instructed to transfer said sum to carry out the purpose of this vote.

ARTICLE 3. On motion of C. Dewey Smith it was voted that the sum of One Thousand Five Hundred Dollars (\$1,500.00) be transferred from surplus revenue and appropriated for the purpose of demolition of the building or buildings of premises situated at and known as 159 Lowell Street, such sums to be expended under the direction of the Board of Health and the Board of Public Works, and the Town Accountant be and he hereby is authorized, empowered and instructed to transfer said sums to carry out the purpose of this vote.

ARTICLE 4. On motion of Fred C. Kenney, Jr., it was voted that the sum of One Thousand Dollars (\$1,000.00) be transferred from surplus revenue and appropriated for Police Department maintenance, such sum to be added to the amount voted for Police Department maintenance under Article 4 at the Annual Town Meeting of 1968, and the Town Accountant be and he hereby is authorized, empowered and instructed to transfer said sum to carry out the purpose of this vote.

ARTICLE 5. On motion of Fred C. Kenney, Jr., it was voted that the sum of Twelve Thousand Five Hundred and Ninety-two Dollars and Eighty-one cents (\$12,592.81) be transferred from surplus revenue and, together with the balance remaining in an account established under Article 59 of the Annual Town Meeting of March, 1965, be appropriated for the purpose of satisfying a judgment obtained by the Trustees of the Laura Realty Trust against the Town of Reading for damages as the result of the taking of land for Town Forest purposes under said Article 59 of the Annual Town Meeting of March, 1965, and the Town Accountant be and he hereby is authorized, empowered and instructed to transfer said sum to carry out the purpose of this vote.

ARTICLE 6. On motion of C. Dewey Smith it was voted that the sum of Seventeen Thousand Dollars (\$17,000.00) be transferred from surplus revenue for the purpose of satisfying judgment obtained by the Massachusetts General Hospital against the Town of Reading as a result of care rendered to a Reading resident by Massachusetts General Hospital under the provisions of General Laws Chapter 117 Sec. 24A and the Town Accountant be and he hereby is authorized, empowered and instructed to transfer said sum to carry out the purpose of this vote.

123 voted in the affirmative

24 voted in the negative

ARTICLE 7. On motion of George L. Hodgkins it was voted that the sum of Two Thousand Dollars (\$2,000.00) be transferred from the Board of Public Works Engineering Division Salary Account and appropriated for

Pensions, said sum to be added to the amount voted for Pensions at the Annual Town Meeting of 1968, such sums to be spent by and under the direction of the Board of Public Works and the Town Accountant be and he hereby is authorized and instructed to transfer such amount to carry out the purpose of this vote.

On motion of C. Dewey Smith it was voted to take Article 1 from the table.

ARTICLE 1. The following report was read by Winfred F. Spurr, Chairman of the Municipal Light Board:

The Municipal Light Board after considerable deliberation and study have determined that public convenience and necessity require the extension of High Voltage transmission lines into the Town of Reading for the purpose of allowing the Municipal Light Department to purchase current at a more favorable rate than is now available and thereby provide the consumer with less expensive domestic and commercial power.

In order to acquire this less expensive electricity it is necessary to provide a right-of-way within the Town for the transmission line to be extended from the existing Edison facility in Woburn and to establish a sub-station to process the High Voltage before it is distributed to the customers of the department. This transmission line is to be located on the Reading side of the boundary between Reading and Wilmington and runs from Causeway Road to the Woburn city line and Route 93.

Under our contract arrangements with Edison we must be ready to accept this power toward the end of 1969 with a right-of-way and existing sub-station.

During the past several months your Municipal Light Board has been negotiating with a purchase of land or the necessary interest in land to carry out the contract arrangements. You will be called upon, tonight, to authorize acquisition of nine parcels of land for Municipal Lighting purposes and you will be called upon to appropriate the funds necessary for these acquisitions. The funds are in existence and have been set aside and constitute no part of the rate, present or future, charged for electricity to your Light Department customers. These appropriations are transferred from available funds and will have no direct effect on any future tax levy.

Of the nine parcels to be acquired, three have been purchased, the negotiations are nearly completed on a fourth, and two either are or shortly will be owned by the Town in tax title, leaving interest in three to be acquired by eminent domain proceedings, if agreement is not reached by the time a taking is required.

The amounts of money which you will be called upon to transfer to carry out the purposes of the motions under Articles 8 through 16 are as follows:

Article 8 — \$ 3,500.00
Article 9 — 13,000.00
Article 10 — 25,000.00

Article 11 —	500.00
Article 12 —	250.00
Article 13 —	24,000.00
Article 14 —	500.00
Article 15 —	1,500.00
Article 16 —	250.00

These funds are to be transferred from the Depreciation Account of Reading Municipal Light Department, and it is the recommendation of your Light Board that these acquisitions and transfers be voted.

Winfred F. Spurr, Chairman
 John H. Crooker
 Paul C. Nicholas
 Reading Municipal Light Board

ARTICLE 1. On motion of Robert M. Graham it was voted that the Municipal Light Board be instructed to review their study of the cost and feasibility of an underground installation as compared with an overhead installation of the proposed 115 KV transmission line from the Woburn line to Causeway Road.

On motion of C. Dewey Smith it was voted that Article 1 be laid on the table.

ARTICLE 8. On motion of Winfred F. Spurr it was voted that the Selectmen be and they hereby are for and on behalf of the Town to acquire by purchase, right of eminent domain, deed of gift, easement, or otherwise, for Municipal Light purposes, the following described parcel of land, or interest therein or a portion thereof, and that the sum of Three Thousand Five Hundred Dollars (\$3,500.00) be transferred from the Municipal Light Department Depreciation Account and appropriated for the purpose of this vote.

A certain parcel of land situated in Reading, Massachusetts, consisting of approximately 10,623 sq. ft. more or less of land and further bounded and described as follows:

Beginning at the Southeast corner then running Westerly (70 ft.) Seventy feet to a point bounded by land now or formerly owned by Hallenleaf and Causeway Road. Northerly, along Causeway Road (195.28 ft.) One hundred and ninety-five and twenty-eight one hundredths feet to a point of land now owned or formerly owned by Totten Eames. Easterly, (70 ft.) Seventy feet to a point of land now owned or formerly owned by the Boston and Maine Railroad Company. Southerly, (129.41 ft.) One hundred twenty-nine and forty-one one hundredths feet, to the point of starting.

Being the premises conveyed in deed to Gerald C. and Susan L. Sweeney dated September 2, 1931, recorded Middlesex South District Deeds Book 5583 Page 124.

111 voted in the affirmative
 10 voted in the negative

ARTICLE 12. On mention of Winfred F. Spurr it was voted that the Selectmen be and they hereby are for and on behalf of the Town to acquire by purchase, right of eminent domain, deed of gift, easement, or otherwise, for Municipal Light purposes, the following described parcel of land, or interest therein or a portion thereof, and that the sum of Two Hundred and Fifty Dollars (\$250.00) be transferred from Municipal Light Department Depreciation Account and appropriated for the purpose of this vote.

The land in Reading, Massachusetts, shown on a plan entitled "Plan of land in Reading, Mass." dated August 12, 1968, Dana F. Perkins & Sons, Inc., Civil Engineers & Surveyors, bounded and described as follows:

WESTERLY: By the Town line separating the Towns of Reading and Wilmington, One hundred (100) feet, more or less;

NORTHERLY: By land of owners unknown, Twenty feet (20) more or less;

EASTERLY: By land of Joseph H. McKenna by two lines, Sixty-four and 68/100 (64.68) feet, more or less, and Twenty-four and 24/100 (24.24) feet, more or less;

SOUTHERLY: By land now or formerly of George W. Cochrane, III, Fifty-one (51) feet, more or less.

Containing 3,070 square feet of land, more or less. Presumably now or formerly of Alvin A. Fisher.

130 voted in the affirmative

0 voted in the negative

ARTICLE 13. On motion of John H. Crooker it was voted that the Selectmen be and they hereby are for and on behalf of the Town to acquire by purchase, right of eminent domain, deed of gift, easement, or otherwise, for Municipal Light purposes, the following described parcel of land, or interest therein or a portion thereof, and that the sum of Twenty-four Thousand Dollars (\$24,000.00) be transferred from Municipal Light Department Depreciation Account and appropriated for the purpose of this vote.

The land in Reading, Massachusetts, shown on a plan entitled "Plan of land in Reading, Mass." dated August 12, 1968, Dana F. Perkins & Sons, Inc., Civil Engineers & Surveyors, bounded and described as follows:

NORTHERLY: By land now or formerly of Harold B. and Gertrude M. Currell and land now or formerly of Josephine A. Pentz, three hundred forty-two (342) feet, more or less;

EASTERLY: By Causeway Road, two hundred twenty-four and 87/100 (224.87) feet;

SOUTHEASTERLY: By land now or formerly of Henry F. and Rita M. Filippone, five hundred thirty-three and 22/100 (533.22) feet;

SOUTHERLY: By three lines by Parcel A as shown on said plan and by land now or formerly of Alvin A. Fisher, twenty-five and 85/100 (25.85)

feet; eighty-eight and $20/100$ (88.20) feet, and fifty-nine and $24/100$ (59.24) feet;

SOUTHWESTERLY: By land now or formerly of Alvin A. Fisher, sixty-four and $68/100$ (64.68) feet;

WESTERLY: By land of the Town of Reading, five hundred sixty-one and $44/100$ (561.44) feet; and

NORTHWESTERLY: By land now or formerly of the Commonwealth of Massachusetts, fifty (50) feet.

Containing 5.395 acres, according to said plan. Together with and subject to a right of way extending from Lowell Street in a generally Southerly and Southwesterly and Westerly direction to West Street, all as indicated on said plan by the term "Cart Path", and also known as the "Causeway". Being all of the remaining land conveyed to Joseph H. McKenna by deed of Annie T. Conners in a deed dated August 8, 1929, recorded Middlesex So. Dist. Deeds Book 5388 Page 309.

130 voted in the affirmative

0 voted in the negative

ARTICLE 14. On motion of Winfred F. Spurr it was voted that the Selectmen be and they hereby are for and on behalf of the Town to acquire by purchase, right of eminent domain, deed of gift, easement, or otherwise, for Municipal Light purposes, the following described parcel of land, or interest therein or a portion thereof, and that the sum of Five Hundred Dollars (\$500.00) be transferred from Municipal Light Department Depreciation Account and appropriated for the purpose of this vote.

A certain parcel of land situated in Reading, Massachusetts, and consisting of approximately 46,272 sq. ft. and further bounded and described as follows:

SOUTHWESTERLY: One hundred fifty feet (150') more or less by the land now or formerly of Susan L. and Gerald C. Sweeney;

SOUTHERLY: One hundred feet (100') more or less by the land now or formerly of Evilo E. and Frederick E. Livingstone;

SOUTHEASTERLY: One hundred ninety feet (190') more or less by the land now or formerly of Augustinian High School of Reading, Massachusetts;

NORTHWESTERLY: Two hundred feet (200') more or less by the land now or formerly of the Boston and Maine Railroad;

NORTHEASTERLY: Two hundred twenty feet (220') more or less by the land now or formerly of Augustinian High School of Reading.

Said exact boundaries and descriptions to be finally determined by a land survey conducted by the Buyer or its agents, said boundaries and descriptions as determined by said survey to be incorporated in the deed.

Being a portion of the premises conveyed to Augustinian High School of Reading, by deed of the Boston and Maine Railroad dated December 21, 1962, recorded Middlesex So. Dist. Deeds Book 10191 Page 419.

130 voted in the affirmative

ARTICLE 15. On motion of John H. Crooker it was voted that the Selectmen be and they hereby are for and on behalf of the Town to acquire by purchase, right of eminent domain, deed of gift, easement, or otherwise, for Municipal Light purposes, the following described parcel of land, or interest therein or a portion thereof, and that the sum of One Thousand Five Hundred Dollars (\$1,500.00) be transferred from Municipal Light Department Depreciation Account and appropriated for the purpose of this vote.

A parcel of land in the Westerly part of the Town of Reading as it is bounded westerly by the town line between the Town of Reading and the Town of Wilmington as located on the granted parcel of land and further bounded and described as follows:

NORTHWESTERLY: By the land now or formerly of Alvin A. Fisher, approximately fifty-one (51) feet;

NORTHERLY: By the land now or formerly of Joseph H. McKenna of Reading, approximately one hundred fifty (150) feet;

EASTERLY: By the land now or formerly of George W. Cochrane, III, of Reading, approximately one hundred sixty-five (165) feet;

SOUTHERLY: By the land now or formerly of Joseph H. Sheehan of Reading, approximately two hundred (200) feet;

WESTERLY: By the town line between the Town of Reading and the Town of Wilmington, as said town line is located on the land now or formerly of George W. Cochrane, III, of Reading, approximately two hundred six (206) feet.

Containing 0.8 acres of land, more or less, and said land to be more fully shown on a plan to be made by Dana F. Perkins & Sons, Inc., Civil Engineers & Surveyors, Reading.

Being a portion of the premises conveyed to George W. Cochrane, III, by deed of Mary Louise Zocchi, dated December 2, 1964, recorded Middlesex So. Dist. Deeds Book 10703 Page 451.

130 voted in the affirmative

ARTICLE 17. On motion of Donald R. Walker it was voted that the sum of Three Thousand Five Hundred (\$3,500.00) Dollars be transferred from general school maintenance and appropriated for school department salaries, such sum to be added to the amount appropriated for salaries under Article 4 of the Annual Town Meeting of 1968, and the Town Accountant be and he hereby is authorized, empowered and instructed to transfer said sum to carry out the purpose of this vote.

On motion of Joseph A. Concannon it was voted to take Article 1 from the table.

ARTICLE 1. The following report was read by Neil H. Murray, Chairman, School Construction Committee:

REPORT OF SCHOOL CONSTRUCTION COMMITTEE

As you all know the School Construction Committee had intended to request funds of \$175,000. for final plans for the addition and renovations to Reading Memorial High School under Article 18 of this Special Town Meeting. Towards this end, an insert showing the scope of the preliminary plans was placed in the December 5th issue of the Chronicle and a set of preliminary plans was sent to each Town Meeting Member.

Unfortunately, we will not be able to present this Article before you tonight, since the Committee was informed by Town Counsel on Thursday, December 5, that it was not possible to bond planning funds. All possible avenues of obtaining this appropriation have been investigated this past weekend. Sufficient funds out of this years tax levy do not exist.

In order to avoid a severe schedule slip, this Committee will move to table Article 18 and ask for adjournment of this meeting until January 6, 1969, at which time the necessary funds may be appropriated from the tax

levy. We ask your consideration in this matter and request that you retain the Chronicle insert and the preliminary plans until January 6, 1969. At this time, I would like to request the Moderator to recognize the Town Counsel, who will explain the legal situation which prevents our consideration of Article 18 this evening.

Neil H. Murray, Chairman
School Construction Committee

On motion of C. Dewey Smith it was voted that report be accepted as a report of progress.

On motion of C. Dewey Smith it was voted that Article 1 be laid on the table.

On motion of C. Dewey Smith it was voted that the meeting stand adjourned until January 6, 1969, at 8:00 P.M., to meet in the Memorial High School Auditorium.

Meeting adjourned at 10:50 P.M.

161 Town Meeting Members were present.

A true copy. Attest:

Boyd H. Stewart
Town Clerk

ADJOURNED SPECIAL TOWN MEETING

Memorial High School

January 6, 1969

The meeting was called to order by the Moderator, Kenneth C. Latham, at 8:00 P.M.

The invocation was given by Rev. Jack R. Cavanaugh.

On motion of Lawrence Drew it was voted to take Article 1 from the table.

ARTICLE 1. On motion of Lawrence Drew it was voted that the Finance Committee Report for the Special Town Meeting of December 9, 1968, be amended as follows:

ARTICLE 18. Delete Finance Committee recommendation to raise \$175,000 by Bond Issue and substitute the following:

"Recommend \$175,000 be raised from the tax levy."

ARTICLE 1. The following report was read by Neil H. Murray, Chairman, School Construction Committee:

THE SCHOOL CONSTRUCTION COMMITTEE REPORT OF PROGRESS ON THE COMBINED ADDITION AND ALTERATIONS TO THE READING MEMORIAL HIGH SCHOOL

The people of Reading are faced with a serious problem with respect to the growing school population which has resulted in a severe overcrowding

of our schools. Compounding this problem is the ever-increasing cost of school construction resulting from higher wages and material costs.

To alleviate the overcrowding, your School Construction Committee has proposed, obtained your approval, and has currently under construction a 26 classroom elementary school which is scheduled for occupancy on 1 September 1969. In the near future, preliminary planning for additions and alterations to the Parker Junior High School will be started. We have come before you tonight to request your approval for the working drawing phase of the addition to the present high school.

The second part of the problem, cost for this endeavor, is not as easy to predict as are space requirements. We are faced with a steady increase in construction costs each year. The one way which this committee sees to offset this situation is to complete our projects as soon as possible in a manner which is economically sound and also satisfies the town's need.

This Special Town Meeting will have the responsibility of voting on a multi-building addition to the high school. The addition consists of a three-story academic building, added cafeteria and kitchen space, expanded Industrial and Fine Arts, a Library and a physical education facility. The total added space adds up to 172,000 square feet of new building area. The high school as it now stands occupies 153,000 square feet.

The current high school was built in 1953 for approximately 1,200 students. The present enrollment is just short of 1,200, and every available space is being used for classes, including the library, some coat rooms, and a special gym room. Obviously it will not accomodate 1,200 pupils — a more realistic capacity is 950 to 1,000 pupils. The proposed addition is planned for 2,000 pupils and, therefore, the school space must at least double.

The School Construction Committee was directed by this body to investigate the possibility of adding to the current gymnasium as opposed to erecting a new physical education facility. This has been done. The School Construction Committee strongly proposes the new physical education facility because it offers many advantages over additional conventional gymnasium space. A few of these are:

1. a more varied program may be offered
2. there is room for growth
3. a more active intra and extramural sports program may be offered, and
4. it is better suited for overall public use

The current gymnasium will be used for girls physical education as well as the expanded sports program. The Construction Committee trusts that this Town Meeting will see the overall advantages of the new facility and the apparent shortcomings of added conventional gymnasium space. The physical education facility is estimated to cost approximately \$200,000 more than

the added gymnasium. This is considered a **not to exceed** figure since the gymnasium addition is relatively high-cost construction which will also necessitate some ledge removal which could in effect lower the cost difference.

The total estimated cost of the high school addition alteration, and equipment is \$6,000,000. This represents the projected cost at the time the high school plans will be submitted for bid (August 1969).

The insert in the December 5th, 1968, issue of the Reading Chronicle and the copies of the preliminary plans sent to each Town Meeting Member explain in graphic form the magnitude of this project.

The School Construction Committee requests your support in their endeavors to expand the current high school facilities by acting favorably on Article 18 this evening.

School Construction Committee
Neil H. Murrar, Chairman
Joseph A. Concannon
Harry R. Walker
Thomas F. Galvin

On motion of C. Dewey Smith it was voted that report be accepted as a report of progress.

ARTICLE 1. The following report was read by Winfred F. Spurr, Chairman, Municipal Light Board:

**REPORT OF THE READING MUNICIPAL LIGHT BOARD AS
REQUESTED BY TOWN MEETING OF DECEMBER 9, 1968**

The Reading Municipal Light Board has re-evaluated the reliability and economy of overhead 115 kv, as opposed to underground.

As a part of and attached to this Report, we have provided a detailed cost comparison. The cost comparison shows three alternate methods of constructing two 115 kv transmission lines into the Causeway Road substation. The first is the overhead line construction consisting of two single wood pole structures each carrying one 115 kv circuit. The second is the oilstatic system which would be two single circuit 115 kv lines each, consisting of three conductors placed underground in a 6 inch diameter oil filled pipe with associated equipment including oil storage pumping equipment and special terminating facilities. The third is the underground solid dielectric cable system which requires three single circuit 115 kv lines each consisting of three copper conductors insulated with solid dielectric material and of the direct buried type. This installation would also include special switching structures and equipment to make the spare circuit immediately available in case of fault on one of the other circuits.

After thorough re-evaluation it is the opinion of this Board, that the customers of the Reading Municipal Light Department would best be served by aerial high voltage transmission lines. The following is the basis for this conclusion:

COST COMPARISON

115 KV TRANSMISSION LINE TO READING CAUSEWAY ROAD SUBSTATION

OVERHEAD CONSTRUCTION

2 Single Pole Lines

Material	\$ 25,700.
Labor	44,300.
Survey, Acquisition, Engr. & Cont. ..	18,000.

Total Overhead Cost	\$ 88,000.
---------------------------	------------

OILOSTATIC

2 Single Circuits in Pipe

Material	201,000.
Labor	174,000.
Survey, Acquisition, Engr. & Cont.	94,000.

Sub Total	469,000.
-----------------	----------

Overhead Line Termination & Protection — 2 Circuits

Sub Total	100,000.
-----------------	----------

Total Oilostatic Cost	\$569,000.
-----------------------------	------------

SOLID DIELECTRIC

2 Single Circuits Plus 1 Spare Circuit

	2 Circuits	Spare	Total
Material	165,000.	82,000.	247,000.

Reading Municipal Light Board

Winfred F. Spurr, Chairman
John H. Crooker
Paul C. Nicholas

On motion of C. Dewey Smith it was voted that report be accepted as a report of progress.

ARTICLE 1. On motion of Francis H. Doughty it was voted that the Selectmen be and hereby are instructed to take the necessary steps to provide gates at the Washington Street Railroad Crossing, if possible and legally permissible.

On motion of C. Dewey Smith it was voted to place Article 1 on the table.

On motion of John H. Crooker it was voted to take Article 9 from the table.

ARTICLE 9. On motion of John H. Crooker it was voted that the Selectmen be and they hereby are for and on behalf of the Town to acquire by purchase, right of eminent domain, deed of gift, easement, or otherwise, for Municipal Light purposes, the following described parcel of land, or interest therein or a portion thereof, and that the sum of Thirteen Thousand (\$13,000.00) Dollars be transferred from Municipal Light Department Depreciation Account and appropriated for the purpose of this vote.

The land in Reading, Middlesex County, Massachusetts, containing ten and 1/10 (10.1) acres, situated on the Southwesterly side of West Street, and being shown on a plan drawn by James A. Bancroft, Surveyor, dated September 24, 1901, recorded with Middlesex South District Deeds, Plan Book 133, Plan 4, and bounded and described as follows:

Beginning at the Northerly corner of the premises at the Town bound separating Wilmington and said Reading, thence running Southeasterly on said West Street by various lines, in all, six hundred thirty-six and 5/10 (636.5) feet to land now or formerly of Jonathan B. Severance; thence South 82° 45' West on said land of Severance, ten hundred thirty-two (1032) feet to land of John G. Morrill; thence North 16° West, partly on said land of Morrill and partly on land of William H. Bancroft, two hundred seventy-five and 25/100 (275.25) feet to land of Abraham Temple's heirs; thence North 63° 50' East and North 60° East on said heirs land by two lines, in all, nine hundred eleven and 5/10 (911.5) feet to the point of beginning. Be any or all of said contents, or measurement, more or less.

Being the premises conveyed to Hector A. Xavier and Lillian J. Xavier by deed dated July 1, 1924, recorded Middlesex South District Deeds, Book 4746, Page 10-11.

128 voted in the affirmative

2 voted in the negative

ARTICLE 10. On motion of Paul C. Nicholas it was voted that the Selectmen be and they hereby are for and on behalf of the Town to acquire by purchase, right of eminent domain, deed of gift, easement, or otherwise, for Municipal Light purposes, the following described parcel of land, or interest therein or a portion thereof, and that the sum of Twenty-five Thousand (\$25,000.00) Dollars be transferred from Municipal Light Department Depreciation Account and appropriated for the purpose of this vote.

A tract of land with the buildings thereon, situated on West Street in

Reading, Middlesex County, Massachusetts and Wilmington, Middlesex County, Massachusetts, and bounded and described as follows:

Beginning at the Southwesterly corner thereof on said Street at Dirty Brook so-called;

Thence the line runs North 42° West, eight (8) rods and nineteen (19) links;

Thence North 43° West, three (3) rods;

Thence North 35° West, two (2) rods and twenty (20) links;

Thence North 29° West, three (3) rods and ten (10) links;

Thence South 69° West, one and one-half (1½) rods;

Thence North 20° West, eight (8) rods and ten (10) links by said Street to a stake and stones at a corner;

Thence in a straight line North 79° East, fifty (50) rods and twenty (20) links to a stake and stones at land now or formerly of Mark M. Temple;

Thence Southerly ten (10) rods and ten (10) links by land now or formerly of said Mark M. Temple to a corner;

Thence South 86° West, four (4) rods;

Thence South 67° West, two (2) rods and twenty-four (24) links;

Thence South 41° West, three (3) rods and seventeen (17) links;

Thence South 39° West, six (6) rods;

Thence South 53° West, five (5) rods and eleven (11) links; and

Thence South 80° West, twelve (12) rods and twenty (20) links, all by land now or formerly of said Temple and land now or formerly of Thomas Sweetser to the point of beginning.

Containing five (5) acres and fourteen (14) rods.

Being the premises conveyed to Joseph H. Sheehan by deed dated December 7, 1953, recorded Book 8202, Page 431.

138 voted in the affirmative

4 voted in the negative

ARTICLE 11. On motion of John H. Crooker it was voted that the Selectmen be and they hereby are for and on behalf of the Town to acquire by purchase, right of eminent domain, deed of gift, easement, or otherwise, for Municipal Light purposes, the following described parcel of land, or interest therein, or a portion thereof, and that the sum of Five Hundred Dollars (\$500.00) be transferred from Municipal Light Department Depreciation Account and appropriated for the purpose of this vote.

A certain parcel of land situated partly in Wilmington and partly in Reading, Middlesex County, Massachusetts, shown on a "Plan of Land in Wilmington and Reading, dated May 17, 1939, Dana F. Perkins Civil Engineer" recorded with Middlesex North District Deeds, Plan Book 62 Plan 19, and bounded as follows:

Easterly by West Street, in said Wilmington eleven hundred fifty-five (1155) feet;

Northwesterly and Northerly by land of Harmon Bancroft's heirs, by two lines respectively, four hundred forty and 75/100 (440.75) feet and one hundred fifty-four (154) feet;

Westerly by land of Harmon Bancroft heirs, three hundred fourteen (314) feet;

Northerly by the same, three hundred fifty-eight and 40/100 (358.40) feet;

Easterly by the same, by two lines respectively, eighty and 65/100 (80.65) feet and seventy-two and 65/100 (72.65) feet;

Northerly again by land marked Harmon Bancroft on said plan by various lines, measuring in all, eleven hundred ninety-four and 95/100 (1194.95) feet;

Easterly again by land of said Harmon Bancroft, by various lines measuring in all, five hundred forty-one and 50/100 (541.50) feet;

Northerly again by land of said Harmon Bancroft, two hundred three and 25/100 (203.25) feet;

Westerly again by land marked H. Eames, on said plan and by land of owners unknown, by various lines, measuring in all nine hundred five and 90/100 (905.90) feet;

Southerly by land of H. E. Cox, by four lines, measuring in all seven hundred eighty-six and 7/10 (786.7) feet;

Westerly again by land of said Cox, three hundred seventy-seven and 50/100 (377.50) feet;

Southerly still by land of said Cox, by various lines, measuring in all thirteen hundred and eighty-three and 90/100 (1383.90) feet;

Westerly again by land of H. P. Cox and by land of H. B. Bancroft three hundred seventy-two and 25/100 (372.25) feet;

Southeasterly by land of owners unknown, nine hundred eleven and 50/100 (911.50) feet.

Containing by estimation, 44¼ acres of land, more or less.

Being the premises conveyed to Clifford H. Hupper by deed dated March 23, 1960, recorded Book 7560, Page 435.

103 voted in the affirmative

24 voted in the negative

ARTICLE 18. On motion of Joseph A. Concannon it was voted that the sum of One Hundred and Seventy-five Thousand Dollars (\$175,000.) be raised from the tax levy and appropriated for the purpose of obtaining final plans, working drawings and specifications for addition to Reading Memorial High

School, including alterations, additions, renovations and re-constructions of portions of the Reading Memorial High School, said addition to be located upon Town owned land adjacent to the Reading Memorial High School and the Birch Meadow area so called, and that the School Construction Committee be and it hereby is authorized, empowered and instructed to enter into such contracts and agreements as may be necessary to proceed with the completion of such final plans, working drawings and specifications.

ARTICLE 19. On motion of Robert W. Grieve it was voted that the sum of One Thousand Dollars (\$1,000.) be transferred from Surplus Revenue and appropriated for advertising, printing and publication in connection with proposed revisions of the Zoning By-Laws, and the Town Accountant be and he hereby is authorized, empowered and instructed to transfer said sum to carry out the purpose of this vote.

On motion of Robert W. Grieve it was voted to take Article 1 from the table.

ARTICLE 1. The following report was read by Robert W. Grieve, Chairman, Reading Planning Board:

On December 2, 1968 at 7:30 P.M., the Planning Board held a public hearing in Room 9 in the Community Center, as required under Chapter 40A, Section 6, of the General Laws regarding a proposed change in the Zoning Map from an existing Resident A District to a Resident B District. This area consists of approximately four acres off Hopkins Street, directly behind Main Street, and has frontage on Hopkins Street. Petitioners are requesting this change so as to allow construction of apartment houses. This hearing was well attended, with the majority of those polled in favor of the proposed change. Of those wishing to be polled, 12 were in favor, 10 were against.

The Planning Board feels that the proposed re-zoning of this land is not detrimental to the area, and in the best interest of the town. It is, therefore, the recommendation of the Board, that the Town Meeting vote in favor of re-zoning this parcel at this time.

Reading Planning Board
Robert W. Grieve
William H. Parker, III
Edwin H. Bjorkman
Russell H. Stone
Edward J. Taylor, Jr.

On motion of Robert W. Grieve it was voted to place Article 1 on the table.

ARTICLE 20. Raymond R. Couture moved that the Town amend the Zoning By-Laws and the Zoning Map by re-zoning the area hereinafter described from Residence A-1 District to Residence B District:

Beginning at a point on the Southwesterly side of Hopkins Street at the intersection of the Westerly boundary of the present Business A Zone, the line runs

Southerly along said Business A boundary, three hundred fifty (350) feet; thence

Westerly by land now or formerly of J. G. and J. E. Houser, two hundred forty (240) feet; thence

Northerly by land of W. S. and R. N. Hopkins, one hundred forty-two (142) feet; thence

Westerly by said Hopkins land, two hundred one and 35/100 (201.35) feet; thence

Northerly by said Hopkins land and land of J. J. and P. A. O'Brien, three hundred twenty (320) feet; thence

Easterly by land of L. W. and R. A. Newhouse and land of E. J. and D. G. Perry, three hundred five and 18/100 (305.18) feet; thence

Southeasterly by said Hopkins Street, two hundred sixty (260) feet, to the point of beginning.

Meaning and intending to include those portions of lots 7, 8 and 9 presently zoned Residence A-1, all of said lots being shown on Plat 11 of the Assessors' Plans for the Town of Reading.

This motion did not pass. 26 voted in the affirmative
105 voted in the negative

ARTICLE 21. To see what sum the Town will raise by borrowing, or from the tax levy, or transfer from available funds, or otherwise, and appropriate for the purpose of adding said sum to the Stabilization Fund under authority of General Laws Ch. 40 Sec. 5B as amended, or what it will do in relation thereto.

On motion of Lawrence Drew it was voted that Article 21 be indefinitely postponed.

ARTICLE 22. On motion of C. Dewey Smith as amended by Richard B. Webster it was voted that the Town amend the building code by re-numbering Sec. 122.0 now therein appearing, Repetal and Enforcement, to Sec. 130.00, and by substituting as Section 122.0 a new section as follows:

Section 122.0. SWIMMING POOLS

122.1. DEFINITIONS

Swimming Pool: Means and includes every artificial pool of water having a depth of two feet or more at any point and used for swimming or bathing, located indoors or outdoors, together with bathhouse, equipment or appurtenances used in connection therewith.

Wading Pool: Means an artificial pool of water in a basin having a maximum depth of less than two feet and intended chiefly as a wading place for children.

Permanently Installed: Means a pool that is constructed into the ground or that is immovable or that is constructed or set upon the ground and is capable of containing 1400 cubic feet of water.

122.11. No permanently installed swimming pool or wading pool, either public or private, shall hereafter be installed without a permit first being issued by the Building Inspector.

For purposes of this Code, all public swimming pools and wading pools shall be subject to the regulations under Article VI of the Sanitary Code, Dept. of Public Health, Commonwealth of Massachusetts, adopted in accordance with Sec. V of Chapter 111 of the General Laws. Private pools or pools accessory to residences shall be subject to the hereinafter listed regulations.

122.12. **Drainage of Pools:** All permanently installed pools shall be provided with an outlet of sufficient size located at the deepest point to permit the pool to be drained in a reasonable time, or with a pump of sufficient capacity to allow the pool to be emptied in the same time as if an outlet were used. The outlet opening shall be covered with a suitable metal grate which shall have a total area equal to four (4) times that of the outlet pipe.

122.13. **Scum Gutters:** Scum gutters may be used in permanently installed pools. They shall extend around the entire perimeter and shall be provided with drains at least two inches in diameter located at ten foot intervals. Drains shall be connected to a suitable outlet pipe through a trap to a drainage system away from the pool. The outlet pipe must be separate and distinct from the drainage pipe specified in 122.12 above, and shall be at least twice the diameter of the gutter drains. Skim filters may be used in place of scum gutters.

122.14. **Circulation of Water:** Provisions must be made to equip the permanently installed pool in such a manner that the pool water will be maintained in a clean and sanitary condition at all times.

A continuous supply of clean water shall be provided for in order to completely change or filter the water in the pool at least once in each sixteen hour period of use.

If a filtering device is used, either the hand type, cartridge type or diatomaceous earth type will be acceptable provided the manufacturer certified its capacity. Either gravity or pressure type may be used.

Piping for recirculating systems shall be kept entirely separate from the town or domestic water supply system, which shall have no physical connection therewith. The water supply pipe shall discharge into the pool above the rim.

122.15. **Sanitation:** Means shall be provided for the sanitation of the water of permanently installed pools and the removal of solids suspended in the water or deposited on the sides or bottom of the pool.

122.16. Construction: Permanently installed pools shall be constructed watertight and the inside surface shall be made of a smooth non-absorbent material, with rounded or square corners and so constructed as to be easily kept clean. Complete plans of all permanently installed pools, including accessories in connection therewith, must be approved by the Building Inspector before any construction or alteration is started.

122.17. Grounding: No permit for the erection of a swimming pool shall be issued until a wiring permit to a licensed electrician has been issued to assure the proper grounding of the pool in accordance with the Massachusetts Electrical Code.

122.18. Fencing: All permanently installed pools, public or otherwise, and all other pools capable of retaining over two (2) feet of water shall be fully enclosed by a suitable fence not less than five (5) feet in height, and containing a gate which can be secured by a lock to insure small children being barred from the swimming pool area. Pools above ground with built-in fence six (6) feet high with gate will be accepted, provided the rails are not more than six (6) inches apart.

122.2. Zoning By-Laws: All swimming and wading pool locations must comply with Sec. VIII Para. 3 pertaining to garages, of the Zoning By-Laws of the Town of Reading, Mass.

On motion of C. Dewey Smith it was voted to take Article 1 from the table.

On motion of C. Dewey Smith it was voted that Article 1 be indefinitely postponed.

On motion of C. Dewey Smith it was voted to adjourn, sine die, at 11:00 P.M.

167 Town Meeting Members were present.

A true copy. Attest:

Boyd H. Stewart
Town Clerk

NOTICE TO PARENTS, HOUSEWIVES, PHYSICIANS AND MIDWIVES

Your attention is called to the sections below taken from the revised laws. Blank forms for return of birth can be obtained from the Town Clerk.

General Laws, Chap. 46, Sec. 3 (Tercentenary Edition) (As Amended by Chapter 326, Section One, Acts of 1939)

Every physician, or hospital medical officer registered under section nine of chapter one hundred and twelve, in this chapter called officer, shall keep a record of the birth of every child in cases which he was in charge showing date and place of birth, the name, if any, of the child, its sex and color, the name, age, birthplace, occupation and residence (including the street number, if any, and the ward number if in a city) of each parent, the maiden name of the mother and the name of the physician or officer if any, personally attending the birth. If the child is illegitimate, the name of and other facts relating to the father shall not be set forth except upon written request of both the father and mother; provided that if an illegitimate child shall have become legitimate by the intermarriage of his parents and the acknowledgement of his father, as provided in section seven of chapter one hundred and ninety, prior to the mailing or delivery of any report herein required such report shall read in all respects, as if such child had been born to such parents in lawful wedlock. Said physician or officer shall, within 15 days after such birth, mail or deliver to the clerk or registrar of the town where such birth occurred, a report stating the facts herein above required to be shown on said record and also the said written request, if any; provided that if said report is not so made within forty-eight hours after such birth, said physician, or officer shall, within said forty-eight hours mail or deliver to said clerk or registrar a notice stating the date and place of the birth, the street number, if any, the ward number if in a city, and the family name. Upon presentation to him of a certificate of the town clerk stating that any such birth has been duly reported, the town treasurer shall pay to such physician or officer a fee of twenty-five cents for each birth so reported. Any physician or any such officer violating any provision of this section shall forfeit not more than twenty-five dollars. The said town clerk or registrar shall file daily with the local board of health a list of all births reported to him, showing, as to each, the date of birth, sex, color, family name, residence; ward and physician or officer in charge.

Within sixty days after the date of the birth of any child born in the commonwealth with visible congenital deformities, or any condition apparently acquired at birth which may lead to crippling, the physician in attendance upon said births shall prepare upon a form provided by the state department of public health and file with the clerk of the town where such birth occurred a report setting forth such visible congenital deformity, or any condition apparently acquired at birth which may lead to crippling.

Said clerk shall transmit forthwith to said department such supplementary report of such births. The contents of such report shall be solely for the use of said department in connection with its functions relative to crippled children, and such report shall not be open to public inspection or constitute a public record.

General Laws, Chap. 46, Sec. 6

Parents within forty days after the birth of a child, and every householder, within forty days after a birth in his home, shall cause notice thereof to be given to the clerk of the town where such child is born.

General Laws, Chapter III

Sections 110 and 111, require physicians, registered hospital medical officers, nurses or other attendants to report at once to the local board of health, every child one or both of whose eyes become inflamed, swollen and red and show an unnatural discharge within two weeks, after birth.

REPORT OF THE BOARD OF SELECTMEN

The Board of Selectmen was organized for the year 1968 with C. Dewey Smith, Chairman; Robert S. Cummings, Secretary; and Fred C. Kenney, Jr., as third member. Boyd H. Stewart has served as Clerk to the Board and Mrs. Dorothy Maxwell as secretary.

Mr. Smith represented the Board on the negotiating committee responsible for bargaining with representatives of town employees and has attended the annual bargaining session. Mr. Smith also continued to act as the representative of the Town on the MBTA Advisory Board.

The Board entered into a contract for the purchase of the new fire engine approved at the annual Town Meeting and voted to approve a mutual aid pact with the Fire Department of the City of Boston, covering civil disturbances.

Maurice H. Donegan retired as Moth Superintendent after having served the Town faithfully for thirty-four years. Mr. Donegan's contribution to the welfare of the Town, both as Moth Superintendent and in the many other capacities in which he has served, has been great, and we wish him a long and happy retirement.

A new bucket truck was purchased for the Tree and Moth Department.

IBM Voting Machines were purchased and used in the four elections held in 1968. Voting with these machines went smoothly, and the results of the November election, in which almost ninety percent of our registered voters voted, were available about two hours after the last ballot had been cast.

A study committee was appointed by the Board to aid in developing a program for the use of the Community Center. Pending the establishment of such a program, a modest refurbishing of this building has been undertaken, the interior painted and cleaned, and a full-time janitor employed.

A number of meetings concerning the possible establishment of a regional hospital have been attended. A number of meetings have also been attended concerning the proposed Sentinel anti-intercontinental ballistic missile facility to be constructed by the Army.

The town boundaries were perambulated in the fall with officials from our six neighboring communities.

United Nations Day in Reading, sponsored by the Board, was very capably organized by Mrs. Robert Sponberg and featured a luncheon address by former U. S. Senator Leverett Saltonstall.

The Board accepted, on behalf of the Town, the WNAC-TV Community Achievement Award, and the Town was recognized by a week-long series of spot features on television.

The advent of the package store posed a new problem which no Board in Reading has been faced with for over a century. In accordance with an in-

struction from Town Meeting, the Board considered the establishment of a retail liquor outlet to be operated by the Town. As a result, an article has been inserted in the warrant for the Annual Town Meeting calling for the establishment of a municipal authority to engage in the sale of liquor.

The names of 50 residents were drawn for jury duty, five dog hearings were held, and various other hearings were conducted. In addition, the usual licenses and permits were acted upon.

Respectfully submitted,

Board of Selectmen

By Robert S. Cummings, Secretary

READING HOUSING AUTHORITY

ANNUAL REPORT FOR THE YEAR 1968

The Reading Housing Authority has completed the second year in the Management Phase of its Housing for the Elderly on Frank D. Tanner Drive in Reading and has gone ahead with plans to add five more buildings (40 units) to the project.

At the Town Election in March, Mr. Edouard N. Dube was elected as a member of the Reading Housing Authority to replace Mr. William H. Dolben, Jr., whose term had just expired.

The Authority wishes to publicly acknowledge with gratitude Mr. Dolben's five years of service as a member and as Chairman of the Authority. His fine leadership in seeing through to completion the first six buildings (40 apartments and Recreation Building) with reference to both construction and occupancy was an outstanding service to the community.

At its Annual Meeting on April 8, 1968, the Authority elected the following officers for the ensuing year:

Gilbert M. Lothrop — Chairman

Mrs. Margaret J. Moore — Vice-Chairman

Philip R. White, Jr. — Treasurer

Ralph J. Bens — Assistant Treasurer

Edouard N. Dube — Assistant Secretary

Mrs. Nathalie C. Beaton was appointed Executive Director and therefore also Secretary of the Authority in accordance with the By-Laws.

The scale of rents has not been changed since the buildings were first occupied, with the minimum rent at \$62.00 per month including utilities. All rents have been paid when due.

Tax exemption was granted by the Reading Board of Assessors for the year 1968, as it was the previous year.

At the Annual Town Meeting under Article 58 of the Warrant, the Town of Reading voted approval to the Reading Housing Authority to build not more than 55 additional units to be known as Project #667-2. In June the Authority voted to build 40 additional units in five buildings on land already owned and extending from the present project to the Mineral Street bridge. These apartments are to be similar to the ones already built except that there will be two regular sized windows in living rooms rather than a large picture window with two small windows at each side. A few other minor changes are to be made and it is expected that the Recreation Building will be enlarged somewhat. It was decided to have the same architects for this project as for the previous one, namely, Edward Sears Read and Associates of Boston.

Early in June a Fourth Series of Notes totaling \$526,000 was issued and sold with the approval of the Division of Housing, the proceeds of which, with other funds, were used to pay off the principal and interest of the maturing Third Series of Notes totaling \$534,000 for the first project #667-1.

On December 4th the First Series of Notes for project #667-2 totaling \$720,000, guaranteed by the Commonwealth of Massachusetts, were sold to provide funds for the construction of the second project.

For the fiscal year July 1, 1967, through June 30, 1968, a subsidy was received by the Authority from the Commonwealth of Massachusetts in the amount of \$15,450 covering debt requirements for #667-1 for the most part. A balance sheet as of June 30, 1968, is attached to and made a part of this report.

For the fiscal year July 1, 1968, through June 30, 1969, a subsidy in the amount of \$20,450 for project #667-1 has been approved by the Division of Housing. A balance sheet as of December 31, 1968, is attached to and made a part of this report.

In late August two members and the Executive Director of the Middletown Housing Authority visited the Reading Housing for the Elderly for suggestions and help in opening their first project early in September.

There have been many activities of interest and benefit to the tenants in the Recreation Building this year. The Forty and Plus Club of the tenants has held monthly meetings as well as a number of card parties and on December 17th served a delicious turkey dinner to the members and staff of the Authority as well as to themselves and some friends. This was an unusually pleasant occasion. Several outside groups have entertained the tenants and served them in other ways.

An Educational and Recreational Program was started in the fall for tenants and other elderly residents of Reading. The program consists of the following:

Library Group — Once a month one of the librarians from the Reading Public Library comes with a selection of books that can be borrowed and gives a talk about books.

Knitting Class — One two-hour class once a week.

Oil Painting Class — One two-hour class every other week.

Ceramics Class — One two-hour class every other week.

Variety Crafts Class — One two-hour class every other week.

Up to now the elderly people participating have been paying the cost of instruction and supplies in the Knitting, Oil Painting, and Ceramics Classes, but cannot afford to do so for very long. There has been no charge for the Variety Crafts Class, which has a volunteer leader, or for the Library Group. The Housing Authority is preparing an application for a Title III Federal Grant, which if awarded would meet some of the costs; and an Advisory Committee of twelve interested Reading Citizens has just been formed to look into other means of support for this program, which has been very enthusiastically received by the present participants and which seems to fill a very real need among the elderly. Outstanding work has already been done in all the classes.

The Authority feels that the year has been one of real accomplishment and looks forward to providing low-cost housing for twice as many of Reading's older people in another year or so.

Respectfully submitted,
Nathalie C. Beaton
Executive Director and Secretary

REPORT OF THE POLICE DEPARTMENT

Honorable Board of Selectmen
Municipal Building
Reading, Mass.

Gentlemen:

Following is the report of your Police Department for the year 1968:

The Department is presently operating with a force of 35 men, consisting of Chief, 3 Lieutenants, 3 Sergeants, Inspector, Safety Officer and 26 Patrolmen.

On February 29, 1968, Safety Officer Patrick J. Pantano retired after serving as a member of the regular Police Department since July 24, 1942. Prior to his appointment to the regular Police Department, he served as a member of the Reading Police Reserve for ten years.

Officer Joseph W. Cormier was appointed to fill the vacancy created by the retirement of Safety Officer Pantano, and is continuing the program of

safety education in the schools and kindergartens, and investigation of causes of motor vehicle accidents. The Safety Officer's work is greatly aided by the generosity of the local car dealer who donates a car to the Town each year for this worthy enterprise.

Gerald C. Powers and Paul F. Cassidy were appointed Patrolmen on September 29, 1968.

I wish to report at this time that the Police Annex, which is under the control of the Reading Police Department, has been completely restored to first-class condition, and this has been done at a minimum cost to the Citizens of the Town.

The Police Department has an Article in the Town Warrant for radar equipment for the Town of Reading. We feel that this equipment will do much to alleviate complaints from residents of speeding by motor vehicles in the Town.

The members of the Police Reserve have rendered another year of invaluable service to the Town. These men are trained to operate all phases of work in this Department, and serve at all special occasions and handle traffic duty for the various Churches. The time and effort expended by the men of the Police Reserve are donated to the Town without monetary compensation, and these men deserve the thanks and appreciation of all Citizens.

Also complementing our Regular Police Department is our force of thirteen School Traffic Officers who handle most of the school traffic. These men, who are mostly retired, have proved to be devoted to their duties and are a great asset to this Department and the Town.

Following are the arrests and various services performed:

Arrests	162
Motor Vehicle Violations	948
Parking Violations	469
Juveniles apprehended	104
Juvenile cases in Court	31
Special investigations	191
Ambulance trips	428
Auto accidents investigated	151
Teletype messages sent	325

Fees Collected

Ambulance Fees	\$1,621.00
Bicycle Plates	102.75
Revolver Permits	506.00

Motorized Equipment

- 1 1964 Cadillac ambulance
- 1 1965 Ford sedan

- 1 1968 Chevrolet sedan (Chief's car)
- 1 1967 Ford sedan (cruiser)
- 1 1968 Ford sedan (cruiser)
- 1 1968 Chevrolet sedan (cruiser)
- 1 1968 Ford sedan (Safety Car)

I would like to take this opportunity to thank the Board of Selectmen and the Citizens of the Town of Reading for their continued support of their Police Department.

Respectfully submitted,

JOHN F. BEAUDOIN

Chief of Police

REPORT OF THE BOARD OF HEALTH

To the Honorable Board of Selectmen:

Your Board is persuing a more aggressive program under the full time Health Agent, James J. Nugent, Jr.

Swab Tests have been done in all School and Town Cafeterias. with good results, in the majority. Those that did not measure up have been notified. A rat extermination program, at our Town dump, is anticipated.

Free immunization of children for Diphtheria, Tetanus and Whooping Cough is done annually, as is Tuberculous screening by Tine and Mantoux Tests. Also rabies immunization for dogs is offered and should be a must for all dogs.

After some 35 years of service the Dental Clinic has been phased out by Medicaid. With fluoridated water perhaps the dental aspect of Medicaid can be phased out.

Respectfully submitted,

Dr. Robert W. Wakeling

REPORT OF BOARD OF HEALTH DIRECTOR

To the Board of Health

Gentlemen:

Number of Inspections made for year ending December 31st, 1968:

New Sewage System Installations and Inspections	76

Showers	63
Urinals	11
Sinks	322
Laundry Trays	10
Dishwashers	104
Disposals	4
Washing Machines	80
Drinking Fountains	5

Sewer Connections	30
MDS Traps	1
Dental Units	6
Bidets	2
Dipper Well	1
Bed Pan Washers	2
Cesspools	2

Fees for permits \$2,792

Respectfully submitted,

William R. Harrison
Plumbing Inspector

To The Honorable Board of Selectmen: —

I herewith submit my report as Dog Officer to December 31, 1968.

I have canvassed the town to see that all dogs have been licensed.

All complaints have been investigated.

For the year ending December 31, 1968 there were as follows:

35 unlicensed dogs caught.

6 Dogs were disposed of for the County.

2 Dogs were sold for the County.

10 Dogs were claimed by their owners.

17 Dogs were turned over to Harvard Medical School, which is mandatory under the General Laws (Chapter 49A - S. 3)

150 Dogs were reported lost during the last year.

At this time I wish to thank the Reading Police Department, Former Dog Officer Dewsnap and the Town Clerk's Office for their help during the past year.

Respectfully submitted,

George S. Zanni
Dog Officer

ANNUAL REPORT OF VETERINARIAN — 1968

To The Honorable Board of Selectmen:

Gentlemen:

I hereby submit my report as Inspector of Animals for the year January 1, 1968 to January 1, 1969.

Eighty five dogs, three cats, 1 chipmunk and 1 Gerbil were put in quarantine this year for biting or scratching individuals. One chipmunk was sent to the laboratory for Rabies examination after a youngster picked the injured rodent up in the street and got bitten. However, all subsequent reports were negative.

The annual inspection of all barns and sheds housing livestock, and the livestock within the town was conducted as per request of the Division of Animal Health, disclosing there to be 21 cows and young stock, 45 horses and ponies, 1 goat and 5 sheep.

No contagious infectious diseases were noted.

Respectfully submitted,

Gardiner A. Lester DVM
Inspector of Animals

REPORT OF THE BOARD OF APPEALS

To the Board of Selectmen:

The undersigned submit their report for the Board of Appeals of the Town for the year 1698.

The Board heard 32 cases on eleven hearing dates. Thirty-one of these had to do with variations from the Zoning By-Laws, and one from the Building Code. Twenty-two petitions were granted. Ten were denied.

At the close of the year, one additional application had received publication pending hearing in January, 1969.

David K. Young, Chairman
James H. Watts III
Ernest L. Gissler

REPORT OF THE MOTH SUPERINTENDENT

To the Honorable Board of Selectmen:

I submit my report as Moth Superintendent for 1968.

The twenty-eight diseased elm trees left from 1967 were removed and burned before April first.

About two hundred elms were checked for Dutch Elm Disease. The University of Massachusetts Shade Tree Laboratory at Amherst certified seventy-nine trees as being diseased, seventy-three of these trees have been removed and burned. The six remaining trees will be removed as soon as we receive release forms from the property owners.

A dormant spray of Methoxchlor for the control of the Elm Bark Beetle the carrier of the Dutch Elm Disease was applied to all the public Elms by Helicopter.

The spray for the control of Leaf Eating Insects and other pests was applied as usual. In many cases it was necessary to apply a late second spray to control the Oak Leaf Skeletonizer.

I take this opportunity to thank the Board of Selectmen, the men of this department and all others who assisted me in the past year.

Respectfully submitted,

Maurice H. Donegan
Moth Superintendent

REPORT OF THE TREE WARDEN

To the Citizens of Reading:

I submit my report as Tree Warden for 1968.

Seventeen Elms were removed from the roadside infected with Dutch Elm Disease. It was also necessary to remove eighty-three additional trees, seven of these trees were removed to assist sewer construction on Brook Street, three were removed to widen High Street, the remaining seventy-three were either dead or in a dangerous condition.

One hundred and one new trees were planted. Most of these new trees were planted on private property adjacent to the sidewalk.

The low branches and dead wood were removed from twenty-one streets. The light wires were also cleared on these streets. The Electric Light Department paid for this line clearance.

I take this opportunity to thank the men of this department, the Police Department, Electric Light Department, Board of Public Works and the many private citizens who assisted me in the past year.

Respectfully submitted

Maurice H. Donegan
Tree Warden

TOWN FOREST COMMITTEE ANNUAL REPORT

To the Citizens of Reading:

We submit our report for 1968.

The Adjourned Annual Town Meeting in 1965 voted to take by eminent domain approximately twelve acres of land owned by the Trustees of the

Laura Realty Trust, an area known as Scrub Oak Hill. The former owners took the case to court, and it was decided by judge and jury in 1968 the amount of damages the Town was liable to the owners. The Special Town Meeting in December 1968 voted this sum, and now the Town has a clear title to this land to be held for Town Forest purposes.

Three parcels of land were voted at the Adjourned Annual Town Meeting in March 1968 to be added to the Town Forest. Two parcels totalling approximately six acres were purchased from one party, and approximately six more acres from another party.

Boy Scouts planted two thousand red pine saplings in the southern part of the Ordway Pit Area. Other Boy Scout projects included removing limbs from trees, clearing brush from the woods, making a corduroy road across a swamp, and picking up rubbish. Scouts camped in the woods in all seasons of the year. They are learning good conservation practices and the love of nature. As a result of these activities, boys, as well as trees, are growing in the Town Forest.

Meetings were held with the leaders of the Camp Fire Girls to discuss a camp site for their activities.

The Junior Chamber of Commerce had a work day in the Town Forest. Members cleared brush from the Cranberry Dam, and from the wood road leading to it.

The recommendations of our State Forester, Willard H. Estes, Jr., have been continued. The Town was reimbursed \$200.00 for some of this work which was done in cooperation with the United States Department of Agricultural Stabilization and Conservation Service.

The Town Forest Committee voted at a formal meeting to keep the Bancroft Island as a Wilderness Area in keeping with the wishes of the Bancroft family.

A growing activity in the Town Forest is bird watching throughout the year. David Galvin reports eighty-eight different species of birds were seen in the Forest in 1968.

Each year finds more family groups taking walks through the Forest to enjoy the natural beauty of the area.

The Board of Selectmen and the Town Forest Committee met to discuss the discharge of firearms in the Forest. The Selectmen unanimously voted to issue no permits to discharge firearms in the Town Forest.

Mrs. Ruben E. Thelin has found and marked rare shrubs in the Forest. This will add to the interest of the hikers and students of nature.

Our Town Counsel, James W. Killam, III, working with the Town Forest Committee filed in the Southern Middlesex Registry of Deeds copies

of three votes taken in past years at Town Meetings to dedicate Town owned land to the Town Forest.

Our Town Forest has grown in size and use since it was first considered and reported in the Annual Report of Town of Reading for 1922.

Respectfully submitted,

James S. Perry, Chairman
Benjamin E. Nichols, Secretary
Maurice H. Donegan

BOARD OF CEMETERY TRUSTEES

SUPERINTENDENTS REPORT

To the Board of Cemetery Trustees:

The following is a report on the operation of the Town Cemeteries for the fiscal year ending December 3, 1968. The data listed below is from office records:

INTERMENTS

	Laurel Hill	Forest Glen	Total
Adults	39	81	120
Cremations	4	1	5
Stillborn	1	1	2
	—	—	—
	44	83	127

Total interments for all years

Laurel Hill	Forest Glen	Total
7,537	1,344	8,881

SALE OF LOTS AND GRAVES

4 Grave lots 0	16	16
3 Grave lots 0	4	4
2 Grave lots 0	38	38
Single lots 0	8	8
Baby Graves 0	3	3
Veterans Graves (Free)	6	6

Total number of lots and graves sold to December 31, 1968

Lots	1,416	891	2,307
Graves	1,142	254	1,396

Foundations Installed

Monuments	4	30	34
Markers Set	16	5	21
Government Markers Set (Free)		12	12

Additional Perpetual Care on Lots — 5 in Laurel Hill for a total of \$1,525.00.

PERMANENT IMPROVEMENTS

The repaving program started a few years ago in Laurel Hill and Forest Glen Cemeteries now has been completed. Preliminary grade adjustments and repairs were made by department personnel with the final surface being applied by Trimount Bituminous Product of Everett. In all 409 tons of material was used. The pavement on the most used avenues should last for many years without further attention.

During the winter of 1968 the trees in Laurel Hill were trimmed of dead and undesirable branches. Several trees were found to be unsafe and were completely removed. To replace these losses, a number of deciduous flowering trees were planted. It is planned to have this a continuing program so that in a few years the Cemetery areas should be more attractive than ever.

To increase the efficiency of ground maintenance several paths and low areas were loamed and seeded. This program has advanced to a point where large equipment may be used for this phase of the work.

CHARLES STREET

The clearing and filling of this area continued as outlined and planned. During the off-season months our work force was used to clear an additional acre. At a later date, the stumps were removed and burned. Approximately 10,000 cubic yards of select fill material was purchased, placed and rough graded. As in years past, we made every effort to obtain surplus material from outside construction projects so that the development cost can be kept at a minimum. This year we were fortunate in obtaining 700 cubic yards of surplus material from the D. P. W. sewer contracts. In addition, at our request, the Board of Selectmen promised to alert the contractors on the A. B. M. program to our needs. This would undoubtedly have given us quite a bit of material had the work not been halted.

Up to date, we have cleared about 4 acres and filled in about 3 acres, all of this being in the most difficult part of the land where the peat is about eleven feet in depth. Because of this depth we are surcharging the filled area with two feet of additional fill. Later on in our program, we hope to salvage part of this additional fill to use elsewhere on the lot, but meantime it is helping to compact the peat that much more.

Progress at this stage of the development is slow and unspectacular, but we are creating a plot of land easily adopted to cemetery development at a minimum cost.

MISCELLANEOUS

In December the Cemetery Office in the Town Building was moved to Room 3 in the basement. The larger facilities were badly needed and will allow more room for the vital records of the department.

Respectfully submitted,

J. Henry Vik — Superintendent

The Report of the Superintendent as submitted is hereby approved by the Board of Cemetery Trustees and constitutes its Report to the Town.

REPORT OF CUSTODIAN OF SOLDIERS' AND SAILORS' GRAVES

To the Honorable Board of Selectmen:

As required by Section 9, Chapter 115 of the General Laws of Massachusetts, the following is my report for the year 1968.

Where Veterans of the armed services have served in more than one war, insurrection or conflict, the following listing gives the veteran credit for only one.

Veterans	Credited Service
41	Revolutionary War
12	War of 1812
2	Mexican War
291	Civil War
1	Indian War
29	Spanish War
33	Massachusetts State Guard
203	World War I
93	World War II
4	Korean War
4	United States Air Force
5	Viet-Nam War
718 Total	

There were 23 veterans interred in the Town Cemeteries in 1968.

World War I

George Davis, Lot 969, Forest Glen, died March 4, interred March 7, 1968.

Carl Kempton, Lot 747, Forest Glen, died March 7, interred March 9, 1968.
Amos Patch, Lot 862, Laurel Hill, died March 29, interred April 2, 1968.
Philip Welch, Lot 83, Forest Glen, died June 26, interred June 29, 1968.
Elmer Wilder, V.G. 106 Forest Glen, died August 2, interred August 5, 1968.

Edward Smith, Lot 309 Forest Glen, died August 19, interred August 23, 1968.

George Rogers, V.G. 108 Forest Glen, died September 1, interred September 4, 1968.

Chester Putnam, Lot 371, Forest Glen, died November 1, interred November 4, 1968.

Walter Rowell, Lot 96, Forest Glen, died November 23, interred November 25, 1968.

Clarence Thomas, Lot 637, Forest Glen, died November 23, interred November 25, 1968.

Phineas Killam, Lot 676, Laurel Hill, died December 1, interred December 6, 1968.

World War II

Richard Keeler, V.G. 61, Forest Glen, died January 9, interred January 12, 1968.

John Cullinane, Lot 611, Forest Glen, died April 10, interred April 12, 1968

Roy Goodridge, Lot 1122, Laurel Hill, died June 17, interred June 20, 1968.

John Lindsay, Lot 779D, Forest Glen, died August 1, interred August 3, 1968.

Joseph Cahill, V.G. 107, Forest Glen, died August 10, interred August 13, 1968.

William Gordon, V.G. 109, Forest Glen, died September 5, interred September 9, 1968.

Lawrence Desmond, Lot 917, Forest Glen, died October 26, interred October 29, 1968.

James Kelley, Lot 960, Forest Glen, died November 11, interred November 14, 1968.

State Guard

Elmer Jones, Lot 690, Forest Glen, died January 18, interred January 20, 1968.

Harold Parker, Lot 437, Laurel Hill, died July 9, interred July 12, 1968.

Fred Thorn, Lot 589, Laurel Hill, died September 19, interred September 21, 1968.

Viet Nam

Richards Kearns, V.G. 128, Forest Glen, died May 5, interred May 9, 1968.

Respectfully submitted,
Harold F. Davis, Custodian

REPORT OF VETERANS' AGENT

Board of Selectmen
Municipal Building
Reading, Mass.

Gentlemen:

I respectfully submit my Annual Report as Veterans' Agent and Director of Veteran's Services for the year 1968.

Recipient Expenses	\$ 89,269.35
Recipient Aided	91 cases
Medical Aided	61 cases
Fuel Aided	22 cases

Veterans' Services

Disability Compensation and Pension Applications	47 cases
Hospitalization and Out-Patient Treatment	37 cases
V. A. Questionnaires, Insurance, Abatements	56
Bonus Applications	342

It became necessary this year, because of inflation, labor disputes, Viet-Nam benefits, and increases in recipient budgets, to request a transfer of monies from the Reserve Fund in the amount of \$24,500.00 to meet these expenditures.

Respectfully submitted,

Donald T. Taylor
Veterans' Agent
Veterans' Service Dir.

ANNUAL REPORT OF THE COUNCIL FOR THE AGING

This year, as usual, the Senior Citizens have had several bus rides, which they enjoy very much. They always stop somewhere for dinner.

The first trip was to Portsmouth, N. H., for dinner, then up through the country to the Old Village Store. Another day they went to Canobie Lake and spent the day. There was also a trip to Westport for dinner, after which they toured New Bedford and saw historical sights.

In August they went to "The Ship" on Route 1 for dinner and to Salem Willows for the afternoon. It was a glorious day. The ocean and sky were the most beautiful shade of blue.

In October, they went to Manchester for dinner and a foliage trip. In November, they had a Thanksgiving Dinner at the Church of the Good Shepherd. There were 147 present. Guests were the clergy of the town.

On December 5, one bus load of Senior Citizens went to the Burlington Mall Shopping Center. On December 18, a Christmas party was held at the Church of the Good Shepherd with Santa Claus present.

The Committee has tried to give the Senior Citizens a few pleasures that otherwise they would not have been able to have. They are asking for the same amount of money to use next year.

Elizabeth F. Nelson, Chairman

ONE HUNDRED FOURTEENTH REPORT OF THE FIRE CHIEF

REPORT OF THE FOREST WARDEN

AND THE SUPERINTENDENT OF FIRE ALARM

To the Honorable Board of Selectmen

Gentlemen:

The report of the Fire Chief, Forest Warden and Superintendent of Fire Alarm for the year of 1968 is herewith submitted.

MANUAL FORCE. The Permanent Force consists of Chief, Deputy Chief, 2 Captains, 7 Lieutenants, 29 Privates and a Clerk. There are 7 Call Fire Fighters. The Auxiliary Fire Service consists of 20 active men.

APPARATUS. Located at the Central Station are: Engine 1, a 1,000 gal. Pumping Engine in reserve; Engine 3, a 1,000 gal. per min. Pumping Engine; Engine 4, a 500 gal. per min. Pump; Engine 6, a 750 gal. Engine; a one-half ton pickup truck and the Deputy's Car.

At Station 2, Woburn Street: Ladder 1, an 85 ft. Aerial Ladder truck; Engine 2, a 1,000 gal. Pumping Engine; Engine 5, a 400 gal. Engine, manned by the Auxiliary Fire Service; Engine 8, a 500 gal. trailer pump; Fire Alarm truck with 32 ft. ladder; Civil Defense Rescue truck and the Chief's car.

SERVICE RECORD. During the year the department responded to 216 bell alarms, 23 of which were false. There were: 512 Still and Telephone alarms, 3 of which were false; 290 Service calls. There was 1 second alarm. Reading apparatus responded to other communities 62 times. Calls to Fires in Buildings or Dwellings 15, Grass and Brush 119, Town Dump 35, Automobiles 30, Incinerator and Leaves 32 and 37 calls for resuscitator and oxygen use. Tests made for gas, 10. Assisting persons locked out or in, 42. Assistance rendered to Police, 20.

Permits issued: Power burner and Oil storage, 53; Blasting, 37; Special permits, 6. Many permits issued for fire in the open air.

The fire loss for 1968 as reported to date on property endangered (valuation \$201,468.90) is \$48,842.95, a decrease of \$32,749.64 from 1967. Insurance paid for fire loss is \$25,096.95.

FIRE PREVENTION. Inspections have been made of nursing homes, rest homes, schools, kindergartens and stores as available man power permitted.

TRAINING. One fire fighter attended the Heavy Rescue fire fighting courses at Topsfield. Six men attended a training weekend at Fitzwilliam, New Hampshire. Use of the old Nike site for training and demonstrations has been continued.

FIRE ALARM. Some damage was sustained by the system as a result of broken primary wires which necessitated the replacement of one master box. Fire alarm lines were extended to the Pumping Station at Strout Avenue, and all necessary tests and repairs to the system have been made.

RECOMMENDATIONS. The addition of 2 more permanent men in 1969 — this would provide for 12-man shifts. The replacement of a radio and a first-line pumping engine.

I take this opportunity to thank those who have assisted me in the department during the year.

Respectfully submitted,

James S. Perry, Chief of the Fire Department

Forest Warden and Superintendent of Fire Alarm

TOWN COUNSEL REPORT

1968

To the Law Committee —

The year 1968 was an active one in the Legal Department commencing with argument before the full bench of the Supreme Judicial Court of the Case of **Addison Wesley Publishing Co. v. Town of Reading** to determine the validity of the Town By-Law allowing high-rise office building in Business "C" Zone. The Supreme Court decision sustained the validity of the By-Law and the position of the Addison Wesley Publishing Company and the Town of Reading, and affirmed the decision against the intervenors by the Land Court. As a result of this decision construction (with a height not exceeding 85 Feet among other things) was authorized in a business "C" Zone.

The case of Drinkwater against the Town of Reading for assessment of damages in the Town Forest Taking in the area known as Scrub Oak Hill came to trial and the jury verdict upheld the Town's position that the large amount of gravel in the 12 acres taken could not be removed for sale under the Town By-Law and could not be transported over the Town Forest roads and therefore was not a determining factor in the value of the land

taken. The exposure of the Town to liability in this case was large and the jury award of seventeen thousand and nine hundred dollars (\$17,900.00) for the twelve or more acres taken was highly gratifying.

The sale of land to McManus for access on the Reading-Wakefield line at North Avenue was concluded with appropriate restrictions at a price somewhat in excess of twice the amount authorized by the Town meeting.

Of the four appeals by commercial interests to the Appellate Tax Board from the valuations arrived at as a result of a re-evaluation of property within the town, one has been settled in the amount suggested by the Town and three are still pending.

On July 1, 1968, the Board of Public Welfare went out of existence and the Commonwealth took over the welfare functions within the Town. Four suits involving statutory liability for Reading residents treated at Massachusetts General Hospital prior to the State take-over were instituted against the Town. One of these was tried, two others were settled and in the fourth liability was denied by the Town and the case will eventually be defended. Suit for reimbursement has been commenced in one of the cases where third party liability is a possibility.

There have been a number of traffic light and fire alarm knock-downs during the year. Claims have been presented to persons liable for these and three recoveries in the full amount have been made to date.

Legal activity on behalf of the Municipal Light Department has been extensive. The cases of the tax appeals in the Town of Wilmington and the Town of North Reading for over-evaluation of the light plan personal property in those towns are pending and are expected to come up for trial very shortly. The land takings and acquisitions for a high voltage transmission line were authorized at the December 9, Town meeting which was finally adjourned on January 6. Negotiations for purchase price have been successful in all but three of the nine parcels involved.

The School Construction Committee was advised on the construction contract for the J. Warren Killam Elementary School and that contract was approved as to form. The bonds and notes for the borrowing for this school were reviewed before issuance.

There have been three claims for injuries as a result of defects in public way. One has been settled favorably to the Town and two are pending.

An appeal was taken from the decision of the Board of Appeal authorizing construction on a lot on Harriman Avenue in the case of **Lothrop v. Sheehy et als.** Town Counsel defended the Board of Appeals. The Superior Court after trial upheld the decision of the Board of Appeals.

While most of the advice on labor matters and negotiations has been rendered by Mark Gallagher, Esq. special labor counsel to the Town, Town Counsel has participated in any proceedings before constituted authority

or tribunal. Town Counsel has been present at the regular meetings of the Board of Selectmen, has attended regular meetings and special meetings of other Boards and special Committees on request, has written opinions and rendered advice to Town Officers, Town Boards, has prepared and recorded instruments and filed pleadings as required and has performed the professional acts required of the Town Counsel in the duties of that office.

Your Town Counsel expresses appreciation for the cooperation of all of the Town Boards and Officers for the year 1968.

Respectfully submitted

James W. Killam, III

Town Counsel

ANNUAL REPORT

of

THE READING PUBLIC LIBRARY

for the year ending

December 31, 1968

REPORT OF THE PUBLIC LIBRARY

For the Reading Public Library, 1968 has been a year of work and problems, but hope and progress in many areas.

At a special Town Meeting on June 10th, the Library Trustees were granted their request for appointment of a Library Building Committee, and a grant of \$5,500 to be used for architectural fees and engineering expenses connected with planning an addition to the existing Library Building. This was the first affirmative vote for the Trustees in their long campaign to acquire additional library space. The Building Committee has been hard at work since mid-summer and expects to present a building program to Town Meeting in March 1969. Everyone connected with the Library hopes this represents a breakthrough in our effort to obtain more space in order to continue library service at its present level — much less to increase it to meet continually increasing demands.

That demands are continually increasing is evident from a quick glance at year-end statistics. Total circulation has increased by 5.78%, and borrower registration by 6.95%. Our reading index of 12.2 volumes per capita is one of the highest in the state, and indicates that the people in Reading use their library far more than the average town. We are also gratified by the increasing numbers of adults who use the Reading Room regularly for reference work or to enjoy periodicals and new books — and who may or may not leave any statistical evidence of their use.

Since both the School Department and Public Library are involved in building programs this year, it seemed particularly desirable for each department to know what the other planned for facilities and service. In February the two Boards met, together with their administrators, to discuss the various possibilities for development of library service and the relationship of the two departments. They authorized the Librarians to establish a Union Catalog and to coordinate services wherever practicable and desirable. In April they released a Joint Statement of Policy recognizing the need for two library systems and outlining their purposes and guidelines for development. The School Library would undertake to provide material required in quantity for classroom assignments, and the Public Library would provide material of a more general nature for use by the entire town, including the materials needed by students for individual projects, and special assignments. Again in December, the Boards met with the Library Building Committee to review plans and the policy agreed upon earlier was reaffirmed.

The Union Catalog has been started in an experimental form. Computer run-offs of new acquisitions are used as supplements to the main Card Catalog. The work is handled through the data processing department of the High School. Time alone will reveal its usefulness, but early indications are encouraging.

The Librarian became convinced that many avenues of cooperation could be explored if basic equipment were available. She applied for and won a Federal Library Services and Construction Act — Title I Grant of \$5,300 to

coordinate services of the Public and School Libraries. The funds will not become available until 1969, but we look forward to having available a copier, a microfilm reader-printer, back issues of magazines on microfilm, and other equipment to be used to make our materials more readily available to students and teachers.

In spite of limitations due to crowded work areas and public rooms, we have continued to expand our services and key our collection to public needs and interests. We extended the hours of service to the public by opening one-half hour earlier each morning. In February we opened a paperback collection in the Young Adult area, and it has proved one of the most successful innovations we ever attempted. The record collection was expanded to include the "spoken word" and the fifty records of poetry and drama added have proved very popular. Areas of the collection receiving special attention were social studies and literature. The many gifts in memory of Mrs. Isabelle Hedges were used to supplement our normal purchases in these fields. This fund alone allowed us to purchase thirty-six volumes. In addition, we received thirty-one other memorial books, and miscellaneous gifts bringing the total to one hundred seventy-six. As a result of interest in racial unrest and urban problems, we expanded our material in these subjects, and devoted our Library Week reading lists and public program to Negro Leadership. We are now able to borrow films as well as books from the Boston Public Library and find steadily increasing interest in this service.

We have expanded our service to shut-ins to include delivery of books once a month to the Old Age Housing Project as well as to Nursing Homes, and with the cooperation of the Social Action Committee of the First Congregational Church, we have been able to supply books to those few who wish books brought to their homes. The large print books continue to be popular. New titles have been added to this collection and we are grateful to the Reading Lions Club for a subscription to the Reader's Digest in large print. The weekly story hour for pre-schoolers was as popular as ever.

The year brought many changes in personnel. In April Mrs. Janice Carter left after eight years of service, and in September Mrs. Pauline Puglisi and Mrs. Dorothy Leach left for positions in other towns. Mrs. Marian Webster and Mrs. Jeannette Warren filled the first two vacancies, and Mrs. Ruth Leamey, formerly with the Fairfax County Library, Fairfax, Virginia, came to us as Young Adult Librarian. In September, Mrs. Jayne Finney, Assistant Librarian, resigned when her husband accepted a position in another state. In December, Raymond E. Reavis came from Wilmington Institute Free Library, Wilmington, Delaware, to fill this position. Once again we were able to end the year with a full staff.

As usual the staff has exerted every effort to keep abreast of new developments and increase their ability to serve effectively. They attended special seminars presented by the Eastern Regional System, and five attended both the annual meeting of the Massachusetts Library Association in April and the New England Library Association in October. In addition, the Head

Librarian attended a three-day institute on Managerial Practices, participated in the program at the annual meeting of the Massachusetts Library Association and served as Secretary of the Greater Boston Library Administrators.

Once again we are grateful to community organizations including the College Club, the Craftsmen's Association, the Woman's Club, the Reading Art Association, and the Garden Club for their many contributions of time and effort. Their interest has helped make the Library a more attractive place to visit. We appreciate the support we have received from the Town and hope we can continue to meet its needs.

OFFICE PERSONNEL RETIREMENTS — 1968

MISS ANNA FREEMAN

who served the School Department for thirteen years — 1955 to 1968 — as a clerk in the Senior High School Office for five years; in the School Committee Office as bookkeeper for one year; and as School Committee Accountant for seven years.

MRS. ETHEL M. GALLAGHER

who served from 1959 to September 1968 as Secretary to the Guidance Department of Reading Memorial High School.

MRS. CLARICE D. HYNES

who served as Elementary School Secretary for nineteen years — 1949 to 1968 — at the Highland-Lowell Street Schools.

MRS. MAE A. TANNER

who for twenty-three years — 1945 to 1968 — served as Executive Secretary to the Reading School Committee and to the Superintendent of Schools during the terms of Dr. Elbridge C. Grover, Mr. Arthur B. Lord, Jr., Mr. Robert F. Perry and Dr. Robert S. Wells. During the last five years she also served as Recording Secretary for the Reading School Committee.

CUSTODIAL RETIREMENT — 1968

MR. FRED B. GIBSON

who served as Custodian at the Walter S. Parker Junior High School from March 1951 to November 1968.

TEACHING STAFF RETIREMENTS — JUNE 1968

MRS. BERTHA S. COX

who taught Grade One at Joshua Eaton School from 1957 to 1968.

MRS. VELMA H. CURTIN

who taught Grade One at Prospect, Lowell, Union Street Schools from 1927 to 1939 and Grades One and Two at Pearl Street School from 1939 to 1968.

MRS. ELIZABETH G. HARDY

who taught Mathematics at Reading Memorial High School from 1954 to 1961 and at Walter S. Parker Junior High School from 1961 to 1968.

MISS HAZEL M. PERCY

who taught Mathematics at Reading Memorial High School from 1955 to 1959 and also served as Mathematics Department Chairman from 1959 to 1968.

SCHOOL COMMITTEE

Dr. Donald R. Walker, 52 James Road	Term expires 1970
Mr. Donald J. McGillicuddy, 500 West Street	" " 1969
Mr. Robert A. Muir, 529 Pearl Street	" " 1971
Mr. Kenneth P. Roberts, 30 Perkins Avenue	" " 1969

Mrs. Barbara I. Weeks, 66 Prospect Street (Resigned effective 19 November 1968)	" " 1971
Mrs. Nancy Elgart, 65 Timberneck Drive	Appointed to fill Vacancy until March 1969

ADMINISTRATIVE OFFICERS

Superintendent of Schools

Dr. Robert S. Wells 19 Oak Street

Assistant Superintendent (Business & Facilities)

Mr. Roberick E. Macdonald 11 John Carver Road

Assistant Superintendent (Instruction & Personnel)

Mr. Francis X. O'Donoghue 18 Bond Street

SCHOOL COMMITTEE OFFICE

62 Oakland Road

Office Hours — Monday through Friday — 8:00 a.m. to 4:30 p.m.

SCHOOL COMMITTEE OFFICE STAFF

Corinne D. Heselton	Secretary to Superintendent & Committee
Virginia B. McCormick	Secretary to Assistant Superintendent
Virginia F. Stanley	Secretary to Assistant Superintendent
Margaret K. Stewart	Bookkeeper
Norma C. Walsh	Payroll Supervisor
John F. Ring	Supervisor of I.B.M.
Julia M. Turcotte	Assistant
Mrs. Lois C. Piper	Supervisor of Cafeterias
Dr. Robert W. Wakeling	School Physician — 60 Lowell Street

SCHOOL COMMITTEE REPORT FOR 1968

To the Citizens of Reading:

Problems associated with the growth of the Reading Public School System continued to occupy much of the time and efforts of the School Committee during 1968. In addition to the need for additional building facilities, school population growth has resulted in requirements for additional professional staff and nonprofessional support personnel. To solve some of the problems created by the growth, the School Committee took the following actions during the year:

1. Approved and presented to the School Construction Committee educational specifications for an addition to Reading Memorial High School to bring the High School to a capacity of 2,000 students for grades 9 through 12. As with the new elementary school, flexibility of space to meet future educational programs is the underlying theme in the specifications.
2. Successfully completed a two year search for an Assistant Superintendent for Instruction and Personnel with the hiring of Mr. Francis X. O'Donoghue. Mr. O'Donoghue comes to Reading from a similar post as Assistant Superintendent in Newington, Connecticut. In the short space of four months his efforts have contributed greatly to the reorganization of the school system.
3. Named Mr. John L. Morabito, formerly Principal of the Pearl Street School, to be Principal of the new J. Warren Killam Elementary School and Mr. Paul A. Guerrette, formerly sixth grade teacher at Pearl Street, to succeed Mr. Morabito as Principal at Pearl Street. Among Mr. Morabito's first duties will be the assembling of a competent staff for the Killam School.
4. Approved a redistricting plan presented by the Elementary School Principals to be effective with the opening of the new Killam School in September 1969.
5. Created the new position of Administrative Assistant for Pupil Services and appointed Mr. Walter G. Paskowsky, formerly Director of Guidance, to fill the position. The need for this new position arises not only from the growth of the Reading School System, but to enable us to keep pace with rapid developments in special education. Special education programs reach all our children, whether they be of average ability, gifted, or physically, emotionally or intellectually handicapped. Many of these special programs are, or will be, mandated by the Legislature or the State Board of Education.
6. Approved a major reorganization of the Reading School System as recommended by the Superintendent. Highlights of the new organization include:
 - (a) Delineation of authority and responsibility for the Assistant Superintendents.

- (b) Extension of reading supervision, remediation, and developmental reading to all grade levels.
- (c) Establishment of coordinators who will coordinate curriculum committees on a system-wide basis.
- (d) Provision for an Administrative Council to permit participation by all professional levels in the development of school programs and to facilitate communication within the school system.

All problems related to growth have not been solved; indeed, some are yet to be fully defined. One of these concerns the impact upon our schools which will be brought about by the Sentinel Missile Project. In addition, there is need to locate new quarters for the School Administration so that the present space can be utilized for the High School. 1969 promises to be as full of challenges as was 1968.

Your School Committee shares with the other taxpayers of Reading concern over the rising costs of government of which the school programs are a major component. During 1968 the Committee supported a resolution in Town Meeting calling upon the General Court to reject proposed legislation raising minimum salaries of teachers unless such legislation be accompanied by state-provided financing. The Committee also communicated with the Commissioner of Education and the State Board of Education concerning the adoption of minimum pupil-teacher ratios without adequate State funding of the additional costs involved. The Committee is appreciative of the support and confidence evidenced by the people of Reading in the past, and will continue to strive to maintain the highest quality educational system within the capabilities of the Town.

Respectfully submitted,

Dr. Donald R. Walker, Charman

Mr. Donald J. McGillicuddy

Mr. Robert A. Muir

Mr. Kenneth P. Roberts

Mr. Frank A. Smith, Jr.

Mrs. Barbara I. Weeks
(Resigned effective 11/19/68)

Mrs. Nancy E. Elgart
(Elected effective 12/9/68)

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Committee and the Citizens of Reading:

The last major organizational change in the Reading School Department occurred in 1955 when a part-time supervisor of custodians and building maintenance was appointed to assist the Superintendent of Schools. During the thirteen years since this appointment was made, Reading has constructed three schools, not counting the one presently under construction. The School Budget has increased from \$760,186. to \$3,483,146.; the enrollment has increased from 3,333 to 5,272; the staff has increased from 178 to 350. A much greater involvement by State and Federal Government in education has occurred; the initiation of special programs, new services and other complexities of our times have added to the difficulties of administering our school system. Communication within the system left much to be desired, coordination of programs and services was lacking, and roles and responsibilities of supervisory personnel were in need of clarification and/or revision.

In short, a reorganization was in order, and the appointment of Mr. Francis X. O'Donoghue as Assistant Superintendent of Schools for Instruction and Personnel paved the way for a major change in the school department.

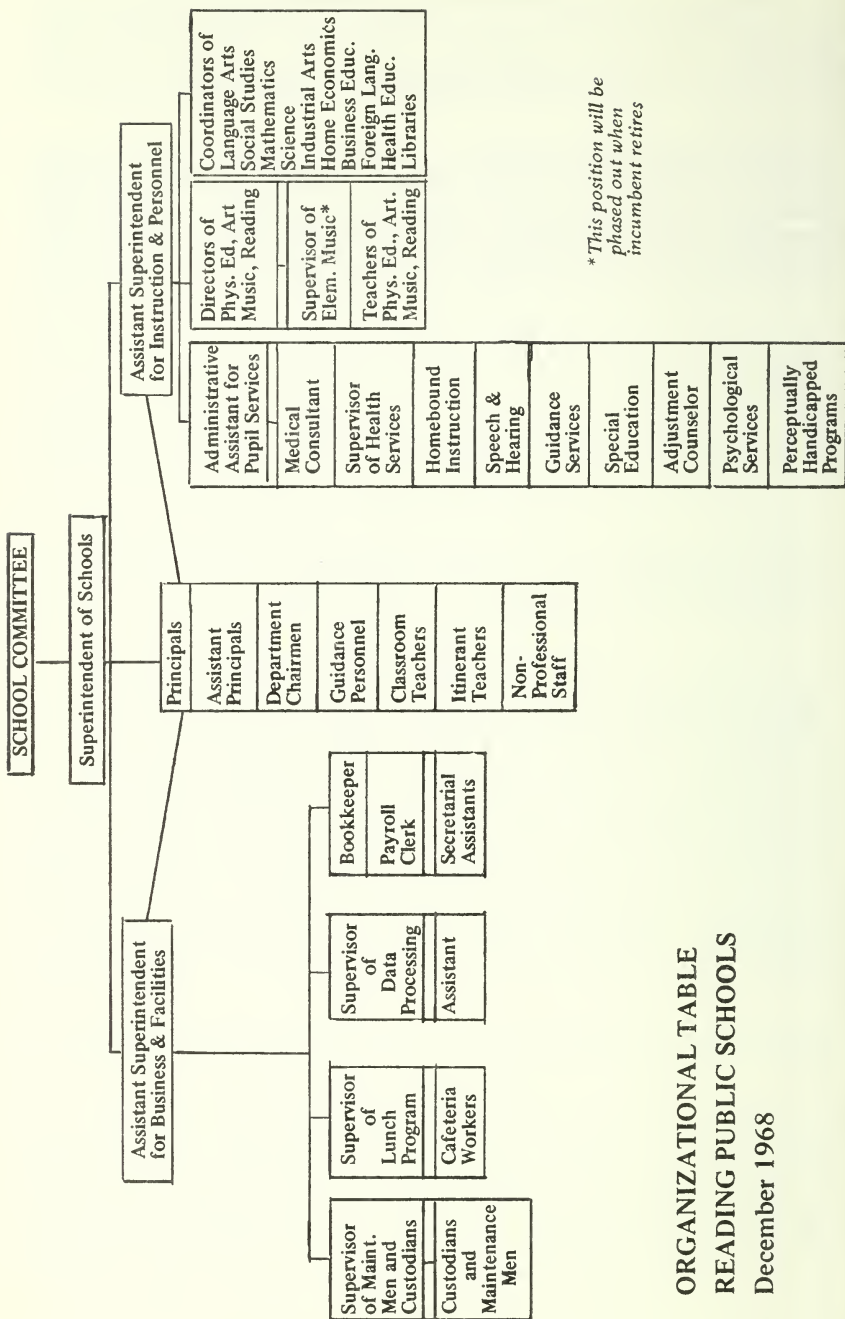

The Organization Chart on Page 184 illustrates the new plan that will be implemented as soon as possible. The major functional change is the delineation of the instructional aspects from those of the business and auxiliary services of the department. Another change deserving note is the inclusion of an Administrative Assistant for Pupil Services whose responsibility is to supervise and coordinate the varied guidance and health services plus all of our special education programs. The position of Coordinator has been established, also, and will be assigned to outstanding experienced classroom teachers. Their primary responsibility shall be to coordinate subject matter into an organized sequential program for the entire school system. Coordinators also will perform as Chairmen of the Curriculum Committees in their subject matter fields.

Job descriptions are being developed for all supervisory positions, spelling out duties, responsibility, and accountability.

We have also initiated an Advisory Committee composed of Administrators, Directors, Coordinators, and Classroom teachers from each school that will meet monthly. We are optimistic that the concerns and ideas brought before this council for discussion will be of considerable assistance to those of us charged with the responsibility of administering the Reading schools.

I wish that I could comfort our citizens with promises that educational costs, both for our day-to-day operation and for future school building needs, will be less severe in the years ahead. The fact of the matter is that costs will continue to escalate even if Reading's educational program should remain constant.

The problem of cost and programs is one that no longer can be solved by local means. The property tax, based upon an agrarian economy, was never designed to cover the services now required by all segments of our municipal government, and, unfortunately, State government has been remiss of their responsibilities by not funding those programs established by their own edict.

**This position will be phased out when incumbent retires*

ORGANIZATIONAL TABLE
READING PUBLIC SCHOOLS
 December 1968

The enrollment of the Public Schools as of October 1, 1968, was 5272, indicating an increase of 282 over the enrollment in 1967. In addition, there were 558 pupils enrolled at St. Agnes Parochial School in Grades 1 through 8, and 89 students from Reading enrolled in Grades 9 through 12 at Austin Preparatory School for Boys. The total school population in Reading as of October 1, 1968 was 5919.

STAFF

There are 350 people serving in the following capacities for the 1968-69 school year:

I. Administration and Specialists	28
Central Office	3
Principals (and Assistant at RHMS)	10
Directors	5
Supervisor	1
Guidance Counselors	7
Teacher of Visually Handicapped	1
Teacher of Deaf	1
II. Teachers	236
High School	65
Junior High Schools	65
Elementary Schools	106
III. Health Department	5
Nurses	3
Doctors	2
IV. Secretarial and Clerical	18
V. Custodians and Matrons	29
VI. Cafeterias	34

ANNUAL REPORT OF THE READING MEMORIAL HIGH SCHOOL

for 1968

Problems related to the growth of the school population and the necessity to adjust dominated the educational scene at the Reading Memorial High School during 1968. Even as improvements in the educational program for future generations of pupils were being planned, it was necessary to curtail or postpone practices that would benefit the present generation of pupils because of severe space limitations. Even as the learning media of our library were increased the seating capacity of this vital resource center was reduced. Even as teachers were encouraged to use methods to individualize instruction and make subject matter more relevant to the needs of pupils, it became increasingly difficult to provide spaces for large group lectures, small discussion groups and independent study.

Laboratories for biology, chemistry, and physical science operated at full capacity and it will be impossible to schedule any more pupils into these facilities next year using present time schedules. For similar reasons additional pupils cannot be accommodated in the industrial arts and fine arts programs. Staff requirements for physical education could not be met and in 1969 there will be an insufficient number of regular lockers and physical education lockers to service all pupils. Study halls were large and unwieldy and had to be held in the cafeteria or the auditorium. Lunch periods were seriously overcrowded and will continue to be even more overcrowded.

An increase in pupil population in 1968 necessitated an increase in staff. This, together with resignations of some experienced teachers, resulted in a condition where there were thirty teachers in their first or second year of teaching at Reading Memorial High School. Although we were able to recruit a few experienced teachers, most of the additions and replacements to the staff were relatively inexperienced. This condition increased the need for supervision and in-service training which the over-extended administrators were not able to provide sufficiently. The need for another assistant principal is acute and should be met soon. A portable video-tape recorder was acquired this fall to help in the self-evaluation and in-service training of teachers, but there are some anxieties and uncertainties to be overcome before this medium can be utilized fully.

Several approaches to having the Student Council become a focal point of a strong and positive student leadership within the school were studied. In the troubled times that seem to lie ahead, the need for widespread student understanding and support for the educational opportunities that are available to the pupils who attend the school is anticipated. One noteworthy achievement of the Student Council during 1968 was the raising of \$1,000. through student-planned and student-implemented activities for the purpose of building a school in an under-developed country under the sponsorship of the Peace Corps.

The planning of educational specifications for the expanded facilities which was begun by key members of the staff in the summer of 1967 was continued and refined by department heads and administrators. Several meetings were held to help the school building construction committee and the architect to translate these educational specifications into plans for new and modified physical spaces which will be needed to carry on the desired educational program of the future. Hopefully, this program will better meet the needs of pupils by involving them more directly and deeply in the learning process. Subject matter content will be arranged so as to permit pupils to study and learn continuously at their own optimum rates. Slower students will not become discouraged because they cannot keep up with their classmates and quicker students will not become bored by marking time while waiting for others to catch up to them. Flexible schedules will permit more frequent and more efficient groupings and regroupings of pupils to bring about more fruitful group-teacher activities. There will be a reduction in the number of daily tell-recite sessions involving the same group of pupils and the same teachers. There will be an increase in the number of large group lectures, usually prepared by teams of teachers; small group pupil-centered discussions; individual pupil-teacher conferences and independent study by pupils. In addition to frequent variations in the size and composition of classes, there will be variations in the duration of classes to permit suitable periods of time for differing learning activities. Open laboratories will be maintained for sciences and other specialized learning areas to provide more pupils greater opportunity and ample time to profit from their experiences in these areas. Teachers will guide the learning activities of pupils on an individualized basis to encourage and foster the full development and the growth of all pupils. Independent study and research will be required of all, and able and talented students will be encouraged to go far beyond the confines of the present curriculum.

Respectfully submitted,

Ara A. Karakashian

Principal

ANNUAL REPORT OF THE JUNIOR HIGH SCHOOLS — 1968

Both the Arthur W. Coolidge and the Walter S. Parker Junior High Schools experienced enrollment growth in 1968 necessitating the employment of two additional teachers at each school. Slight class size reductions were made possible in certain areas but both physical plants operated at maximum utilization.

Students were scheduled into classes on an individual basis in a continuing effort to recognize the unique makeup of each child.

Program modifications at Parker included the elimination of one home-room period to permit an additional class of French for qualified seventh

grade pupils, and a current events period for all other pupils. The current events class was designed to make children more sensitive to the great issues facing man today and made use of film strips and records furnished by the *Lawrence Tribune*, the *Boston Record American*, and the *New York Times*.

One homeroom period was eliminated at Coolidge to provide additional time for student activities and assemblies, and to permit more flexible scheduling. A new social studies program utilizing a topical-conceptual approach was piloted at both schools in the eighth and ninth grades.

An organized activities program was expanded at both schools to include student council, newspaper, creative writing and remediation. By scheduling some activities after school, pupils were encouraged to participate on a broader basis.

ANNUAL REPORT — 1968

ELEMENTARY SCHOOLS OF READING

Redistricting

The scheduled opening of the J. Warren Killam School in September 1969 necessitated town-wide redistricting in order to decrease the total enrollment of all elementary schools. Guidelines for the redistricting were developed by the elementary school administrators with the ultimate goals being:

1. A 25:1 pupil-teacher ratio for each school
2. Minimum bussing for pupils
3. Reasonable distances between school districts
4. Equitable principal responsibilities

Final school district boundaries resulted in the Pearl Street School having a ratio of 26:1 while all other schools approximately 25:1. The distances between school districts have remained reasonable considering the present locations of the elementary schools, and with the Prospect Street School being incorporated into the Barrows School District the number of classrooms to be supervised by principals has been evenly distributed.

Mathematics Workshop 1968

A second step in strengthening the mathematics program was taken during the summer workshop in 1968. As a result of the staff using and

evaluating the leveled material prepared in 1967, a follow-up workshop was conducted.

The most prevalent requests from the teachers were for:

1. A planned program for the slow learner;
2. More tests to evaluate pupil progress and understanding;
3. Supplementary materials for each level.

In response to these requests the mathematics workshop organized a Core Program to provide the necessary mastery of basic mathematics skills, a simplified version of the Core Program to be used with the slower learner, and an extension of the Core Program to be used with the more capable child.

In the simplified program some of the material from the Core Program was omitted to lessen confusion for the slower learner. This material will be covered with the slower learner at a later level when he will be more capable of handling it. When a teacher feels that a child is ready to handle any of the omitted materials, he is free to introduce the work at his own discretion.

The children in the extension program will be expected to master all material in the Core Program plus advanced material in the text. Suggestions are also offered as to the materials a teacher may give to a class to both challenge and stimulate them.

In addition to the levels by ability, and tests to evaluate progress and mastery, worksheets and games were constructed to follow the concepts introduced at each level.

These materials are now in use throughout the system for teacher evaluation, and additions, deletions, and revisions will be made as needed.

Reading Workshop 1968

The Reading Committee at work during the 1968 summer workshop period continued the work begun during the previous summer. The materials developed and compiled will provide a further step toward a more individualized pattern for the elementary schools.

Specific goals for 1968 included:

1. Subdivision of upper Reading Levels
2. Development of objective tests to measure competence at all levels.
3. Development of check lists as an aid to individual and group evaluation at each level.
4. Provision of suggested learning exercises coordinated with skills at each level.

Work on the above was guided by the recommendations of the 1967 committee and the evaluation sheets submitted by the teachers. Assistance was

also given by Miss Frances Barrett, a representative for the Scott, Foresman Company, publishers of the basal reader.

In order to help place the children on the correct reading level inventory survey tests were recommended by the committee and purchased for town-wide use in September. These were additional aids and proved valuable in reinforcing the teacher's evaluation.

Another outgrowth of the work in reading was the provision for two released time workshops for the in-service training of teachers. These were held at the Alice M. Barrows School for the purpose of:

1. Explaining and demonstrating new materials.
2. Demonstrating ways in which supplementary materials available to the teacher now correlate with the newly structured reading program.

Teachers are using the new guides and packets of materials prepared over the past two years in their instructional reading periods. There has been a townwide meeting for each grade level to discuss the use of this material and suggestions for evaluation. Building meetings have been held to follow-up and keep in touch with progress and problems. This keeps the program flexible and open to improvement. Only through constant evaluation can this be done.

Language Arts Program

The recent advancement of knowledge in the teaching of language arts has made increasingly greater demands upon the schools. There is a need for a better understanding of the structure of our language which will result in a more permanent grasp of subject matter.

To meet these demands, a study of the teaching of language arts has been carried on over a three year period. The language arts curriculum committee charted the standards for the sequential development of oral and written expression, materials were evaluated by all elementary school teachers, and pilot studies were initiated to select the best textbook to fit the curriculum.

In-service training, which is always an important part of any program, was supplied by Dr. B. Alice Crossley, Professor of Education at Boston University. Dr. Crossley presented a series of three lecture-demonstrations for all elementary school teachers during released time in the spring of 1968.

Effective as of September 1968, the American Book Company texts, **Our Language Today**, will be used in grades 1-6 throughout the town. The adoption of this series completed the transition to a linguistically-oriented approach to the teaching of language arts.

Elementary School Language Development Program Summer 1968

The Summer Language Development Program was a federally financed program funded through the State Department of Education under Title I ESEA. This program was designed to improve reading through intensive oral practice in the use of language. Each Monday consisted of a field trip which provided specific experiences and vocabulary for the lessons of that week. It acted as the primary motivational force. Throughout the remainder of the week, numerous and varied activities took place to maintain interest and attention and to provide the much needed practice in verbal areas. Children performed intensively specific language patterns presented through musical media using such equipment as the Language Master, telephones, walkie-talkies and tape recorders. The activities were comparatively brief and complete in themselves so that each child was able to observe his own improvement.

This four week program was in session at the Pearl Street School from July 1 to July 26, 1968 and operated five days a week from 9:00 a.m. to 12:00 noon. Interest and enthusiasm were high and considerable pupil progress was noted by the staff.

Art and Music

There was a general feeling in the art and music departments and in the administration that art and music were becoming specialized and isolated to the detriment of education in general. After several meetings of personnel involved it was decided to select, on the advice of classroom teachers, opportunities where the curriculum could be adapted to the agreed on premise that learning acquired through emotional involvement is the strongest and longest lasting.

This year eight such opportunities were explored. These involved all schools and ranged in time from two days to ten weeks. Subjects included the studies of Rome, Egypt, Africa, Greek mythology, literature, language arts, math and science.

This approach is still in progress, but as a result of the completed projects all personnel involved feel that the participating students have a deeper awareness of the depth, breadth and interlocking properties of the curriculum.

The METCO Program

The METCO Program continues this year with the same number of students involved, seven of the original eight children plus one new child. Interest and enthusiasm on the part of these children remains high and academic achievement is measurable.

DEPARTMENT OF SPECIAL SERVICES

ANNUAL REPORT — 1968

The pressing need to coordinate special services in guidance, special education, speech, hearing and sight-saving, health and psychological services, and homebound instruction resulted in the appointment of Mr. Walter G. Paskowsky as Administrative Assistant for Pupil Services in 1968.

Several special education classes functioned during 1968: a trainable class at Barrows School, a primary educable class at Barrows School, and an intermediate educable class at Parker Junior High. In cooperation with the State Department of Mental Health, occupational training was given to six Reading children at the John Berry Rehabilitation Center in North Reading. A class for the deaf, established in 1967 with State support and drawing pupils from seven towns, was again operated by the School Department in temporary quarters made available by the Baptist Church. A class for emotionally disturbed children organized jointly by the Reading and North Reading Schools and housed in a North Reading facility functioned for the second consecutive year. All special education classes will be housed in the new Killam Elementary School in 1969.

Blind and partially sighted pupils were assisted by an itinerant teacher who visited them in school on a regular schedule. Homebound instruction through tutors or special telephone communication was given to chronically ill or convalescing children.

A testing and evaluation program to identify perceptually handicapped children was initiated in 1968 and a committee established to plan for an expansion of services.

The guidance staff included three full-time high school counselors, one full-time counselor at each junior high school, and a school adjustment counselor. In addition, a full-time elementary counselor was added to bring guidance services to the elementary schools.

A follow up study of the graduating class of 1968 indicated the following post-secondary plans:

Four year colleges	129 students	41%
Two year colleges	44 students	14%
Nursing	12 students	4%
Non-college Educational Institutions	38 students	12%
Employment	59 students	19%
Armed Services	19 students	6%
Other	13 students	4%

Respectfully submitted,

Walter G. Paskowsky

Administrative Assistant for Pupil Services

ANNUAL REPORT OF THE SCHOOL HEALTH DEPARTMENT

The School Health Report includes all ten public schools.

1. **Pre-School Registration.** This was completed in the Spring for 449 children in cooperation with the first grade teachers and the Guidance personnel.
2. **Diphtheria-Tetanus.** The two Board of Health physicians administered 1,141 boosters (322 were the adult type) and eight basic immunizations for pre-school children, elementary grades and grade nine. The triple antigen was available for infants and children not previously immunized.
3. **Vision and Hearing**

	Vision	Hearing
Number of children tested	4,955	4,955
Number of children who failed	518	173
Number of children examined by an eye specialist	518	
Number of children examined by an ear specialist		95
Number of children examined by family physician		78
4. **Influenza.** Two clinics were held for teachers and personnel with 138 immunizations given by the school physician, Dr. Robert Wakeling.
5. **Tine.** This screening for the tuberculosis was completed for 874 pupils in grades one and nine, and for 77 teachers and other personnel.
6. **Physical Examinations.** The school physician examines pupils in grades three, six and nine, annually. But it is strongly recommended that the family doctor do this appraisal since he is in a better position to evaluate a child's health than a physician who is not acquainted with him. Also, he can institute therapeutic measures without delay. The parents of children who will be examined within a year should request a doctor's examination form. After the form is completed and returned to the health office, it eliminates the need for the school doctor's appraisal. The school physician examined 1,314 pupils, plus 260 athletes engaging in competitive sports.
7. **Physically Handicapped.** This list contained the names of 112 pupils. Seventeen of this group required home tutors and three had home-to-school telephones. Four were listed separately on the Census of the Blind and Partially-sighted, and two pupils are on the Census for the Emotionally Disturbed.
8. **Home Visits (or Conferences).** There were numerous home calls made for a variety of reasons. The majority of these conferences were completed in conjunction with requests initiated by principals and/or teachers. They usually required screening of physical problems in order to assist the child in his classroom adjustment, and occasionally to improve his attendance.

9. **Dental Health.** The third grades participated in the Dental Education Program sponsored by Proctor and Gamble.
10. **Immunizations.**

Information to Parents — A Massachusetts law enacted in September, 1967, states that all school children from kindergarten through grade eight shall not be admitted to school except upon presentation of a physician's certificate stating the child has been successfully vaccinated against smallpox and immunized against diphtheria, whooping cough, measles and poliomyelitis.

Exception: A child who has had measles does not need the measles vaccine.

Medical Exemption: A statement is required from the family physician indicating the reason why one or more of the immunizations should not be given. This should be renewed at the beginning of each school year.

Religious Exemption: A certificate must be completed by an official of your church or religious denomination, and this should be renewed at the beginning of each school year.

Respectfully submitted,

Aldona G. Bell

Director of Health

SCHOOL ENTRANCE REQUIREMENTS

To be eligible for admission to Grade 1 a child must have reached the age of five years and eight months on or before August 31 of the entering year. No provision is made for examination.

Upon entering school each child is required to present a birth certificate and a certificate of vaccination, or, in the case of unsuccessful vaccination, a statement from a doctor certifying that three attempts to vaccinate have been made all of which have proved to be unsuccessful.

SCHOOL CALENDAR 1969-1970

Teachers' Workshop	September 2, 3, 1969
Schools Open	September 4, 1969
Columbus Day	October 13, 1969
Teachers' Convention (no session)	October 17, 1969
Veterans' Day (no session)	November 11, 1969
Thanksgiving Recess — close at NOON	November 26, 1969
Christmas Vacation — close at END OF SCHOOL DAY	December 23, 1969
— open on Monday	January 5, 1970

Winter Vacation — close at END OF SCHOOL DAY	February 13, 1970
— opens on Monday	February 23, 1970
Good Friday — close at NOON (half day)	March 27, 1970
Spring Vacation — close at END OF SCHOOL DAY	April 17, 1970
— opens on Monday	April 27, 1970
Memorial Day (no session) — Monday	May 27, 1970
Schools Close for the year — for students	June 23, 1970
— for teachers	June 25, 1970

Days in Session

Students — 185 days
Teachers — 189 days

NO SCHOOL SIGNALS

No School will be announced over Radio Stations: WEEL, WBZ, WHDH, WRKO, WEZE, & WMEX — between 6:45 a.m. and 7:30 a.m.

It is the policy in Reading to have school on all scheduled days and for parents to decide when conditions are such that it would be unwise for their child to attend. However, when travel conditions are such that buses cannot run or the school yards cannot be opened, or other extraordinary conditions exist, school may be cancelled for all schools or for the elementary grades only. This decision will be made by the Superintendent of Schools.

IMMUNIZATION CLINIC

Diphtheria-Tetanus — Annually, in the Spring
By appointment only on notification from the Director of Health.

Tine Test — Grades 1 and 9 and School Personnel
In the Fall

KENNETH E. GAW, Manager

25 Haven Street

Reading, Massachusetts

MANAGER'S REPORT

To: The Municipal Light Board

Gentlemen:

Respectfully submitted is the seventy-fourth annual report of the Municipal Light Department. Continuing plant expansion necessary to meet the rapidly increasing electrical requirements of our system and annual growth expressed in terms of kilowatt hour sales, highlighted the operations of the department during 1968. While annual sales increased approximately 7½ percent, total revenues for the first time exceeded \$4 million. Significant gains in the system's annual load factor and the benefits derived from purchase power rate negotiations with our supplier, have resulted in the department recording the second lowest purchase power cost in its history.

Major steps have been taken for the installation of a new 115 Kv Substation to be located on Causeway Road, Reading and scheduled for operation late in 1969. This new station will enable the department to adequately meet the increasing electrical demands of the system in the most economical manner.

Operating highlights for 1968 are presented below, followed by financial summaries and statements.

PEAK LOAD: 49,408 Killowatts — Increased 6.77%

The system peak demand recorded at 6:00 P.M. on December 26, 1968 represents an increase of 3136 kilowatts over the demand recorded in 1967. The department's demand requirements are doubling every seven years as compared to the industry average of ten years.

PURCHASED POWER: 214,920,461 Kilowatt Hours — Increased 7.9%

The average cost per kilowatt hour decreased from 1.157 cents to 1.111 cents, the lowest unit cost since 1929. This reduction in unit cost is attributed to the continuing improvement of the system load factor and the decreasing cost effect of the department's purchase power rate negotiated in 1966. Purchased energy requirements increased 15.9 million kilowatt hours over those purchased in 1967.

KILOWATT HOURS SOLD: 195,745,378 — Increased 7.5%

Energy sales increased 13.6 million kilowatt hours over 1967. Residential sales in contributing over 52% of the increase, surpassed the increase attributed to our commercial and industrial customers for the first time in many years.

OPERATING REVENUES: \$4,205,497.69 — Increased 6.3%

Operating revenues increased \$247,866. over 1967. The average revenue per kilowatt hour which decreased to an all time low of 2.1485 cents, is due to greater usage by our customers of the lower priced blocks in the rate schedule.

TOTAL EXPENSE: \$3,733,204 — Increased 5.1%

Total expenses were 88.7% of operating revenues, a decrease of 1% from the 89.7% expense ratio recorded in 1967. More than 76% of the 1968 expenses were attributed to purchased power, depreciation and property taxes on plant in Wilmington, North Reading and Lynnfield.

CUSTOMERS: 16,463

Service was extended to 428 new customers during 1968. Customer growth has increased more than 27 percent during the past decade.

PAYMENT TO TOWN TREASURY: \$207,235.72

The above amount in accordance with the vote of the Annual Town Meeting in March of 1968 was paid to the Town in lieu of taxes. This payment is based on a formula voted at the 1966 Annual Town Meeting as follows, "50 percent of the department's net profit from operations of the preceding year". Total payments of this nature amount to \$2,967,320. since the first cash payment in 1934.

TOTAL COST OF PLANT AND GENERAL EQUIPMENT: \$7,091,286.47

Gross additions to plant and general equipment totaled \$405,696. and were financed from internally generated funds. Approximately 40 percent was expended for the replacement of inadequate 4160 volt primary aerial circuits with new spacer type cable designed for 13,800 volt utilization. The balance was expended for the replacement of underground cables in Reading; 281 new street light installations in Lynnfield; land purchases in Reading to be used for the site of a new 115,000 volt substation to be constructed in 1969 and to extend facilities to our 428 new customers.

CONSTRUCTION HIGHLIGHTS:

The final phase of renovating the Ash Street Service Center was completed in November. This phase consisted of installing brick veneer to the exterior walls and providing additional and modern facilities for the Line, Meter and Underground Departments. Additional furniture and equipment to complement these facilities will be installed in 1969.

Minor improvements made at our Ash Street facilities included the installation of new lighting at Transformers "A", "B" and "C"; emergency lighting and stand-by power at the Service Center and a new 100 foot free standing radio antenna. The operation of this new antenna has greatly improved our mobile communications.

Major replacements were made to our motor vehicle fleet with the purchase of 2 sedans for the Meter Department; 1 sedan for the Credit Department, 1 station wagon and one heavy duty line truck equipped with a 12,000 pound capacity, 34 foot sheave height continuous rotation derrick for the Line Department.

The department's oldest residential underground development located at Westcroft Park and installed in 1941 was partially renewed as 48 house services were replaced with larger conductors capable of twice the load carrying capacity.

In June, the Town of Lynnfield initiated a street lighting program designed to uprate the lighting level on all streets throughout the town. By the end of December, the department installed 281 new mercury vapor luminaires increasing the lighting intensity at various locations from a maximum of 600 lumens to 3300 and 7700 lumens. Early in 1969 the department will install an additional 72 mercury vapor luminaires and with this Lynnfield streets will be illuminated 100% by mercury vapor.

A new distribution feeder was added in Lynnfield with the installation of 1000 circuit feet of 500 MCM underground cable extending from the Lynnfield Substation to Main Street and 3000 circuit feet of aerial spacer cable along Main Street to Essex Street. This new feeder will supply a portion of Main Street and all of Lowell Street thereby relieving the heavily loaded Essex Street circuit. Although at present the new feeder will be energized at 4160 volts, all construction was installed for 13,800 volt utilization.

Two new residential underground systems were installed on Cook's Farm Lane and Courtland Lane West in Lynnfield. A total of 3200 circuit feet of cable was placed underground and transformers were mounted on concrete pads located on property lines adjacent to the sidewalk boundary. The cost differential between underground and overhead construction was assumed by the Developer.

Approximately 3000 circuit feet of 336.4 MCM spacer cable along with associated switching was installed on Woburn Street, Wilmington to provide a tie between our 13.8 Kv feeders #1459 and #1457. This installation will be of great value in relieving a portion of the heavy load on feeder #1457 and will also allow feeder #1459 to back up #1457 in case of emergency.

During the year, several primary circuits in Wilmington were installed and others replaced as the department installed over 42,000 circuit feet of 336.4 MCM cable and open wire designed for 13,800 volt utilization. The areas completed are:

Fordham Road: — From Concord Street through Industrial Park

West Street: — Along Industrial Way, Woburn Street, Eames Street, and Main Street to Town Park.

Middlesex Ave: — From Shady Lane Drive, along Middlesex Ave., Salem Street, Ballardvale St. and Andover Street.

Concord Street: — From Fordham Rd. along Concord Street to Park St., North Reading.

Lake Street: — From Shawsheen Avenue to Grove Ave.

After many months of careful study and planning, the department initiated a program of converting the billing system to data processing. Since June, all residential accounts have been produced by the computer and after six months of operation, the performance of the system has been excellent. The commercial and industrial accounts are scheduled to be processed in the same manner early in 1969.

The outlook for 1969 indicates a year of major capital expenditures necessary to provide electrical capacity to meet the rapidly increasing demands of the system. Major emphasis will be placed on the installation of a new 115 Kv Substation and associated transmission lines; construction of new 13.8 Kv distribution feeders, conversion of existing distribution feeders from 4.16 Kv to 13.8 Kv and the continued replacement of underground cables that were originally installed in 1930. The financial obligation for these projects will be met by internally generated funds.

In conclusion, gratitude is expressed to the Municipal Light Board for their guidance in departmental activities throughout 1968, to the officials of Reading, North Reading, Lynnfield and Wilmington for their cooperation and to the department personnel for their faithful and conscientious service.

ESTIMATED INCOME AND EXPENSES FOR 1969

INCOME:

From Consumers	\$4,398,040.00
From Tax Levy — for Street Lights	35,000.00
— for Municipal Buildings	45,000.00
From Merchandise and Jobbing	8,000.00
From Miscellaneous Income	46,000.00
Total Income	\$4,532,040.00

EXPENSES:

Production	\$2,572,520.00
Transmission	4,500.00
Distribution	372,000.00
Street Lighting	25,000.00
Depreciation	344,953.94
General and Miscellaneous	255,000.00
Interest on Bonds and Notes	7,862.58

Bonds and Notes Payable Redeemed	42,000.00
Taxes Personal Property Outside Towns	167,700.00
Uncollectable Operating Revenue	6,000.00
Interest on Consumers' Deposits	2,500.00
Retirement Pensions	170,000.00

Total Expenses	<u>\$3,970,036.52</u>
----------------------	-----------------------

Excess of Income over Expenses	\$ 562,003.48
K.W.H. Purchased	231,550.000
K.W.H. Sold	211,700,000
K.W.H. for Reading Street Lights	1,863,458
Expense Per K.W.H. Sold018753
Cost of Reading Street Lights	\$ 34,945.00
Appropriation for Street Lights	\$ 35,000.00

A summary of Revenue and Expenses, Total Cost of Plant, together with the Balance Sheet, the Profit and Loss Account and the Auditor's Certificate is appended herewith.

Respectfully submitted:

Kenneth E. Gaw, Manager

REPORT OF THE MUNICIPAL LIGHT BOARD

The report of the Manager as submitted by him with certificate of the Auditor is hereby approved by the Municipal Light Board and constitutes its report to the Town.

W. F. Spurr, Chairman

John H. Crooker, Secretary

Paul C. Nicholas

ACCOUNTANTS' REPORT

PEAT, MARWICK, MITCHELL & CO.

Certified Public Accountants

2000 Tower Building

Prudential Center

Boston, Massachusetts 02199

The Municipal Light Board

Town of Reading, Massachusetts:

We have examined the balance sheet of the Municipal Light Department of the Town of Reading as of December 31, 1968 and the related statements of the revenue and expenses and profit and loss accounts for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we consider necessary in the circumstances.

The financial statements are prepared in conformity with accounting principles prescribed by the Massachusetts Department of Public Utilities and, as to the inclusion of bond payments in expenses, with Chapter 164 of the General Laws of Massachusetts.

In our opinion, such financial statements present fairly the financial position of the Municipal Light Department of the Town of Reading at December 31, 1968 and the revenue and expenses for the year then ended, in conformity with the accounting principles and the form of presentation prescribed by regulatory authority and the General Laws were applied on a basis consistent with that of the preceding year.

(Signed) Peat, Marwick, Mitchell and Co.

January 22, 1969

TOWN OF READING

Municipal Light Department

Notes to Financial Statements

December 31, 1968

- (1) The department has in effect a pension trust to provide for funding of its obligation to the Commonwealth under the state retirement plan for municipal employees. This arrangement provides for the funding of retirement benefits over the employees' working years rather than over their retirement years. The department's contribution to the pension trust in 1968 amounted to \$134,377.
- (2) At December 31, 1968 the Department was contingently liable on conditional sales contracts discounted with the Middlesex County National Bank amounting to \$4,676.08.
- (3) The balance in the operation fund at December 31, 1968 was transferred to the construction fund.

ANNUAL REPORT

of

THE BOARD OF PUBLIC WORKS

of

The Town of Reading, Massachusetts

for the year ending

December 31, 1968

In Memoriam

Philip P. Welch

Director of Public Works
1935 — 1954, 1958 — 1968

REPORT OF THE BOARD OF PUBLIC WORKS

To the Citizens of Reading:

The Board of Public Works herewith submits its Annual Report for 1968.

On March 11, 1968, the Board organized with Mr. George L. Hodgkins as Chairman and Mr. Donald E. Florence as Secretary. Early in the year, it became necessary for Mr. Edward C. Wright to resign for personal reasons and the Board voted unanimously to appoint Mr. William H. Watt to fill the vacancy for the ensuing year.

Regular meetings were held on Monday evenings and additional evenings as required.

Acting as the Board of Survey, hearings were held to consider plans for several proposed developments.

The Board reviewed programs and policies relating to the many requests for various types of services and changes were made where it was thought advisable. The method for development programs for the various departmental projects has resulted in good progress and will be continued.

Sewer construction, based on an approved projected program, plus steady annual appropriations, resulted in elimination of sanitary problems and provided much needed service to homeowners.

The Northeast Interceptor Sewer construction is well underway and nearing completion, and the Board has developed a new five-year program for the Northeast area of Town, with construction schedule to begin in 1969.

The Board, in 1968, continued to study the problem of rubbish disposal. This is a complex problem and the Board has not completed its study at this time.

The program for improvements relating to the water system was followed closely. The contract for modifications and enlargements of the 100-Acre Pumping Station was completed and construction of a pumping station on a gravel well is under way. All improvements have been financed out of Water Income. As a result, careful handling of water funds is required.

Due to many conditions, the Department again has been faced with a real labor shortage. If the labor shortage continues in 1969, it will be necessary for the Department to contract many of the services now done by Town personnel.

The Board of Public Works wishes to express publicly its grief over the loss of Superintendent Philip Welch. He served the Town for many years as a dedicated and effective planner and administrator. The continual growth of the Water System, parks, playgrounds and other Public Works activities were the result of his dedicated efforts.

Again the Board wishes to extend its thanks to many Town Boards and Committees, and to Department employees and the general public for their cooperation and assistance.

Respectfully submitted,

George L. Hodgkins, Chmn.

Donald E. Florence, Sec.

George W. Cochrane, 3d

William H. Watt

Nathan C. White

SUPERINTENDENT'S REPORT

To the Board of Public Works:

Gentlemen:

As required by Section 4, Chapter 118, of the Acts authorizing the Town of Reading to establish a Board of Public Works, I respectfully submit for your consideration the forty-eighth annual report of the Department of Public Works and a short resume of the work performed during the year 1968 with recommendations for the future.

General

Residential construction continued at a moderate pace. As a result, the Board continuously receives requests for various services. Programs have been established in the various divisions of the Department and steady progress is being made in many ways. Some work has been let out to contract but most work is being done by Department employees.

Progress continues on modernizing the various functions of the Department. Much has been done but much remains to be done. Action on some items is being withheld pending reports from the Town Committees.

Board of Survey

The members of the Board of Public Works are ex-officio members of the Board for Survey. Acting as the Board of Survey, several hearings were held for the consideration of individual street layouts and for developments including several streets. Conferences were held with developers, contractors and affected property owners.

Estimates were prepared and performance bonds secured for proper construction. All construction work by developers is closely supervised by Board of Public Works employees.

A large number of proposed lot plans were examined and endorsed for recording. In many cases, for various reasons, it was not possible to endorse the proposals.

Engineering Division

During part of the year it was not possible to properly manage this division. As a result, some work will have to be done by consultants in 1969. The division is operating reasonably well. If certain changes in the Classification Schedule are approved, conditions will be bettered and it may then be possible to properly man the division so that it can operate efficiently and economically to the benefit of the Town.

Water Division

Expansion of existing facilities continued in 1968. Small sized mains were replaced by larger mains in several locations. A new pumping station is being constructed on a gravel walled well.

Residential construction remained at a moderate level. A total of 3445 lineal feet of water main was installed. A total of 124 new water services were installed and 34 old services were replaced.

New water meters were installed in 121 locations, 451 meters were removed and repaired, or if required, junked and new meters set.

Pumping Stations and Filter Plant

Rainfall in 1968 was near normal, and problems of water supply were not serious during the year.

A total of 797,475,300 gallons of water was delivered to the distribution system in 1968.

The highest single days consumption was 3,517,700 gallons on July 23, 1968. The highest seven days consumption for the period July 22, 1968 to July 28, 1968 was 20,546,300 gallons.

Well Fields

The tubular wells were cleaned, and inspected and repaired in the early summer months and wells showing high mineral content were shut off. Very little maintenance on gravel packed wells was required.

Statistics for the Year Ended December 31, 1968

General

Population — United States Census of 1960 — 19,259.

Date of Construction of Pumping Stations — 1931, 1953, 1958, 1959, 1960, 1962, 1965, 1966.

Source of supply: Tubular (Driven) Wells and Gravel Walled Wells.

Cost of pumping per Million Gallons — Power only \$24.77.

Cost of Pumping per Million Gallons based on total Pumping Station Expenses — \$80.65.

Cost of Water Supplied (per Million Gallons Pumped) based on cost of Maintenance, plus Interest on Bonds — \$117.63.

HIGHWAY DIVISION

Chapter 90 Construction

Using Chapter 90 Funds, a contract for a portion of Haverhill Street North of Charles was completed.

Street Betterments

Four streets were accepted as public ways. Construction work was done by contract. The streets were Harvest Road, Track Road, Canterbury Drive, and Governors Drive.

Bituminous Concrete Pavement

Portions of the following streets were recovered with bituminous concrete: — Main Street and High Street. A portion of High Street from Middlesex Avenue to Lowell Street was reconstructed by a new method which was very satisfactory and may be used in the future on other streets. Another section of High Street was widened and adjacent parking area was also paved.

General Highway Maintenance

Normal maintenance operations took place during the year. Streets were swept, basins cleaned, storm drains cleared, tree lawns repaired, curbing set and reset, plus many other items. With the substantially increased installation of new public utilities plus increased and heavier traffic, it has become increasingly difficult to maintain street surfaces. Large amounts of patching materials are used annually. A substantial amount of various types of road oil was used. Several methods of treatment were used in an attempt to cover the scars of utility installations and to maintain reasonably smooth riding surfaces.

Sidewalk Construction and Maintenance

Sidewalks were constructed on sections of Bancroft Avenue and Washington Street. Due primarily to economic reasons, most sidewalks were constructed of bituminous concrete.

Maintenance as usual was accomplished during the year. Gravel and stonedust were spread, tree lawns loamed and seeded. Repairs were made to granolithic and bituminous sidewalks on Salem Street and Haven Street.

Storm Water Drains

This item continues to be a source of constant requests for facilities. A program has been developed which includes those projects which it is felt will be of most value and benefit to the Town and the abutters. Under a steady annual appropriation many problem areas have been eliminated.

Maintenance of Storm Drains

Under an expanded program, culverts were cleared, long lengths of ditches cleaned, and all catch basins cleaned with a mechanical cleaning machine. A portion of the Quannapowitt Drain was cleaned with a hired crane.

Snow and Ice

Several plowable snow storms occurred. Also, several that required sanding only. Additional equipment was hired and extra personnel employed as required. Every reasonable effort was made to plow and remove snow and return the Town to normal conditions in each instance. Overall, the winter season of 1967-68 was a mild one.

Park and Playground Division

Extensive maintenance was accomplished on all areas. Debris was removed, beds and walks edged, fertilizer applied, grass cut, loam and seed spread, play equipment repaired, bleachers repaired, fences repaired, brush cut and removed, grass cut regularly, ball fields maintained, tennis courts maintained plus many other related items of work.

Men and equipment were placed at the disposal of the Recreation Committee and work done which would allow their program to be carried out efficiently

Based on a prepared program there was considerable replacement of worn, antiquated facilities and extensions were continued in two areas. Considerable work was done in the vicinity of the skating area. A substantial section of Birch Meadow was gravel filled, loamed and seeded.

Sewer Division

Sewer Construction, generally speaking, followed the program as printed in the Annual Report. Some changes in programming were necessary.

Sewers were installed in several streets, with the work being done by contract.

Sewer house connections were installed in 75 homes.

Maintenance of main sanitary sewers were accomplished, using the new power operated cleaning machine

The Willow Street Sewage Pumping Station and The Sturges Park Station operated efficiently with no major problems. Pumping totaled 94,676,040 gallons in 1968.

John Street Dump

The Dump was operated in a partial sanitary fill manner. Broadly speaking, the operation was reasonably successful. Part of the year, the Dump

was improperly manned because the Department was unable to attract a qualified caretaker. The section of the Dump nearest Route 128 has been closed except for emergency conditions and an attempt has been made to beautify the edge of the Dump facing Route 128. During 1968, almost two acres of land were filled and the Dump is now extended across the Quannapowitt Drain Channel.

GENERAL RESUME AND RECOMMENDATIONS

The year 1968 saw the beginning of the construction of the Northeast Interceptor Sewer and the pumping station forced main and gravity lines for the new elementary school on Charles Street in addition to the regular Sewer Construction Program.

The Department continued to do the bulk of its construction program with its own personnel. However, the shortage of labor is becoming an increasing problem and will result in the Department contracting more and more projects unless it is solved.

The contract for substantial additions to the Water Pumping Station and Treatment Plant at 100 Acres, a new storage tank, additional pumps and motors, and larger sized distribution mains were completed. A small pumping station was started and will be completed early in 1969. As recommended by Consulting Engineers, Whitman and Howard, it is planned to install automatic sludge removal equipment in the sedimentation basins. This will aid in adding greater capacity to the Treatment Plant.

The contract for the Northeast Interceptor Sewer is progressing well and will be completed early in 1969. This sewer makes it possible to provide service to a large number of people in the Northeast area of Town and a five-year program has been developed for the section.

The program on servicing primary and secondary roads was continued with the construction of a section of High Street. This is a good program and should be continued.

The subject of solid waste removal and disposal is still being studied and the report on high temperature incineration has been received. After much deliberation, the conclusion has been reached that high temperature incineration is not feasible for the Town of Reading at this time. The Department is actively considering conventional incinerators or modified conventional incinerators. It is hoped that studies can be completed and a proposal made to the Town in 1969.

Many of the services performed by the Department, such as sewers, drainage, road resurfacing, park development, etc. have been incorporated in the basic programs. This practice has worked quite well and will be expanded as the need indicates.

Respectfully submitted,
E. Roger Louanis,
Superintendent
